ATTENTION: STEPHEN LICHTI for Crown and JOHN WYATT, and CONAN MACINTYRE for 'the Bench' (Crown),

NOTICE OF DEFAULT JUDGMENT, 'NIHIL DICIT', RES JUDICATA: REGISTRY FRAUD, MALICIOUS PROSECUTION, CRIMINAL BREACH OF TRUST

Good afternoon every One!

Your continuous contempt for the Rule of Law and attempt to avert and evade the criminal charges against You have failed! Ignorance is no excuse for the Law, which includes IGNORING a Notice of Civil and Criminal Liability duly served upon You on a Court of Record in a Common Law Jurisdiction.

Please Note the attached service of documents show the Court that You have had ample time to respond to the charges against You and have provided no protest, tacitly conceding to the charges while simultaneously continuing with Your fraud and criminal contempt for the Rule of Law, egregiously breaching My Trust.

Please Note that the email Titled 'Stephen Lichti - Registry Fraud - Justic Danto Clancy' (attached) is the reply from the Law Society of Ontario's Legal Aid department, advising Me that if the prosecutor is engaged in criminal conduct and malicious prosecution, I should '*complain to the Court where the fraud took place or is ongoing*' (VirtualCrownOttawa@Onatrio.ca) *to address the prosecutor directly*. I am also to Notify the Minister of Justice and Attorney General and the Complaints email for provincial prosecution.

Now You know why My emails serving You with Notice have all been sent to the Crown Attorney email address responsible for the fraud. I am expected to email the Crown Attorney where the fraud was initiated and persisting.

You are hereby Noted in Default for malicious prosecution with criminal intent and liable to Me for no less than one million dollars each which Will be taken from Your performance bond and if You are not bonded be advised that You Will be liable in Your

personal, private capacity and Your property may be liened until restitution for damages is made in full.

We are now at 515 ounces of Gold as it is one ounce of Gold for every day that Stephen the Lawless Liar Lichti Wishes to aggravate the harm done to Me by gaslighting My emails and continuous, criminal contempt. You are technically interfering with My access to justice because You are supposed to be making sure that My rights are not violated by Your malicious prosecution and belligerent attitude which seems to match that of Your accomplices at the John Howard Society, threatening the accused in violation of their rights and claiming to represent 'the Bench'?!

Arrogant, immature babies is what they are!

You are all hereby Noted in Default for Gross Prosecutorial Misconduct with malicious intent to trespass and have been Given Notice of these facts.

This is not how grown Men behave, children!!! Especially 'Honourable' members of the Court.

You are hereby served.

Blessings, may this email find You well,

King Sean, House von Dehn,
Hand of Stephen,
The Kingdom of Heaven Found a Sean
