Dear... Any One who cares,

Several Notices have been served upon Wendy 'the Malicious' McHenry, service director for the John Howard Society Ottawa advising her that under no circumstances is the JHS to be exploiting the rights of the accused and threatening individuals subject to the bail supervision program to conditions more onerous and harmful than those Ordered by the Court in the release Order.

This is what is known as professional 'gaslighting' - deliberately avoiding accountability by dodging My questions, failing to provide any legal or lawful excuse for the belligerence and criminal contempt of Your agents, all while the organization professes to be 'advocating' for the rights of the accused?

Do ALL branches of the JHS use their Trusted position to exploit the People they were Trusted to advocate for? That is an egregious breach of public Trust. Today, it appears that JHS phone number and toll free phone number have been disconnected OR some One has gone to great lengths to block My calls? The numbers I tried are "Tel: 613.789.7418

Toll Free: 1.877.517.0791", provided [by the JHS contact page](#).

You are a ***bail supervision program*** and there is no phone number for Me to contact? I can't help but wonder if You are hoping to breach every One who had no Way to report to You in violation of Your obligations to the Court and trespass upon the rights of the accused.

This is why I believe You are criminal clowns OR completely incompetent and criminally negligent. You have caused Me egregious harm already and everyday that I am unable to find any One competent enough to respond to My emails Will constitute additional charges for either jail time and or financial compensation for the harm done to the accused by aggravating the accused.

I look forward to hearing from any One competent enough to return an email - though I am NOT confident there are any City of Ottawa employees that are not

criminals using the Ottawa Courts as a cloak for fraud and money laundering.

I look forward to hearing from You,

King Sean, House von Dehn,

Hand of Stephen,

The Kingdom of Heaven Found a Sean
