Good morning, Nathalie Gougeon and Wendy Stephanson,

I reported to You previously that City of Ottawa employees are engaged in fraud, obstructing My access to Justice and Canada's Courts, primarily the Ottawa Superior Court of Justice and the Ottawa Provincial Court of Justice, and that I have reported these crimes to My local police but they are conspiring with these criminals and now making 'house calls' to threaten and intimidate Me rather than arresting the criminals obstructing My access to Justice and using the Courts as a cloak for insurance and estate fraud. They are even conspiring with City of Ottawa employees to 'impersonate'

the Crown Attorney's office to bring false charges against Me in mock Courts 'off the public Record' (not processed onto the Registry).

The City of Ottawa's Kimberly MacDonald has been sending Me fraudulent police informations from an email they created *specifically to perpetrate their fraud*, 'Virtual.CrownOttawa@Ontario.ca' that have not been processed onto the Ministry of the Attorney General and Department of Justice *Registry*, effectively *impersonating* Crown to Give the illusion of due process for the express purpose of weaponizing the police against Me, presumably for reporting these crimes (of which the Ottawa Police Service is complicit).

These are all City of Ottawa employees in one capacity or another, using the Provincial and Superior Courts as a cloak for fraud to harass and intimidate Me. You are telling Me that no One in receipt of this email, including the entire Ottawa Police Service can apprehend the criminals obstructing My access to Justice? No One can even guarantee these emails Will be forwarded to a competent, judicial authority?

You don't feel, Nathalie, that at the very least if You are unable to take any action Your Self, that this issue isn't important enough for You to immediately forward My emails to You to the appropriate Ministry to put these crimes to a stop? You can't help Me receive protection from criminals conspiring against Me in Your own city?

And You expect to tell a Judge that You are not criminally negligent for allowing the harm to continue? And what about You, Wendy Stephanson? Same question.

Wendy Stephanson doesn't have enough resources at her disposal to put these crimes to a stop? Or she does, but does not Wish to? Criminal negligence causing harm, breach of Trust... Do any of You have an ounce of competence?

You have already allowed for a fraudulent hearing to take place at 100 Constellation Drive, impersonating the Ontario Court of Justice, processing a 'parking ticket' in the amount of \$6280.00 which You appear to have cashed?! Kimberly MacDonald provided the 'Certified True Copy' in reply to My request for the Court of Record regarding that fine. It is attached for Your convenience (also see the latest - more city of Ottawa fraud).

[You can listen to what really happened on the day of the hearing here.](#)

And the latest 'initial disclosure package' and 'charge screening form' (also attached) are the latest I received from Kimberly MacDonald from the fake email address 'virtual.crownottawa@ontario.ca'. No One can arrest Kimberly MacDonald for that Act of fraud ALONE?!

You've got City of Ottawa staff setting up fake email addresses so they can trick Me into believing I am being tried in a legitimate Court run by City of Ottawa employees at 100 Constellation Drive that the Ministry of the Attorney General and Department of Justice know nothing about, and You can't do anything about that?! It is not Your responsibility

to put this kind of fraud to a stop as the 'fraud and waste' management auditor for the City of Ottawa? What exactly are We paying You for, Nathalie the Goulish Gougeon?

Because You are so incompetent, I have taken the liberty of including the emails to One of the other institutions You recommend I try. Let's see how many institutions We have to contact to get criminal clerks and corrupt prosecutors out of the Ottawa Courthouses.

V. Bourbonnien is on Notice of Criminal Liability for collusion to engage in fraud and gross prosecutorial misconduct.

If You require any additional evidence, please don't hesitate to let Me know. I'm anxious to know when Kimberly MacDonald Will be arrested, as well as the police officers involved. If the executive director won't arrest criminals working in his department, is it not fair to presume the entire Ottawa Police Service has been compromised?

Please feel free to correct any of My presumptions.

I hope and Trust this email finds every One feeling more motivated to do the job they were Trusted to perform.

This email Will be published later today on www.vondehnvisuals.com.

Blessings,

King Sean, House von Dehn,
Hand of Stephen,

Good morning, Nathalie the Goulsh Gougeon and Wendy the Sinister Stephanson,

How is the Kreling Criminal Cabal doing this morning? Neither of You have sufficient resources or contacts to put the Kreling Criminal Cabal to bed so that Canada's People can access the court with obstruction from City of Ottawa criminals posing as Superior and Provincial Court clerks?

Well, at least My interpretation of Your incompetence was not understated in any Way. The only question now is whether this criminality is the result of complete and utter incompetence, or Willful determination to prolong Your conspiracy against Me (mens rae)?

Also, new clinical Study from the Cleveland Clinic shows that the more bioweapons posing as vaccines One received, the greater their chances of contracting Covid and having an adverse event, many of which were fatal.

Remind Me again what science You are following and why You haven't stopped distribution of this deadly medical product if this is not a genocide campaign against Canadians.

<https://www.vondehnvisuals.com/2025/04/14/as-king-grok-if-the-mrna-vaccines-qualify-as-bioweapons/>

Every One in receipt of this email Will also be looking at charges for aiding and abetting genocide.

You are really 'Trumping' up the charges! And Keep in Mind, every day is one additional count of breach of Trust for the gross, criminal malfeasance of the City of Ottawa's Manager, Wendy the Sinister Stephanson and Nathalie the Goulish Gougeon.

Allowing for poison posing as vaccines to be mandated in a City You are managing... I could not think of any One MORE liable than the general manager and the auditor general Trusted to ensure the government is not engaged in fraud.

I look forward to hearing from You,

King Sean, House von Dehn,
Hand of Stephen,
