Dear Ottawa Police Service,

Please make sure the following link and website are added to the body of evidence related to this file for the City of Ottawa's 'Kickback Scheme'. I have been investigating this fraud for over six years and can tell You that it affects over 400 tenants right now.

COOKING THE BOOKS TO COVER THE FRAUD:

Subsidy Review Meeting

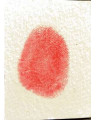

Our Housing Manager, Sarah, will be onsite on July 23 at 6:00 PM to conduct Subsidy Review Meetings. Please plan to attend if this applies to your household.

They are increasing rent in violation of the RTA to cover over how much they have been stealing and passing the buck to the tenant, advising that their rent is increasing because previous management did not keep proper records. The amount of the unlawful rental increase is equal to the amount they have been stealing from the public purse in fraud.

I invite officers to attend as tenants have been as King of Me to attend but I anticipate with Sahada Alolo being so cozy with the police and complicit in My fraudulent and unlawful arrest that they Will threaten to have Me arrested for attending. I was not invited and I was the only one in the community to not be invited.

I hope and Trust the email finds You well and aids Your investigation.
