Good evening every One,

If Allan supports Your belief that the JHS is here to violate as many rights of the accused as they can get away with and vary the terms and conditions of release orders without the approval of the court, prosecutor and consent of the accused with malicious intent to cause undue harm and duress to the accused in violation of his right to the presumption of innocence, then Allan Will be liable to Me on behalf of the John Howard Society for the harm each of You have done to Me and Your continuous gaslighting.

The John Howard Society and its agents are hereby on Notice of Civil and Criminal Liability for egregious breach of Trust, Fraud, Malicious prosecution, and breach of contract because You are also violating Your own mission statement.

I Will be as King for no less than one million dollars in restitution for damages from every One involved in the fraud and the continuous, malicious trespasses upon the rights of the accused.

Have a wonderful weekend,

Good morning, Wendy!

You said You were going to be investigating this Matter and promised to share the results of Your investigation with Me by cc'ing or bcc'ing Me on Your correspondences. So far, it does not appear as though You have lifted a finger, nor have You provided any

legal or lawful excuse for Your malicious trespass upon My rights in violation of Your own mission statement and principles integral to justice in a fair and public judicial proceeding.

Show Me Your work, please. I look forward to hearing from You, You are incurring a substantial amount of liability on behalf of Your organization.

Mr. Allan Reesor-McDowell, is this happening under Your executive direction?

[The Criminal Negligence and Belligerence of Wendy the Malicious McHenry, John Howard Society of Sociopaths exploiting Canada's People.](#)

How many narcissistic sociopaths employed by the John Howard Society does it take to respond to a Notice of Liability for Breach of Trust? Does any One have enough maturity and professionalism to respond to a Notice of Criminal and Civil Liability?

Please also be advised, failure to respond is tacitly conceding to all criminal charges with malicious intent. Have a nice day.
