Hello:

Please see the attached. Given the information we have from your Appeal Form 1, it does appear you are disputing the amount of the benefit, but It's not clear if the amount of benefits have been reduced and you are disputing a reduction, or if you are just arguing that OW recipients do not get paid enough money to survive, but not necessarily that your benefit amount was incorrectly assessed at the amount you are currently receiving. Please advise.

Sincerely,

Registrar
