Good afternoon King Sean,

This email is in relation to the communication issued earlier today by my colleague Genevieve regarding the review of your file between the period of July 2021 to July 2023.

I would like to request your authorization/consent to inquire with Ontario Works about when your Pay-Direct started and whether or not it will be changing. If granted your authorization/consent, you will be included in my request to Ontario work.

I kindly await your reply.

Dear Kelly,

What are You talking about?! 'PAY DIRECT' for what?!

Look at these Entitlement Forms and do some basic math with Me. In 2021, when the Beneficiary was living on Kent, he was told that utilities and rental insurance were NOT included and COULD NOT be claimed as part of the shelter/housing cost for subsidy.

These forms show that was a LIE!!! That is a BREACH OF TRUST, KELLY!!!

So, the Beneficiary SHOULD have been receiving \$60/month every month he was paying that amount for utilities because he's been paying it since he acquired housing and was entitled to claim it as part of his housing cost. Instead, You have taken those funds from his basic needs and given the money to his landlord instead by breaching his Trust and using the consent that was provided to You to learn how much he was paying in utilities so You could give that money to My landlord instead?

And now You want Me to Trust You with consent for what? I consent to You finding out EXACTLY how much the Beneficiary has paid in utilities because he is entitled to every penny back!

Ontario Works has REDUCED the shelter portion of Benefits this year to offset the amount that You are NOT paying to the Beneficiary for his utilities and were previously planning to give to the landlord.

Please confirm what You are as King of consent for and tell Me why I should ever Trust You with anything?

Your own forms show that MHI received \$60x12 for 2023, 2024, 2025 and have been approved the same amount until June of 2026.

Simple math, Kelly.  $\$60 \times 12 = \$720$  (one year).  $\$720 \times 3 = \$2160.00$ .  $\$2160 - \$1018. = \$1142.00$  not including  $\$60 \times 3 = \$180$  for July, August and September of 2025.  
 $\$1142. + \$180 = \$1322.00$

Sean was also Entitled to receive Benefits for 2021 and 2020 - ever since he acquired housing because You were *lying to him when You said he could not claim those costs!!!*

You owe Sean every penny he has paid out in utilities from his basic needs - period.  
You have My consent to find out how much that is and pay him what You owe him!!!
