Good afternoon,

This email is a follow up regarding your accommodations. As it pertains to your Hydro pay direct, please note that it will be suspend between the months of August to December 2025 or until your credit is exhausted. The pay direct will however remain on file as we have previously paid Hydro arrears for you. Should you exhaust the credit early, please notify me.

Also, please expect \$1,018 payment in the coming days. It was noticed that between your rental subsidy and your full shelter portion, your landlord was overpaid. This has been corrected. Moving forward, it has been reduced accordingly.

Regards,

Mathieu Regimbald
