Dear Kelly,

OW is so disorganized, I couldn't even tell You who the case worker is assigned to this file, so I called Lili Mukalay so that she has a Record of Our communications.

We discussed the consent form to verify income and I advised that I can't Give blanket consent because My Trust has been so egregiously breached in the past. We agreed that I Will be Notified of every request You Wish to make to verify income or discuss this account for any reason. We also covered my obligation to report any income changes to you and that failing to report changes would constitute a breach of contract, so you can presume there has been no change unless I notify you otherwise.

You also confirmed for Me that the subsidy includes rental insurance, so We Will need to set that up and I'm still waiting for My most recent hydro bill which usually comes in around the 15th so that I can tell You how much is still coming out of the basic needs portion of the Beneficiary's subsidy.

Once Lili Mukalay gets back to Me to let Me know who is responsible for this file, I can provide You with any other details.

Thank You and have a wonderful morning,

King Sean, House von Dehn,

Good morning,

I left a message on Lili's answering machine yesterday as well - phone always rings but nobody's home. Although an appropriate metaphor, it's not very productive.

Lili, can You try and respond to this message today or at least assign a case worker to this Matter that can? I don't Wish for this thing to drag on all month, let's get it together, please.

I look forward to hearing from You. Would Kelly like to attend the SBT hearing in June?  
I think her contribution could be valuable.

Blessings,

Good morning, Kelly and Lili,

What do We have to do to get Lili to Act like a responsible, competent adult? Kelly, remember when You were telling Me that to figure out how much was stolen from Me by MHI, all We needed was for Lili Mukalay to produce the receipts from OW to show how much was taken from Sean's basic needs for utilities while that money was being laundered into his landlord's pocket? Remember that? Then We sent an email to Lili as King for those receipts and she REFUSED to produce them, right? That's exactly why We are going to the SBT in June. Exactly the reason - because Lili Mukalay is an incompetent clown guilty of breach of Trust, spoliation of a Trust Instrument, a Trust Declaration, a Mandamus for Health Care, and a Letter of Attorney defining the Trust. Most People would go to jail for a very long time but Ontario Works prides it Self on how effectively they can exploit the People they were Trusted to provide for. Right, Lili Mukalay?

Whenever Lili Wishes to grow up and Show she can put on her big girl pants, the sooner We can get this renewal form completed.

Please also be advised that these emails may be used as evidence of the incompetence and contempt of Ontario Works and its administrators for Our upcoming SBT hearing.

I look forward to hearing from You,

King Sean, House von Dehn,  
Hand of Stephen,

Good morning King Sean,

Thank you for your emails. May I assist my calling Ontario Works directly and requesting the name of your Case Worker? With a direct point of contact and your consent we could obtain this information sooner?

Kindly advise if you agree. Please note I will be out of the office tomorrow, Friday and Monday. I will return on Tuesday May 19<sup>th</sup>.

Cheers,

Lili Mukalay has a fiduciary obligation to respond to emails in reasonable time, I Wish to see how incompetent she is and how much impunity she enjoys for her contempt before the SBT to demonstrate the negligence of the Board and it's members. Is that cool with You?

We'll let Lili dig her own grave, no?

This is the general incompetence unfortunate individuals subject to these clowns are subject to. Let's see just how dismissive Lili Wishes to demonstrate she can be. If she is out of the office, she has a legal and lawful obligation to ensure her email is monitored so People like Me are not 'neglected'. I Wish to demonstrate to the board how unprofessional and incompetent Lili is and her determination to spoliage and hide the evidence of the theft of public money by refusing to provide receipts upon request.

Criminals run and hide, responsible, accountable individuals step and perform as required by their duty of office. This is a clear dereliction of duty and breach of public Trust.

I'd also like to see all the missing pages of the MHI account ledger, can You make sure that is available for the SBT hearing, too? Thanks, Kelly - I appreciate You!

Have a nice day, thanks for following up.
