Good morning,

Okay, so the Kreling Criminal Cabal have completely compromised both the Ottawa Superior Courts and the Ontario Provincial Courts of 'justice'? Justice is determined by whomever Gillian Kreling and her cabal of clerks Wish to respond to?

You've been 'ghosting' My emails ever since I refused acceptance of a decision obtained in fraud by Marc E. Smith in 22-89835. I can only presume that Your determination to cover over the criminal negligence or collusion of Mr. Smith Trumps My right to a fair and impartial hearing and a non-partisan Court?

I'd like to make sure that all these emails are included with My Form 1 Application for rights violation for 24-122310 and for the same fraud in 23-353404 (as Vinicius the Odious Oliveira for that fraudulent Record).

Once again, I'd like the full Court of Record for 23-353404 including all decisions and endorsements. I'd like Vinicius the Odious Oliveira arrested for registry fraud and malicious prosecution, and I would like for the gaslighting of My emails and requisitions for a Court of competent Jurisdiction to address the criminal contempt and conduct of this Courts clerks to stop.

Is that too much to be as King for? How about showing Me that at least one individual in receipt of this email is non-partisan and Honouring the rights these Courts allege to guarantee the protection of. If You are not guaranteeing the protection of My rights in these Courts, You are violating Your Oath to the Court and breaching My Trust. These are serious criminal offenses.

Any One able to put on their 'big boy' pants today and return this email? I require a Motion before a Superior Court Judge in a Court of competent Jurisdiction to report the continuous gaslighting and criminal negligence of Gillian's Kreling criminal cabal and their colluding members (which appears to be all agents in receipt of all emails received by the Ottawa Courts in any capacity).

I Will be reporting that Canada's Superior and Provincial Courts have been compromised by criminals war King under the supervision of Gillian Kreling who

believes she does not have to respond to emails it means she Will be held accountable for her fraud and obstructing My access to justice.

Gillian Kreling is hereby on Notice of Civil and Criminal Liability for obstruction of Justice, Fraud and collusion to engage in fraud.

Thank You, have a wonderful morning. This email Will be published on [www.vondehnvisuals.com](http://www.vondehnvisuals.com) to show the world's People that Canada's Capital city is a criminal organization using the Superior and provincial Courts as a cloak for fraud and laundering the dirty deeds of City of Ottawa's criminal Actors.
