Good afternoon, Michael 'the Pathetic' Parsa,

I Gave You the benefit of the doubt and presumed You were the 'Honourable' Minister of Community and Social Services. But an HONOURABLE member of parliament would not only respond to a Notice of Civil and Criminal Liability for Breach of Trust in reasonable time to avoid further aggravating the charges against him Self, he would have a legal and lawful OBLIGATION to respond to avoid additional charges for Breach of Public Trust (which is subject to up to fourteen years in jail according to Canada's Criminal Code).

Now, Will You do Me the grand courtesy of responding to this complaint and telling Me what You are going to do about criminal Clara Frieir who believes that she and all of the agents she supervises at the City of Ottawa are not subject to Canada's Criminal Code or the Trustee Act of Ontario.

I'm not sure how Clara the criminal Frieir came to adopt such an insanely incorrect and unreasonable opinion, but I can only presume that she follows after the head of the Ministry, taking a page out of Your book with respect to ignorance and contempt for the Rule of Law and the People You are 'TRUSTED' to serve.

I'm hoping Your failure to respond to the malicious criminal trespasses of the public Trustees in the City of Ottawa for which You are liable is just oversight and that You Will demonstrate that You are not also a criminal colluding against Canada's People to exploit the Beneficiary's You were Trusted to protect.

You have not offered any opposition to My emails, so I presume I have characterized Your intentions accurately and that it is Your INTENT to further aggravate the harm done to People subject to the dictates of Clara Frieir, and that the entire purpose of Your Ministry is to financially the People You were Trusted to provide for in violation of their inherent right to freely dispose of their natural wealth to Canadian financial obligations necessary for optimal human development.

Because You are not offering any opposition, I (and the Rule of Law) Will presume You are complicit with Clara Frieir's crimes and responsible for her belief that she is 'above the Law' and not subject to Canada's Criminal Code for targeted abuse, trespass upon a Trust Instrument with malicious intent, spoliation of documents, breach of privacy, threats of harm for reporting their crimes... The list goes on.

If You don't respond to Me, I have no choice but to presume You are complicit because it is YOUR negligence that is aggravating the harm done to Me by Your criminal counterparts.

You Will be noted in Default and presumed guilty on all counts and charges You fail to oppose before 5:00 Post Midi this afternoon. It appears Your criminals are now conspiring with clerks of the court to 'fake' criminal charges against Me for placing them on Notice for breach of Trust.

I look forward to hearing from You, this email Will be published on www.vondehnvisuals.com later this week for the sake of public interest. Canada's People deserve to know how negligent their state actors are.

You make the most money, so You are the most liable for Your Ministry, correct? You Will be held to account for the criminal acts of all Your agents because You are a party to their crimes as principal to the agent/agency.

You are hereby served in a Common Law Jurisdiction.

Blessings,

Good mourning, Michael!

Okay, great! So You are tacitly conceding that You are the morally bankrupt example Clara the Criminal Friier has been emulating in her administrative duties as Ottawa's manager of Community and Social Services. So YOU are the individual telling Clara Friier that the Trustee Act of Ontario does not apply to 'state Actors' (the public TRUSTEE), and that if she has a Trust Instrument on Record for Me, she should destroy or otherwise spoliage that document so that she can plead ignorance of it indefinitely and trespass upon My Trust Instrument with absolute impunity.

I mean, why WOULDN'T she? You obviously don't care. You're the highest paid individual Trusted to administrate public funds RESPONSIBLY to Canada's People, and You have NOTHING TO SAY when a Trusted representative of Your office uses that position to economically exploit the Beneficiary's who pay Your salary?

Glad to know You have 'NOTHING TO SAY' (Nihil Dicit). You have 'nothing to say' in opposition to My emails, the Law presumes You are tacitly conceding to all charges against You - and why not? You have a LEGAL AND LAWFUL obligation to respond to EVERY correspondence sent to You by Canada's People concerning Your duties as the head of this Ministry.

Your government just put out a report stating that the average individual now spends a *minimum* of \$350./month just to purchase BASIC groceries. You provide a whopping GRAND TOTAL of \$343/month for 'basic needs'. Presumably groceries, phone bill, utility bills, laundry, clothing, toiletries, medication, transportation are all 'basic needs'. Can You teach Me how to budget My money better so that I can afford to eat and communicate with the world, or was the Ontario Works 'program' intentionally designed to economically exploit Canada's People.

If there is insufficient wealth in the federal or provincial governments to provide a basic income worthy of human dignity, how exactly do You justify Your six figure salary as head of that Ministry paying Your Self from the same public Trust? Please explain how Your salary is more important than fulfilling Your obligation to provide the most basic subsistence to Canada's People, and what makes You believe that You are not guilty of serious breaches of the public Trust for exploiting the People You were Trusted to care for?

You failed to respond to a Notice of Civil and Criminal liability detailing serious criminal conduct on the part of YOUR representatives and You don't have the decency to even REPLY? How can I presume You are anything but complicit and responsible if this is the example other State Actors are encouraged to follow?

You are a disgrace to Your profession and the public service sector in general. I consider Your failure to Act to be an Act of Treason. It is clear You are not serving Canada's People as You were Trusted to do, but a some foreign power unknown to Me.

My application to the Divisional Court Will have Your name on it.

I hope this day finds You well and that Lady Justice finds You soon,

Good day, Pathetic Parsa,

Dear Michael 'the Pathetic' Parsa,

Just out of curiosity, if the six figure salary You are receiving now is not sufficient, how much would You require as a base salary before the Canadian People can expect You to take the time to sit down and return an email?

We don't pay You enough to return My emails? How about Your receptionist? You don't have any One capable of responding to emails from People complaining about criminals war King for Your Ministry? That is not important enough for You to respond to? Very curious. And You wonder why You Will be Noted in Default and WHY it Will be binding? Your contempt for Your position is demonstrably clear and obvious by Way of Your IGNORANCE and INCOMPETENCE with respect to these emails.

You are hereby Noted in Default for Breach of Trust with Criminal Intent, extortion and theft of public money, psychological and emotional abuse of Beneficiary's trusted to Your care, and TREASON. You clearly are not serving the People of Canada and You clearly do NOT represent the 'CROWN' (His Majesty, Charles III).

I am sworn representative of his Majesty on Canada's Superior Court of Record and unlike You, I take that oath very seriously. You believe this is how the King would respond to an email complaining about criminals sully his reputation? Not bloody likely.

The only Act of treason that still exists in Canada, is trespass upon a Governor General to His Majesty. As a Sworn representative of his Majesty, I am also Acting as a Governor General to his Majesty in My Sovereign state of being. You are now guilty of treason, congratulations!!!

Good day,

King Sean, House von Dehn,
