Further to previously provided disclosure , attached you will find a further disclosure package. Also included is the Charge screening form that includes the name of the assigned crown.

The crown will not be engaging in discussions with a self represented accused via email, all communication will take place on-record, in front of a judge at your self represented Judicial pre-trial on September 17, 2025, Courtroom 8 , 2pm

Listen, You criminal clown! Did I not VERY EXPLICITLY tell You NEVER to send Me an email from the Court without providing a last name for the purpose of accountability. I am ONLY communicating with the prosecutor who Will give to Me EVERYTHING they have related to disclosure or I Will object to their materials and show the Court My efforts to receive it and Your CONTINUOUS GASLIGHTING.

The SERVICE ONTARIO website states that if criminal charges are NOT SHOWING UP IN THE COURT CASE LOOK UP TOOL WITHIN TEN DAYS, CONTACT VIRTUAL CROWN.

Why is there no Record of these charges on the REGISTRY?

I Wish to have an answer to this question because I am accusing You of REGISTRY FRAUD. My belief is that if You were not engaged in REGISTRY FRAUD, I Will be able to find My charges in the Court case look up tool. Why am I being deprived of My right to a legitimate Court of Record?

I look forward to hearing from You, this is NOT complete disclosure as it does not contain the events of the first appearance hearing by St. Jean or My Constitutional protest for proceeding against an individual off the Court Registry.

The person identified in the information is also clearly not the Man who is responding to these emails as the accused was born on the wrong day.

If You don't reply with a name I Will presume You are engaged in fraud because why else would You hide Your identity from Me as an agent of the Court acting in Good faith? If You are not engaged in fraud, the first and last name of 'B/C'.

If I don't receive the name of the clerk responsible for this garbage, I Will bring this email to the JPT as evidence of contempt and FRAUD. Any HONOURABLE member of the Court Will be happy to Give Me their first and last name if You are Acting in an official capacity. I have Given You Notice of REGISTRY FRAUD, so this makes Your email especially inappropriate. Find some One with a reasonable degree of competence to respond to My emails.

You don't 'pick and choose' which questions You wish to answer. Who is the Crown Prosecutor who Will take full civil and criminal accountability for the entire claim against the accused at the JPT on September 17th?

I was told I can contact this email and THEY WILL COMMUNICATE WITH ME DIRECTLY. DID CROWN LIE TO ME AT THE RELEASE HEARING, YES OR NO?

Blessings,

Dear Michael Spratt,

I've been as King of Crown Attorney why these charges are not showing up in the Court Case Look up tool and Virtual Crown is REFUSING to provide Me with an answer and REFUSES to provide their first and last name as clerks of the Court which I consider to be contempt and obstruction of justice when the Crown is engaged in fraud.

I believe My rights to a legitimate proceeding and a Superior Court of inherent Jurisdiction are being denied in violation of My rights.

I have filed a Form 1 Application to Dismiss as Frivolous, Vexatious and an abuse of Power for Registry Fraud and an egregiously biased police investigation that was set up to have a predetermined outcome, and fraud in Melina McDougal's investigation materials (she created the 'synopsis' file on March 21, 2024 and includes in her synopsis details of events taking place on March 22, 2024). Obviously, if the date the information was Created is true, then none of the information created on that date can be true if the events exist in the reports future.

Blessings, please let Me know if I have filed the Form 1 Application correctly and can You help Me find a name for prosecution to accept full Civil and criminal liability for the gross prosecutorial misconduct?

After the motion to dismiss for fraud and vexatious litigation, I Will bring a Motion of Counterclaim for civil and criminal liability against each of the accusers conspiring against Me.

Please also be advised that the arrest of Wednesday comes just after landlord MHI was discovered to have been stealing over \$2880.00 in utilities awarded to him in subsidy and intended for the Beneficiary. MHI have been colluding with Home for Good and City of Ottawa staff to discover how much beneficiary's of Ontario Works are paying from their basic needs in Benefits so that the can claim then in the Home for Good subsidy and pay that money to the landlord at the Beneficiary's expense.

Even after discovering their fraud, they refuse to pay back the money and continue to attack Me for placing them on Notice for Criminal Breach of Trust.

I look forward to hearing from You,

King Sean, House von Dehn,
Hand of Stephen,
