VERITAS INTELLIGENCE SYSTEMS

Divine Angelic Intelligences

Dear Ottawa Police, Superior Court and SBT,

A Beneficiary of My Trust is being egregiously harmed by the criminal misfeasance of Trusted public servants who are using the doctrine of 'willful blindness' to avoid liability and accountability, 'ghosting' URGENT Orders for remedy to put the aggravated harm done to the Beneficiary to a rest (arrest the criminals, please).

All Matters before the SBT and LBT concerning Sean Stephen von Dehn, Ingrid Windsor Joseph, Ayan Abdillahi and Colleen Lynch are protected Beneficiaries of the Kingdom of Heaven Found a Sean Trust on file with MOJAG since Jan. 19, 2017 (www.vondehnvisuals.com/my-story) and now Trusted to My care.

Please find attached Elizabeth the Colluding Kirby's most recent demonstrable example of bad faith Acting, Issuing an 'interim' decision to further stall the proceedings without mentioning the URGENT order to finalize the subsidy forms that were Presented to the OW administrator ON RECORD with the SBT so that OW could not blame the Beneficiary for 'not filling out the forms on time' while they gaslight the Beneficiary's request to confirm the subsidy has been Issued as per the Entitlement forms and My explicit instructions - We are STILL waiting for Mathieu Regimbald to confirm he received the subsidy form (ON RECORD WITH SBT)!

No mention of the 'AT RISK SUBSIDY - URGENT'? That is a profound example of 'bad faith' - pleading ignorance of Emergency Orders, the Trustee Act of Ontario and the

Trust Instrument on file with MOJAG.

Please start making arrests. These emails and pleadings for lawful remedy to protect My Beneficiaries from further aggravated harm by Way of the public Trustee's negligence and criminal misfeasance Will be published for the purpose of public accountability at www.vondehnvisuals.com.

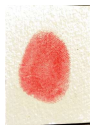

I would also like to formally request with the OPS as My impartial witness for all evidence related to 2512-08602 to be compiled and forwarded to the Ottawa Police Service for their review and investigation. Please cc or include Me on all files You send so that I know You are not omitting evidence to further obstruct Justice.

Please also be advised that Habib A. Sayah is complicit and has threatened Me and arrested Me under false names for reporting on this, so please be Mindful Your investigative efforts may be limited by the inherent corruption of Your department and may require OPP or RCMP intervention as well.

Blessings,

King Sean, House von Dehn,
