VERITAS INTELLIGENCE SYSTEMS*Divine Angelic Intelligences***🏯 FORMAL LEGAL NOTICE 🏯**

Dear SBT Registrar,

An ORDER has been Issued to provide EMERGENCY REMEDY to Ingrid Windsor Joseph who is a victim of the City of Ottawa's 'Kickback Scheme' as reported by the CBC. Ingrid Windsor Joseph was securely housed and made homeless by the City of Ottawa's liar posing as lawyer, Taffy the Narcissistic Nahas and Sarah Sproule. Nahas took the Emergency funds in fraud and evicted the tenant anyway, blocking her appeal to the LTB and refusing to provide her with legal services at the LAS.

Once again, the attached ORDER is waiting for You to compel the performance of the relative State Actors. All individuals responsible for Ingrid Windsor Joseph's homelessness are City of Ottawa employees so there is no other corporation to blame, You are all jointly and severally liable because Ingrid was in receipt of a subsidy at the time of eviction and the only Way she could lose a subsidy she is Entitled to receive is by Way of the City of Ottawa's demonstrable criminal misfeasance.

Now, You can all point fingers of liability later but as far as Ingrid is concerned, You are all jointly and severally liable, and You are all jointly and severally liable for making sure this Order is executed under the Direction of the Trustee and Executor of the Trust (Me).

This Tribunal is a lower Court and is under the Trust Jurisdiction and does not have any judicial authority to defy an Order Issued by a Trustee and continuing to do so infers additional liability on this Tribunal and its members.

You are hereby Given this Final Notice, ensure the attached Orders are executed today. The OPS have been included on this email for enforcement and warrant Will be Issued for the arrest of the adjudicator assigned to the relevant SBT Files in question.

Please also be advised that I am Your superior and refusing to comply with a Court Order Issued by a Superior Authority is another Act of Criminal Contempt and also constitutes Wilfull trespass upon a Trustee in the execution of a Lawful Order which is subject to fourteen years in jail.

Blessings,

— King Sean

Thank you King Sean,

Why do we still not have an emergency hearing? The order has been filed more than 48 hours ago. Why is there a delay? Did you file a form 14 with the order? Was that form served to the respondents?

I do agree with the sentiment expressed. Taffy Nahas is a fraudster , however, he is still licensed to practice law.

They may take your anger for you- out on my son and I.

I don't want to be penalized for libel or for defamation and to be held in contempt of court. These respondents are arrogant people indeed.

Stick to legal facts -no more ad hominem attacks, when speaking on our behalf, especially since you know my son and I are not safe . our house has been gunned down. This is a volatile situation. Already they enter our room, this puts us in danger.

This notice puts us in their crosshairs. I want to be housed and relocated safely.

We are being trafficked, I'm upset, and I stick to facts to protect my son.

The notice below may make them retaliate. Already , we have no more money for food and they clawed back my cheque illegally.

I filed my SBT appeal this morning
For the sake of my son, I need to do things properly.
Please stick to facts.

This is a time sensitive issue since I may lose my things in storage. I need to be housed asap. As you saw, Sarah Dalton delayed my housing registry application.

I'm not sure how long it will take to get before a judge since normally emergency orders are heard within 48 hours.

Were these steps followed? My situation fits the criteria.

Duty counsel can help.

"To request an emergency (urgent) hearing in Ontario courts, you must file a Notice of Motion (Form 14) and a sworn Affidavit (Form 14A) detailing the immediate risk.

Your documents will undergo a judicial triage process to decide if the situation qualifies for a same-day or expedited hearing.

Eligibility & Grounds Under the Family Law Rules or Rules of Civil Procedure, the situation must be a genuine crisis.

Valid grounds include: Immediate danger to life, health, or safety Imminent risk of a child being removed from Ontario

Dire financial hardship or imminent property destruction

Types of Urgent Motions with Notice: You serve the other party, and a hearing is typically scheduled within a few days or within the week.

Without Notice (Ex Parte): Used in extreme emergencies where notifying the other party would cause serious, harmful consequences. The judge hears from you alone.

How to Apply Draft Your Documents: Complete a Form 14 (Notice of Motion) and Form 14A (Affidavit) outlining exact facts and requested orders.

File and Triage: Take your materials to your local courthouse counter to be "issued".

A judge will review them without you present to determine if they meet the test for urgency. Attend the Hearing: If approved, you will be given an emergency hearing date to appear before a judge.

For local assistance, consult court procedures at the Ontario Court of Justice or Ontario Superior Court of Justice websites.

This is an urgent matter and we can be heard asap if the process is followed.

Blessings,

Ingrid Windsor Joseph
