Dear Kristine Haines-Chiarelo,

Your email to Me is **harassment and contempt**.

Your Duty and Obligation as Trustee of the Public Trust, is to Act in accordance with the Rule of Law, the Trustee Act of Ontario, and all other codes, statutes and Acts, including Canada's Criminal Code, to assist Me in fulfilling My Trust obligate Sean's according to Canadian Law.

Your duty as a public Trustee, is NOT to weaponize the Ontario Works Act to compel Me to perform or consent to Acts and Deeds that violate My Spiritual beliefs and trespass upon My Trust obligate-Sean's, nor do You have any right to weaponize an Act of legislation to threaten Me with economic harm for failing to comply with Your illegal and unlawful Orders.

Once again, and by Way of her own admission, Nana Asante claims to have Given Me Notice of a reduction in benefits on **February 21st**, for a 'new policy' that allegedly took place on January 1st? Why was Nana Asante waiting seven weeks to tell Me about it? Where did this legislation come from? Who consented to this new legislation? I don't consent to Your reducing My benefits whatsoever because You are guilty of economic exploitation and extortion. The public Trust account presumably Created for My benefit **pays Your salary!!!** You do not earn ONE RED CENT FOR CANADA, YOU ARE AN EXPENSE, AN EMPLOYEE, A PUBLIC SERVANT!!!

This is not abusive conduct, this is the first due process of Law in any Common Law Jurisdiction. Suggesting You are above the law is what's known as legal 'gaslighting' and is recognized as a form of emotional and psychological abuse. You've been Wilfully trespassing upon My Trust for over six years now, and I presumed it was exclusively because Your entire office is ignorant and incompetent. But ignorance is no excuse for the Law, and there comes a point when gross incompetence becomes indistinguishable from malice.

I'm telling You that the continuous trespasses upon My Trust Instrument and My Spiritual Convictions Will no longer be tolerated for the sake of My own mental health and well being. I cannot in Good faith continue to communicate with an agency so arrogant that they believe Canada's Criminal Code does not apply to You, or that somehow the Ontario Works Act provides You with immunity from prosecution for continually sending Me threats of economic harm for failing to comply and or agree to some new Act of exploit a Sean while You are engaged in criminal trespass on My Trust obligations.

Criminal breach of trust

336 Every one who, **being a trustee of anything for the use or benefit, whether in whole or in part, of another person, or for a public or charitable purpose, converts, with intent to defraud and in contravention of his trust, that thing or any part of it to a use that is not authorized by the trust is guilty of an indictable offence and liable to imprisonment for a term not exceeding fourteen years.**

R.S., c. C-34, s. 296

I am absolutely within My rights to advise You of what Canada's Criminal Code has to say about Your continuous, Wilful trespasses upon My Trust obligations with **malicious intent** to cause Me economic, emotional, psychological and Spiritual harm to demoralize and dehumanize Me as a Man.

If You don't like what Canada's Criminal Code has to say about Your Willful trespass upon My Trust obligate Sean's, then maybe You should stop trespassing and apply Canada's Criminal Code, that might arrest the Matter.

Gaslighting is to ignore legal and lawful Notices served upon You without providing and legal or lawful excuse.

I've attached Your letter dated December 4th as cited in Your letter, Will You Will take Notice that You were clearly advised that sending future correspondences like the one I received today would be perceived as Willful intent to harass and antagonize.

You are already in contempt for failing to acknowledge the Default Judgment awarded against You, Nana Asante has **desecrated** for no other reason than her utter incompetence or absolute arrogance - there is NO EXCUSE FOR DESECRATING A TESTAMENTARY INSTRUMENT!!!

You have not even apologized! That is more than just contempt, it is emotional, Spiritual, and psychological abuse. I Will not tolerate it anymore.

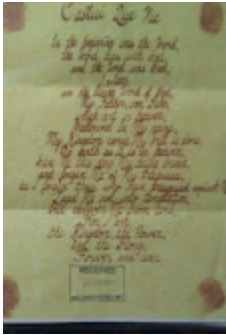

I Will be appealing Our SBT hearing with the Divisional Court and including these emails.

Many Blessings,

You are hereby served,

King Sean, House von Dehn,
Hand of Stephen,
The Kingdom of Heaven Found a Sean
