Dear Registrar,

I was advised I may contact this email for additional disclosure pertaining to Court information and Endorsements. May I request to see all Court orders and Endorsements in chronological order from the swearing of the initial information?

I would also like to request a copy of the warrant Stephen Crookshanks was Acting on for 'failure to appear for prints'.

I'm also curious to know why the warrant for failure to appear endorsed by Manpreet Kaur is for the name 'SEAN VON-DEHN', as that is an entirely different Character from Sean 'VON DEHN' and does not exist anywhere else in the information? Why is there a 'fake' entity on the failure to appear warrant? How many People are being charged, and who is 'Sean 'VON-DEHN', and why are they using a fake name on the public Registry (Court case look up tool does not have any file for '24-122310' or 'Sean VON DEHN'.

You do recognize that 'VON-DEHN' is a fraudulent name and does not exist in objective reality.

Blessings,
