Dear Kelly,

You are still liable to Me for Your criminal malfeasance, and for causing Me to be threatened with eviction, served with an N4 for no other reason than Your harassment and criminal negligence. You still didn't explain who cut off rent and interfered with the contract I signed with Lori Simpson or why You are signing receipts to show that I've received documents before they are processed by Canada Post?

You haven't provided any legal or lawful excuse for Your actions, You are 100% liable for all the harm done to Me by Your organization.. When did You send Notice to Me that the subsidy was revoked in June? Why did I learn about it in an N4? You are responsible for all that harm done to Me, right?

So when do I get compensated for Your criminal negligence? Does this also mean You're going to stop trespassing on My right to freely dispose of My natural wealth without prejudice to foreign obligations?

You're still leaving a lot of unanswered questions. Funny how You like to interrogate Me with Your questions but don't seem to be able to answer any of mine. Did You provide any answers to the Ombudsman who are investigating Your fraud, or is it the same song and dance - Kelly pleads the fifth. You know We don't have the fifth here...

You are liable to Me in the amount of \$1,000,000.00 for Your gross criminal negligence. Have a nice day,

King Sean, House von Dehn,
Hand of Stephen,
The Kingdom of Heaven Found Sean
