Hello Mr. Von Dehn,

I spoke to you last week when you placed a call to the Duty Counsel office. I contacted the Crown's office since you said you were not able to obtain information about your charges. The Crown sent me your charge synopsis and Crown screening form. Please find these documents attached. To request full disclosure, you need to call their office and make this request: 613-239-1200 or by email: Virtual Crown Ottawa (MAG) <Virtual.CrownOttawa@ontario.ca>

The Crown's office advised that you have trial dates already set for March 10-12, 2026.

If you would like to discuss your matter with Duty Counsel further, please let me know.

Thank you,

Ariane Asselin (she/ her)

Dear Ariane,

I placed a call to Duty Counsel last week and the week previously requesting ***the Court of Record from the release order hearing*** because a lady from Duty Counsel was in attendance for that hearing and ***Promised Me that she would forward Me a copy of the transcript and that I could receive that transcript by following up with 'Duty Counsel'***. - that is specifically what I was requesting in My messages to the Court, as well as King why the Registry shows a fraudulent name entry 'VON-DEHN'.

Once again, You reply to Me without ***answering any of My questions!!!***

I have also advised You that I have been instructed to ONLY accept information through ***the OFFICIAL email address for Crown, which is 'virtualcrownottawa@ontario.ca'***!!! If You do not believe Me, [You can check Service Ontario website for the official list of email addresses for Crown Attorney for the City of Ottawa!!!](#)

Attached, You Will find My most recent emails which I was instructed in the judicial pretrial to address to the *Attorney General's official email address for the province of Ontario, for SERVICE OF DOCUMENTS ON STEPHEN LICHTI!!!*

I do not need to contract the Attorney General regarding this Matter because the official record shows no charges on the public Record for 'von Dehn', 'VONDEHN', 'von-dehn', or any other variation of names I can come up with. Can You tell Me why You believe there are charges against Me 'in the system' if the only Record of these charges is being carried around by People like You engaged in fraud?

CROWN ATTORNEY is NOT engaged in malicious prosecution. Monelle Quivellon is engaged in fraud, the prosecutor is engaged in fraud and gross prosecutorial misconduct.

If You can't Show Me where these charges exist on the public Record, You are engaged in fraud and colluding with the individuals conspiring against Me. Why are You instructing Me to contact a fake email address for Crown, 'virtual.crownottawa@ontario.ca'? There is the official email address for Crown, and there is only ONE official email address for Crown. The 'virtual.crownottawa@ontario.ca' is the address they use to proceed against People off the official Record in fraud.

Are You claiming to represent the Crown Attorney? Stephen Lichti is the only one I am interested in hearing from because 'Crown' does not have the capacity to engage in fraud and malicious prosecution that violates every constitutional right and principal integral to justice in a free and democratic society, only a corrupt Man violating his oath to the Court can do that.

Tell Stephen Lichti he is on Notice for Registry fraud and to collude in Registry fraud.
As an agent of Crown, notice to agent is notice to Principal.

If I don't hear back from You, I Will presume You are complicit in the fraud.

I do not consider any emails from private email addresses to be any reply from the Attorney General, the official office is still 'ghosting' Me - and I'm supposed to believe that this is a legitimate Court and You are not conspiring with criminals. Explain away, Ariane...

"I contacted the Crown's office since you said you were not able to obtain information about your charges."

Why are You responding to Me for Crown? Why would Crown not respond to Me directly? I am contacting the CORRECT email address, not the fraudulent email address You instructed Me to contact. Why are You as King of Me to use an email that is not the official email for Crown? Because if Crown were audited, that email address Will not be part of the audit because it is not the official address for Crown. Averting public accountability to engage in fraud.

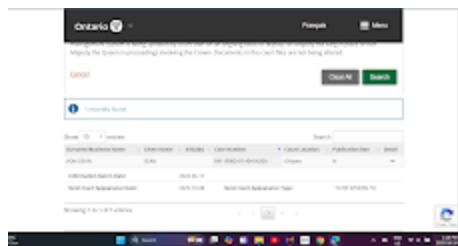

If You were the one I was tall King to on Friday, You also told Me that You would get back to Me on Wednesday to let Me know how We can hold Stephen the Liar Lichti accountable for 'ghosting' My emails to the official Crown's office.

Blessings,

Dear Ariane,

I have some disturbing news for You. I am not awaiting any additional 'disclosure'. I have EVERYTHING the Court has seen so far. You know what that means? It means I know that everything the prosecutor has told the Judge in every court appearance so far has been a complete fabrication that does not match the official Court of Record. Did You know that Your 'official disclosure' doesn't include service of any documents on any One? There is absolutely nothing to suggest that Sean von Dehn should know about these charges whatsoever because not one of the seven summons in the information were ever served upon him. No attempt was ever made to serve him. No request for prints was ever made. And no One replied to any of My emails as King about these charges only days before I was faulted for not appearing for an event I was never invited to attend.

That's what all the information before the Court shows. Why don't You provide Me with proof of service of any criminal charges on the accused? I'll wait.

All I know, is that everything prosecution told the Judge so far, is a lie and I deserve to be compensated.

You are on Notice for Collusion to Engage in Court fraud if I don't hear back from Stephen Lichti TODAY!!!

Blessings

Dear Ariane,

You don't have any 'right' to schedule a hearing on March 10-12, 2026 unless I waive My right to a speedy trial which I would never do and clearly protested on Record. You are proceeding against Me unlawfully and in violation of every right and principal integral to justice and You Will be jointly and severally liable to Me for communicating with Me as an agent for Crown while 'ghosting' the attached emails for Stephen Lichti, claiming 'ignorance' that he is liable and (if he were not a criminal engaged in fraud) would explain why they were using a fraudulent name on the Registry and why that fraudulent name seems to have completely disappeared after speaking with You on Friday. Coincidence that We were tall King about bringing criminal charges against Stephen Lichti on Friday and now You tell Me 'You spoke to Crown'?

Very interesting. Explain this to Me, Ariane. You're not a criminal, right? Show Me where any 'common Man' can find a Record of these charges publicly so that I know You are not denying Me of My right to due process and a public Court of competent jurisdiction.

18 months for cases going to trial in provincial court and 30 months for cases going to trial in superior court or cases going to trial in provincial court after a preliminary inquiry (*Jordan, supra* at paragraph 49). The 30-month ceiling also applies if the accused re-elects a trial in the provincial court following a preliminary inquiry (*Jordan, supra* at paragraph 49, footnote 3).

Dear Ariane,

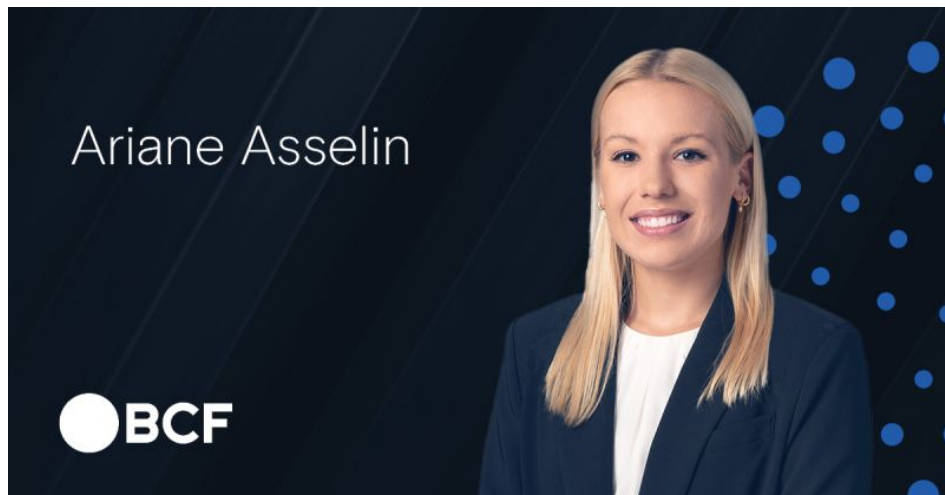

Also be advised that if You don't have an explanation for knowing about charges there is no 'public Record' of, You are presumed complicit. If You are honourable individual, You Will explain to Me why the one person who should respond to Me and the only one with a legal and lawful obligation to respond to Me is refusing to respond to Me and 'ghosting' Me as a representative of 'Crown'? This is 'Honourable' conduct? Why did Stephen the Liar Lichti tell the Judge that Sean had missed several court appointments when he was Writing the Attorney General's official email address as King about these charges the entire time?

Help Me make sense of that if You do not represent a criminal cabal determined to compromise Canada's Courts to launder the unlawful Acts of corrupt State Actors?

Why is the one person responsible for bringing these charges against Me, hiding from Me and refusing to respond to My emails? If he doesn't respond before November 17th, I'm just going to file the entire collection of ignored emails to the Crown's office in My Form 1 Application and be as King for default judgment because You clearly have NOTHING TO SAY!!! (Nihil Dicit, Res Judicata). I don't need a judge because You are not protesting any of the criminal Acts You are engaged in.

This is You, right? We're going to show Your collusion with Stephen Lichti on the public Record and You can explain to Canada's People why You believe it is okay to Give People fake email addresses to contact for Crown and proceed against People 'off the public Record'. You don't have a problem with that, right?

Expect to be featured in the Good News Journal as We continue to expose all the corrupt clerks war King against Canada's 'Self Presented' litigants (I'm actually Acting in My Sui Juris Capacity).

Blessings,
