Good morning, Allan,

Are You the one who accepts full civil and liability for the John Howard Society of sociopaths operating out of the Ottawa office? Seems like You are engaged in fraud, exploiting the rights of those wrongly accused by the Justice system and doing so with malicious intent.

That's not a Good look and falls far from Your 'Mission Statement' which claims that Your organization ADVOCATES for the rights of the accused? That's egregious breach of public Trust.

Who is responsible and liable for the criminal negligence of Your Ottawa office who are clearly Acting outside of the Law and with malicious intent to cause harm?

As the 'executive director', I presume You must be at least partially liable for Your staff?

I'm curious to know if any One in Your organization can return an email without gaslighting. I look forward to hearing from You.

Have a nice day,
