Hello:

Thank you for your email below. However, please keep in mind of SJTO's Common Rule 7 on courtesy and Respect when sending emails to SBT or any other party involved in the appeal.

Rule A7.1 states: "All persons participating in proceedings before or communicating with the tribunal must act in good faith and in a manner that is courteous and respectful of the tribunal and other participants in the proceeding".

Having said that, the form you requested used to exist for in-person hearing before COVID hit. I would also take this opportunity to notify you that your summons requests are going to be determined at the pre-hearing. You have also asked for the Registrar's name; her name is Janet Cervený. All been said, please note I can be of no further assistance to you in these matters and will not respond to any further email raising these issues. Please note any issue or concern needs to be raised at the Pre-Hearing before the presiding member.

Kind Regards,

Madeleine Mbuyi
