None of this is legible, I can't read or understand any of it. Can You have the information translated into legible handwriting? I don't wish to 'guess' at what the conversation is. How do officers rely on illegible notes?

Is this for the file that was entered onto the Registry in FRAUD under the name 'VON-DEHN'?

My name is von Dehn, born June 5th, 1973. Obviously, this has nothing to do with Me OR You are using a fraudulent name to railroad Me in a fake Court under the name 'VON-DEHN' born May 6th, 1973, right? An entirely different person that Will not show the history of the real person known as 'Sean Stephen von Dehn'.

I am sick and tired of Your fraud, You belligerent piece of shit. Why are You using a fake name and hyphenated version of the name on the Registry, Stephen, You fucking asshole?!? I am sick and tired of Your CRIMINAL CONTEMPT AND GROSS DISREGARD FOR MY CONSTITUTION RIGHTS.

Fuck You and tell Me why You are using a fake name on the Registry. Melina the Malicious MacDougall, is the charging officer the one using the fake, hyphenated name on the Registry?

Please provide Me with legible notes and a Superior Court judge so that I can present these violations of My rights to a Court of competent jurisdiction.

thank You, and fuck You, Stephen,

ATTENTION STEPHEN LICHTI,

You have NOT responded to My Form 1 Application. Should I presume that every right I have included in the Form 1 Application that I have accused You of violating that remains unopposed by You is You tacitly conceding to have no reasonable excuse for Your egregious disregard for My constitutional rights which the Rules of Criminal procedure REQUIRE You to respect and guarantee the protection of?

I look forward to hearing from You, You gaslighting sociopath.

Have a nice day, You criminal clown. Same goes for You, Kimberly the Deplorable Duggan.

When were these officer notes taken (date, please)?

You are harassing and aggravating Me by IGNORING My legal and lawful arguments in defense of My rights. is this what You call 'Honourable' conduct? Ignore My emails, IGNORANCE is no excuse for the Law, criminal posing as clown for Crown.

Oh sorry - it's Melina the Malicious MacDougal who is helping to prepare an investigation with a pre-determined outcome that was entirely prejudice and not conducted with any impartiality. No impartial witnesses interviewed, the accused party was not interviewed, and You failed to tell Me about the charges for eight months hoping to add more evidence to Your claim, right? The whole point to not telling Me

about the charges for eight months is because You know these People have been bullying Me and expected that I would retaliate against their bullying so that You could provoke Me to violence. That didn't happen, so You had to rely on 'threats of harm' when no threats were made, You have no injured parties, no loss or destruction to property, only hearsay allegations that You failed to investigate by failing to interview any impartial witnesses.

This is malicious prosecution in violation of My rights with a predetermined outcome You are hoping to secure in a fraudulent Court where You Will convict 'VON-DEHN' on the Registry but hope to put Sean von Dehn in jail, right?

Is it not True that if You used My proper legal and lawful name that all other Matters I have before the provincial and federal Courts would also show on the Registry? I believe You have perpetrated this fraud to avoid having to address the fraud in Civil Matters 21-86803, 22-89835 and 23-353404 (the first time You used the fraudulent name so that You could charge Me criminally for Recording the proceedings in a Civil Matter which only the Superior Court hearing the Matter would have the jurisdiction and authority to hear. You had to create a new name 'Von-Dehn' so as not to be guilty of violating the Courts of Justice Act by engaging in a 'multiplicity of suits' when the Superior Court has sufficient jurisdiction to manage its own procedures. The provincial Courts do not interfere and take jurisdiction away from the Superior Courts.

If You need more info about the fraud, talk to Vinicius the Odious Oliveira.

Have a nice day, You criminal clown posing as crown prosecutor to engage in Registry and identity fraud.

I'm curious to know how You got the wrong name and birthday if You have taken fingerprints... There is no excuse because the 'identification of criminals' Act Will show that My name is 'VON DEHN' and My birthday is June 5th.

Do I still have to show up if I'm not the One charged on the Registry and listed on the Court docket for tomorrow? You have 'VON-DEHN' listed on the Registry and that's not the name of the information I have..?

This is demonstrable belligerence and contempt at unprecedented proportions!!!

Please confirm, You contemptuous clown,

Best,

King Sean, House von Dehn,
