Dear Kaneesha,

The hot water has been out since yesterday morning, when can the tenants expect to have it fixed. If it is out for longer than 24 hours (as is the case now) tenants are entitled to rent abatement for every day they do not have hot water.

I look forward to hearing from You as soon as possible, as do the rest of the tenants in My building.

Thank You,

Good morning, Kaneesha,

How long should I wait for a reply to an urgent message? What does MHI consider 'reasonable' to keep tenants without hot water?

I look forward to hearing from You,
