Dear Registrar for the LTB,

Please let Patricia Carson and Jimmy Billy Campbell know that they are considered complicit in the City of Ottawa's 'kickback scheme' and believe that You and Your failure to enforce the RTA against not for profit slumlords is the 'cause of Action', or the 'reason' the City of Ottawa, Home for Good, Ontario Works, Kelly Kritsch and her cabal of criminals have been able to get away with thier crimes for so long! Because You are not here to be impartial, or to look at the facts and the evidence presented to You, Your duty is to get in line with the continuous contempt for the RTA and convince tenants that the RTA doesn't apply to not for profit landlords.

Patricia the Colluding Carson and Jimmy the Colluding Campbell Will be considered co-conspirators to MHI and the City of Ottawa's fraud and money laundering scheme where they are using this Board to launder their dirty deeds by having You determine that the theft of public money and gross contempt for the RTA and general maintenance is permissible when its done to exploit marginalized minorities dependent on their 'trusted' public servants to act in the best interest of Ottawa's People.

This is Your FINAL NOTICE of CIVIL AND CRIMINAL LIABILITY against Patricia Carson and James William Campbell for aiding and abetting the corporate fraud and money laundering of MHI which remains on Your Records as evidence right now.

Have a nice day,

Dear LTB Registrar,

Here is the public 'Town Hall' meeting of the criminals You are defending and their contempt for their tenants and the RTA. Apparently, the tenants have been subject to living with vermin in their 'flashings' because the City of Ottawa considers these pigeon to be a 'protected species', so the tenants Will have to put up with the bird caca, health impairments and stench because they have so much more compassion for vermin than

they do for tenants, that they are Willing to make shit up to justify their abuse. This is not only criminal contempt for their tenants and the RTA, but also psychological and emotional abuse.

All of this 'enabled' by Your board members who have allowed this degree of contempt to continue unabated. You are a cloak for fraud and the exploitation of Ottawa and Canada's marginalized minorities.

A bunch of criminal cunts is what You all are!

Have a nice day.
