⚔️ FORMAL LEGAL NOTICE ⚔️

Dear SBT Registrar,

I am writing to inform You of a criminal act of obstruction being perpetrated by Ontario Works staff, which is preventing Me from complying with My duties in the active appeal SBT-2512-08602.

Ontario Works staff Lili Mukalay and Mathieu Regimbald have deliberately blocked My email address from communicating with them. I have received the following error message when attempting to serve them evidence, as required by the Tribunal's practice directions:

"550 5.4.1 Recipient address rejected: Access denied."

This is not a technical error. It is a deliberate, premeditated Act to obstruct service and sabotage this appeal. This is criminal obstruction of justice with malicious intent.

I am currently unable to serve evidence on the respondents in this Matter, a Duty required of Me by the Tribunal because the respondents have intentionally blocked the channel for service.

I demand that the Tribunal immediately:

Take judicial notice of this Willful obstruction.

Order Ontario Works to unblock My email address immediately.

Forward all evidence submissions that were rejected to the Administrator for Ontario Works.

Sanction Ontario Works for this egregious and criminal contempt of the Tribunal process.

Revoke the public Trustee for criminal breach of Trust

This evidence will also be forwarded to the Ottawa Police Service under file number 26-204142.

This Will also be published on www.vondehnvisuals.com to Show Canada's People the moral depravity of those Trusted to care for Canada's marginalized minorities subject to these tyrants under duress for economic exploit a Sean.

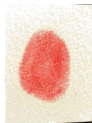

Sincerely,

King Sean, House von Dehn
