ATTENTION ELIZABETH KIRBY - NOTICE OF CRIMINAL LIABILITY, EGREGIOUS BREACH OF TRUST AND WILLFUL BLINDNESS (BAD FAITH ACTING).

You were clearly advised that Ontario Works had engaged in more BAD FAITH ACTING by PLEADING IGNORANCE of the 2026 subsidy renewal program, EXACTLY what this Appeal before the Tribunal concerns - the FRAUDULENT, UNLAWFUL REVOCATION OF SUBSIDY by 'PRETENDING' they didn't get the memo while Mathieu Regimbald GHOST My email requests before this tribunal SPECIFICALLY to demonstrate their contempt for the Rule of Law, determination to cause economic harm to the Beneficiary, and YOUR continuous determination to gaslight the Trust, the Trustee Act of Ontario and the fact that the Trust Claims jurisdiction. This Trust is on file with MOJAG, You do NOT have the luxury of pleading ignorance to Matters that are established FACTS on the official Superior Court Registry.

You do NOT require any more information Elizabeth because You have already acknowledged that the Beneficiary was Entitled to receive these benefits for six years and did not, so he is owed the equitable commercial Value of that subsidy, which also includes apartment insurance (which has never been paid because OW lied and said it would be paid from basic needs, attempting to starve the Beneficiary unlawfully). You were provided the six years of entitlement forms as evidence - what happened to them? The OW receipts You are requesting to know how much was stolen were documents I requested to have SUMMONED but were categorically ignored, OBSTRUCTING My access to remedy and the evidence necessary to prove the theft.

You witness the bank refuse to cash the Ottawa hydro credit, debanking the Beneficiary in retaliation for this filing. You have not ordered for that money to be repaid. You are either grossly incompetent (which is aggravating the harm to Beneficiaries and unacceptable) or complicit.

You are hereby charged with willful trespass upon a Trust Instrument and breach of Trust as an adjudicator, causing harm by Way of Your criminal misfeasance. I have advised that this is specifically the City of Ottawa's 'kickback scheme' in Action

and how they lie to beneficiaries about their subsidies so they can funnel those Benefits into the hand of not for profit slumlord, MHI.

Lili Mukalay and Nana Asante were SUMMONED before this tribunal and demonstrated on Record that they have lost, spoliated, or otherwise plead ignorance of contracts they have signed, a federal, criminal offense. And You are taking no Action reporting these criminals, which makes You complicit in the fraud and this Tribunal a laundering facility for OW criminal breach of Trust with malicious intent.

You do NOT get to plead ignorance of the attached notice and 'pretend' like OW didn't destroy the four documents that prove My case, especially when You have My four Signed copies on Record!!! <https://www.vondehnvisuals.com/2026/07/16/the-city-of-ottawas-continuous-criminal-contempt-starring-kelly-the-criminal-kritsch-and-sarah-the-lawless-liar-lorenz/>

This email Will be forwarded to the Ottawa Police Service for their investigation into Ottawa's Kickback Scheme, (file number 26-204142) where it appears every single agent of OW is colluding with Home for Good to funnel subsidies Entitled to Beneficiaries into the hands of not for profit, criminal slumlords. You are the 'cleaner' who makes all the criminal conduct 'acceptable'.

You also allowed for the submission of REDACTED evidence of the fraud which demonstrates criminal INTENT to protect criminals. People do not redact names and skirt accountability if they are not engaged in criminal, bad faith conduct. You allow this on the SBT Record?! You MUST be complicit!!!

You are hereby served and charged with aggravated Criminal Breach of Trust and adbidation of Oath.

Blessings,

King Sean, House von Dehn,Hand of Stephen,The Kingdom of Heaven Found a Sean

NOTICE OF CRIMINAL CONTEMPT AND OBSTRUCTION OF JUSTICE FOR WILLFUL DESTRUCTION OF TRUST PROPERTY

TO: ELIZABETH The Colluding KIRBY, Presiding Member, Social Benefits Tribunal

FILE: SBT 2512-08602

and to: LILI MUKALAY, Administrator, Ontario Works, hereby 'Lili the Malevolent Moron Mukalay' for her continuous criminal contempt.

and to: MATHIEU REGIMBALD, Case Worker, Ontario Works, hereby 'Mathieu the Repulsive Regimbald' for deliberately 'ghosting' Me when I am as King for confirm a Sean of the subsidy renewal he is in receipt of. His direct negligence has caused the Beneficiary to be subject to threats of eviction which he believes is in retaliation for this Appeal and an attempt to evict him before he can obtain his remedy - an Act the Adjudicator, Elizabeth the Colluding Kirby is aiding and abetting by Way of bearing silent witness to these Acts, pleading 'willful blindness' to their criminality and the aggravated harm these Acts have caused the Beneficiary appealing to this Tribunal for immediate Relief.

and to: EVIDENCE, OPS FILE #26-204142 (Breach of Trust with criminal intent (mens rae) to obstruct and pervert the course of Justice)

Willful Destruction of Trust Property and Evidence by the Administrator

1. The Administrator is in Defiance of Four Directives.
 1. Lili Mukalay, as Administrator for Ontario Works, is now in direct defiance of ***four lawful orders*** to produce the financial records for My Trust:
 2. My Direct Request: A formal request made under my rights as a Beneficiary of Ontario Works.
 3. A Lawful Summons: A Summons issued by this very Tribunal, which Lili the Malevolent Moron Mukalay and Mathieu the Repulsive Regimbald have ignored.
 4. Your Tribunal Order: Your Order dated July 20th, compelling her to produce these documents within 30 days.

2026 SUBSIDY RENEWAL

The cause of Action for this Claim is the Administrator and Home for Good colluding together in 2025, demanding 'consent' forms to communicate with each other so they can '***ensure the Beneficiary continues to qualify for the subsidy***', while Lili the Malevolent Moron Mukalay continues to 'ghost' the Appelant on the SBT Record in a three Way email converse a Sean with all concerned parties. This threeway converse a Sean was specifically initiated ***to ensure the subsidy was NOT unlawfully revoked this year*** and that no One could claim the Beneficiary was 'negligent' in returning the forms!!!

The failure of the Administrator to process the 2026 Renewal form where the Administrator's continued negligence in returning the form has caused the Beneficiary to be subject to unlawful notices of eviction for no other reason than Lili and Mathieu's REFUSAL to confirm receipt and process the subsidy!!! Six years in a row!!!

- Her continued failure to comply is not negligence; it is a deliberate, criminal act of obstruction and Your additional 30 days allowance when the Administrator has been in defiance of the request for these documents ***for over a year*** is ***constructive obstruction compounding the economic harm becoming the Beneficiary***, when ***criminal charges would be laid*** for the theft of public money ***if You were Acting in compliance with the Rule of Law!!!***
- The administrator has zero standing to refuse to produce documents from a Beneficiary's case file without breaching his Trust, which is an additional Act of criminal obstruct-Sean of Justice multiplied by the number of documents destroyed, lost or otherwise spoliated.

2. The Administrator Has Committed the Criminal Act of Destroying Evidence.

- The Administrator's justification for her non-compliance is to plead willful blindness or ignorance regarding four critical Trust documents: the original Trust instrument, the Trust declaration, the letter of attorney, and the Mandamus for health care. These documents were in her care and control as the Trustee.
- Destroying documents of Title:
- 340 Every person ***is guilty of an indictable offence and liable to imprisonment*** for a term of ***not more than 10 years*** or is guilty of an offence punishable on summary conviction who, for a ***fraudulent purpose***, destroys, cancels, conceals or obliterates;
- (a) a document of title to goods or lands,
- (b) a valuable security or testamentary instrument, or
- (c) a judicial or official document.

R.S., 1985, c. C-46, s. 340 2019, c. 25, s. 125

- The Administrator is a custodian (Trustee) of the documents.
- The documents are "Trust Property" and evidence relevant to this legal proceeding.
- The Administrator has knowingly and willfully destroyed, concealed, or lost them to prevent their production and obstruct the Beneficiary from obtaining his remedy and being made whole for the theft of his subsidies and Entitlements.

This is not a simple matter of spoliation under the Rules of Civil Procedure. This is the specific, ***aggravated crime*** defined under **s. 340 of the Criminal Code**: a Trustee destroying a valuable security and testamentary instrument (the Trust documents) to conceal her own criminal breach of trust and obstruct the Beneficiary's lawful right to remedy.

3. Your Inaction Makes You an Accessory After the Fact.

Elizabeth Kirby, You were made aware of the destruction of these Trust documents. You have a Duty, as a presiding member of a tribunal, to address such a fundamental Act of contempt and obstruction. Your failure to immediately hold the Administrator accountable for this crime—especially after she defied your Order—is itself a form of Judicial misconduct. You are allowing the proceeding to be tainted by spoliated evidence, which renders any fair judgment impossible.

"Evil persists because Good Men do nothing." - unknown, but relevant.

4. The Presumption of Destruction.

The Administrator cannot continue to plead ignorance or does so at their own risk (Willful Blindness voids immunity and insurance for criminal conduct). The Law provides that when a party in control of evidence fails to produce it, the Court may presume that the evidence was unfavorable to the party it is being withheld from. In this case, the presumption is that the documents were Willfully destroyed to obstruct Justice and facilitate the ongoing theft of My Trust assets, and delay My remedy with intent to aggravate and compound the economic harm already done.

DEMAND FOR IMMEDIATE ACTION

This is no longer a matter of case management. This is a Matter of criminality that You must address or be presumed complicit. You are hereby commanded to:

- Hold Lili Mukalay in Contempt: Immediately find the Administrator in contempt of the Tribunal for defying your Order and my Summons.
- Make a Formal Referral to Law Enforcement: Immediately refer the matter of the willful destruction of Trust property and evidence to the Ottawa Police Service for a criminal investigation.
- Issue a Final Order: Order the Administrator to provide a sworn, notarized statement detailing the disposition of the four destroyed Trust documents and to produce all remaining financial records for the six-year period within 48 hours.
- Failure to Act will be construed as Your explicit consent to these criminal Acts and will serve as the final evidence of Your complicity required for My application at the Divisional Court. It Will result in My filing a formal complaint for Your removal.

EXPRESS TERMS OF TRUST INSTRUMENT TO PREVAIL

- 68 Nothing in this Act authorizes a Trustee to do anything that the Trustee is in express terms forbidden to do, or to omit to do anything that the Trustee is in express terms directed to do by the instrument creating the Trust (such as maintain an audio Record of all proceedings to enure the Adjudicator is not conspiring to launder money through the Tribunal in 'private hearings'). **R.S.O. 1990, c. T.23, s. 68.**

You are hereby served, and Your incorrect and unreasonable behaviour colluding with these criminals Will be Presented to a Division Court requesting Judicial Review and a request for Your immediate arrest for collusion in the destruction of Trust documents and for aiding and abetting the criminal Acts of the Administrator by Your continued 'Willful Blindness' to egregious, criminal Acts. This Will be Done regardless - the faster

You comply with this Order, the less complicit You may look. But don't count on it. If I can see how clearly and obviously You are attempting to gaslight the Trustee and the Trustee Act of Ontario, I'm confident a Superior Court Judge Will see through You, too.

Blessings,

In Good Faith and with Clean Hands

**NOTICE OF DEFAULT JUDGEMENT, NIHIL
DICIT, RES JUDICATA**

To Whom this Present a Sean is Gifted,

The Trustee for the Applicant, the Kingdom of Heaven of Found a Sean, hereby Notes
the Respond in,

Default Judgement, Nihil Dicit

for failing to provide the requested documents within the timeline Ordered by this Tribunal (attached). The Trustee for the Beneficiary, Sean Stephen von Dehn, asserts the following points remain unopposed by the Respondent,

1. the Respondent lied to the Beneficiary about his Entitlements for a period of six years
2. the Applicant provided five years worth of Entitlement Forms Showing that he is Entitled to utility coverage 'ab initio', from the beginning of his tenancy, including rental insurance, hydro utilities, and phone because a phone is required to let People in
3. the Applicant provided the full scope of the Entitlement forms, which covered the second year of tenancy onward, the first year rental insurance was inclusive in the subsidy, as were hydro utilities, but Ontario Works LIED to the Beneficiary about these Entitlements and auto paid utilities from his basic needs in violation of the Ontario Works Act, without the Beneficiary's consent, effectively stealing his subsidy and starving the Beneficiary who did not have sufficient basic income to sustain him Self
4. Carolyn the Fascist Forget falsely states that the Beneficiary began receiving the 'Home for Good' supplement 'in around November of 2023'. This statement is PATENTLY FALSE AND CONSTITUTES FRAUD!!!
5. The Beneficiary has been a recipient of the Home for Good subsidy including all the foretated Entitlements ***since March of 2019!!!***
6. This amounts to \$8000.00 the Beneficiary was Entitled to receive over the six year period in question.
7. The evidence provided by the Respondents Will also Show that all submissions are REDACTED to hide the identity of the individuals responsible for lying to the Beneficiary about the subsidies he was Entitled to receive and funneling them into the coffers of MHI.
8. The evidence and accounting ledger provided by the Respondents Will also Show that Ontario Works did not make any overpayments to the Beneficiary at all, they have only underpaid the Beneficiary by auto paying his utilities and repeatedly insisting that any additional housing expenses not covered by the \$390.00 provided by Ontario Works must be paid from the Beneficiary's basic needs. This is not only false and incorrect, but a direct violation of the Ontario Works Act and THEFT OF THE ENTITLEMENTS THAT THE HOME FOR GOOD SUBSIDY PROGRAM WAS DESIGNED TO PREVENT
9. the HFG subsidy was designed to cover all housing expenses NOT covered by Ontario Works, and Home for Good is to to send a copy fo the Entitlements to the

Beneficiary every year so he can tell them what his additional housing expenses are, have those additional costs approved by Kelly the Criminal Kritsch, then advise Ontario Works to pay those directly from the subsidy he is Entitled to and in accordance with the Entitlement Forms!

10. the Entitlement forms specifically state that they are to be sent to Ontario Works to advise the case worker of the subsidies the Beneficiary is ENTITLED to receive.
11. Kelly the Criminal Kritsch and the Ontario Works administrator, instead used consent forms in breach of the Beneficiary's Trust, compelled him to pay additional housing costs from his basic needs, starving him of essential resources, lying to him about Benefits he was Entitled to receive.
12. Ontario Works didn't actually overpay any One because the money that was repaid was money the landlord received from Home for Good, not Ontario Works and the ledger supplied by Caroline the Fascist Forget Will prove this fact on its face, as OW has always paid \$390. until they were caught stealing his Entitlements and correctly started paying the extra housing expenses from the housing portion of Benefits while Home for Good covers any shortfall in rent that may be incurred by the Entitlement.
13. All of THIS is in addition to the fact that Ontario Works desecrated My Trust Instrument, trespassed upon My Trust and Trust obligations with impunity and continue to do so to this day and before this Tribunal.
14. The Tribunal has allowed this contempt for the Trustee Act of Ontario and the abuse of the Beneficiary by the Administrator to continue over three different SBT appeals in the last three years, this year once again violating the Beneficiary's Trust by failing to process the subsidy with the correct Entitlements while Caroline the Fascist Forget continues to suggest that rental insurance and phone must be paid from the Beneficiary's basic needs.
15. The criminal contempt of the Administrator and the Adjudicators that have presided over these Matters is palpable.

Notice of Aggravated Harassment and Default Judgement

The Respondent has demonstrated nothing but contempt and failed to provide documents they were Ordered to produce by the Tribunal and the Appellant has the right to presumption of Honour and Truth. The Respondents have failed to Present anything to counter My Truth, the failed to produce the four documents they were DEMANDED to bring with them; the Trust Instrument, the Trust Declare a Sean, the Letter of Attorney Signed by Commissioner of Oaths for Ontario Works, Orsolya the

Vicious Vancsody, and a Mandamus to offset any medical obligate-Sean's. The Appellent asserts that these documents have been destroyed to obstruct Justice and to pervert the course of Justice in hopes of pleading 'Wilfull Blindness' to documents they have Signed and Promised to Honour.

Their silence and refusal to provide the documents demanded, proves they are hiding the inform a Sean because they know the Appellant is correct and Wish to cause him further harm by delaying his Remedy. Therefor, Judgement is

Res Judicata

A Matter decided, and the Respondents are Ordered to repay the Beneficiary the \$8000.00 in lost Benefits that were stolen from him over the six year period, and criminal charges must be laid for such egregious breach and betrayal of the Beneficiary's Trust.

This Matter is decided, Elizabeth the Colluding Kirby Will do well to ensure it is Enforced and complied with immediately.

Blessings,

In Good Faith and with Clean Hands
