Dear Stephen Lichti for Virtual Crown Ottawa,

Please use the proper email address for VirtualCrownOttawa in Your replies to Me and future communications with the Court. I am sick and tired of You and Vinicius the Odious Oliveira using *this fraudulent email address as a cloak for the official crown attorney's office* for the City of Ottawa's criminal Court. The official email address as posted by the department of Justice and Attorney General and for which I was advised to IGNORE all emails sent to Me by 'virtual.crownottawa@ontario.ca' for FRAUD, it appears You have failed to address many points in the Form 1 Application that was filed and insist on communicating with Me through fraudulent email addresses that do not represent VirtualCrownOttawa in any official capacity.

Perhaps to save Your Self some confusion, You Will only use one email address for Virtual Crown Ottawa (virtualcrownottawa@ontario.ca) because I have noticed that You use virtual.crownottawa@ontario.ca when You Wish to engage in malicious prosecution and proceed off the Record against fake legal entities by deliberately mis-spelling the name of the individual (adding a hyphen to change the alpha numeric value in the system) and entering a fake birthday, switching the month and day to create an entirely fictional legal entity, while using a different legal entity on the information before the Court. That is fraud by definition and You should be criminally charged.

Attached is the Form 1 You are tasked with responding to and there are several points You have failed to oppose. Should I presume every right I have accused You of violating You are tacitly conceding to have done? Why are You using a fake name on the Registry and why did it take You so long to respond to the Form 1 Application if You are not in contempt or violating My right to fairness and a public hearing?

Attached is the Form 1 You are responding to and the email thread which confirms this is the Form 1 Application that was received by the Court - I'm not sure what Your Form 1 Application is responding to or it is vastly incomplete.

If You are NOT engaged in fraud and malicious prosecution with criminal intent, then You Will respond to all future emails through the official email channels of the Court or You are contractually conceding that You prefer to engage in dis-Honourable conduct and FRAUD.

You are hereby served, I require a date for this Application hearing as soon as possible, please.

My complaint is SPECIFICALLY that Stephen the Lawless Liar Lichti is engaged in malicious prosecution WITH INTENT using a FAKE NAME on the REGISTRY (VON-DEHN) which DOES NOT MATCH ANY INFORMATION BEFORE THE COURT!!!

Also, I was advised to ask for disclosure related to 24-122310. How does the information number keep changing if there is no fraud? How many times is the police information number supposed to change? Never before in My life. Can You arrest this piece of shit, already!?

Thank You, and I DO expect some One from Your office to explain this nonsense!!!

You are showcasing Canada's kangaroo courts. This is a joke!!! If it wasn't at My expense, I might it find it humorous but gross incompetence is indistinguishable from malice.

Notice of Civil and Criminal CROWN Liability: Special Attention, Stephen the Lawless
Liar Lichti

Please make sure any competent Court hearing this Application has a copy of My reply
to Stephen the Lawless Liar Lichti's (very late) reply to My Form 1 Application for
egregious rights violations. Stephen Lichti failed to address most of the points made in
the Form 1 Application.

Lazy or incompetent? Primarily, I Wish for him to stop gaslighting and explain why the
fake name ('VON-DEHN') and birthday (May 6th, 1973) filed onto the Court Registry. I
don't believe that kind of mistake is made accidentally unless Stephen is just very
incompetent in which case I would like his incompetence addressed and the public
Record updated with the proper name of the accused.

Is that too much to ask? Should I expect more 'ghosting'. You are turning Canada's
Courts into Kangaroo courts on [the international public Record](#), congratulations!!!
