Dear Welfare Fraud Office,

You make it very clear how to report an individual who is receiving benefits in fraud, but You don't seem to have any forms for reporting theft of public money by agents of Ontario Works who are colluding together with the City of Ottawa's 'Home for Good' staff to find out how much the Beneficiary had incurred in housing expenses so that they can make an application for subsidy and hand those benefits over to the not for profit landlord (Multifaith Housing Initiative) at the Beneficiary's expense (the payments for utilities are automatically deducted from the Beneficiary's basic needs portion of OW).

The Beneficiary has received Entitlement forms for the last five years showing that he was Entitled to receive subsidy for utilities and rental insurance. Ontario Works agents lied to the Beneficiary and told him that utilities and rental insurance are additional expenses that are paid from the 'basic needs' portion of Ontario Works, depriving the Beneficiary of funds essential for his basic needs. Again, the entire time they are deducting these funds from the Beneficiary's basic needs, they are providing those expense amounts to City of Ottawa staff at Home for Good so they can claim those benefits in the subsidy application and Give it to his landlord instead, and at the Beneficiary's expense.

They were just caught and have effectively stolen more than \$3500.00 in utilities from Me, \$1018. of which they paid back voluntarily. Right now, Lili Mukalay has REDUCED the shelter portion of Benefits payable to the landlord to offset the money they were hoping to steal in utility benefits, rather than start paying the Beneficiary's utilities according to the Entitlement for subsidy awarded to him.

They should all be in jail but are instead gaslighting and REFUSING to provide receipts to show how much money they effectively stole from the Beneficiary.

I have reported the Matter to the SBT, they appear to be entirely complicit and say they have no authority or jurisdiction to take any action against public Trustees exploiting Beneficiaries with malicious, criminal intent. I believe this opinion is further criminal negligence aggravating the harm already done to the Beneficiary.

I look forward to hearing from You and for criminals posing as public servants exploiting beneficiary's to be held to account.

Dear Lili,

The Matter is NOT 'closed' because You don't Wish to pay back the money You stole from Me after lying to Me for six years about not being entitled to claim the benefit as part of the Housing Cost. I have been awarded utilities again this year and You are REFUSING to pay Me what the Beneficiary is ENTITLED to receive.

You also LIED, presented a spreadsheet to support Your lie, stating that the Beneficiary was not paying any utilities from his Ontario Works from November 2021 onward to some other fictional time period? Why are You lying, Lili the Malevolent Mukalay? And why did You reduce the shelter portion of Benefits that I am Entitled to receive to offset the amount I was awarded in utilities that You have previously been giving to My landlord without issue?

I have included My Ottawa Hydro account history to prove that You are LYING!!! Sean paid all of those funds from his basic needs while he was entitled to receive those benefits from Home for Good as part of his housing allowance for subsidy, all while You happily gave it to My landlord instead.

You are a thief and a FRAUD guilty of producing fraudulent records to obstruct justice. You should be in jail!!!! I am so happy that the Ministry of fraud can see this.

Tell Me before the Ministry of Community and Social Services Fraud investigation department why these Entitlement forms were withheld from the Beneficiary for over five years and why You are not paying him what he is and was Entitled to receive?

These forms are to advise You of what I am Entitled to receive, not whatever You Wish to Give, You lying, cheating, contemptuous clown posing as a public servant.

Can You answer Me without gaslighting (a form of psychological abuse recognized by the Courts).

Blessings,

King Sean, House von Dehn,

Good morning, welfare fraud hotline,

How long Will You continue to allow the Ontario Works administrator to steal from Beneficiaries with such impunity? How long does it typically take You to respond to some One reporting fraud and theft of public money by a State Actor?

I look forward to hearing from You so the criminal harm being done to Me by corrupt public servants like Lily the Malevolent Mukalay can be put to a stop.

Your negligence regarding this complaint is aggravating the harm that has been done to the Beneficiary. I require a reply to this Notice of criminal liability on the part of the Ontario Works administrator for this egregious breach of public Trust.

I look forward to hearing from You,

Good afternoon,

How long is one typically required to wait for a reply when reporting fraud and theft of public money perpetrated by a Trusted State Actor?

Should I presume that the 'welfare fraud hotline' is complicit in the crimes of the Ontario Works administrator and just another cloak for fraud to Give the illusion of government accountability?

I look forward to hearing from You and for the criminals at the Ontario Works office in the City of Ottawa to be arrested for their collusion to exploit Beneficiaries Trusted to their care.

Blessings,

for all the People Lili the Malevolent Moron Mukalay is using her Trusted position of office to exploit.

Good morning!

I need to know who is receiving these emails so I can report You to the appropriate authorities for aiding and abetting the theft of public money by the administrator. I can only presume whoever is in receipt of this email is complicit in their fraud.

If You are not making arrests or putting a stop to the harm being done to Beneficiaries by Lili Mukalay and her cabal of criminals because You do not have sufficient evidence, let Me know - I have four years worth of receipts from Ottawa Hydro to prove that Lili fabricated at least two excel spreadsheets to cover over her fraud and the amount she stole from the Beneficiary's basic needs to give to his landlord, Multifaith Housing Initiative instead.

MHI (Multifaith Housing Initiative) collude with the Housing Authority at Home for Good, compel the Beneficiary to provide 'consent' to let Home for Good verify income amounts for the purpose of maintaining subsidy when they instead use that information to find out how many additional expenses the Beneficiary has incurred as a result of being housed, and Give those funds to the landlord at the Beneficiary's expense, 'double-dipping' by taking the same funds out of the basic needs portion of Ontario Works benefits so that they can starve Beneficiaries and deny them of the funds they require for their 'basic subsistence'.

These People are morally bankrupt, criminal degenerates and if You don't put their crimes to a stop, You are aiding and abetting their crimes and aggravating the harm these People have already done to Beneficiaries of the public Trust.

You are hereby on Notice of Criminal and Civil Liability for Your contempt and failing to respond to this complaint in reasonable time.

I look forward to hearing from You,

Good afternoon,

Well, it's certainly been longer than what I believe any Divisional Court would consider 'reasonable or correct' when I am reporting criminal trespasses of Trusted public officials to the Ministry responsible for the legislative authority responsible for their fraud and exploitation of beneficiaries.

Is it 'reasonable and correct' for You to gaslight a Beneficiary complaining to You that he is being financially exploited by the People Trusted to ensure he has sufficient wealth to enjoy his inherent rights in dignity?

Should We presume that the Ministry supports the fraud of Ontario Works agents and that You are refusing to respond to aggravate the harm done to the Beneficiary? Or is there a more reasonable and correct explanation for allowing the theft of My benefits at the hands of Lili Mukalay and Nana Asante in retaliation for reporting their egregious breach of Trust and spoliation of documents so that they could trespass upon a Trust Instrument and the Beneficiary's spiritual beliefs and convictions with impunity?

Because that's kind of how it looks right now. Just saying.

I'll be publishing this on the International Court of Record at www.vondehnvisuals.com to show Canada's People just how criminally incompetent their most Trusted public servants truly are.

Love and Blessings,

Dear Welfare Fraud Hotline,

Thank You for confirming that Your institution is just another cloak for fraud and government accountability that in fact aids and abets the crimes of the Ontario Works administrator. By failing to apprehend criminals, You are complicit in their crimes.
