🏯 FORMAL LEGAL NOTICE 🏯

Dear Ottawa Police Service,

This email serves as a final notice of liability for all officers involved in the file referenced above.

By failing to respond to My repeated requests for assistance regarding the theft and extortion of My property by George and Sonia Raad, You have entered into a conspiracy to obstruct Justice. Officer Jeffries, by her Willful silence and refusal to Act, has become an accessory after the fact to the crime of theft, and is an ACT of Wilfull blindness depriving her of her insurance protections because she is no longer Acting in an official capacity. You are being Given Notice of this FACT.

Your continued inaction is an Act of passive aggressive harassment and is causing Me aggravated harm and financial loss. This Notice informs You that I am holding the Ottawa Police Service, and Officer Jeffries and Sergeant Catherine Wood personally, liable for all damages. Why ? Because Catherine Wood promised that her officers Will Honour their Oath and ensure that King Sean, House von Dehn's inherent rights are protected in the City of Ottawa in accordance with Canada's Constitution and the ICCPR ratified in 1976 and legally binding in Canada. But You are not doing that, are You Catherine?

You have no Idea what's going on with Your department and expect Me to believe this is not in retaliate-Sean for all the times You've unlawfully arrested Me, deprived Me of all My rights, and proceeded against Me in fraud to plead ignorance of My Oath and Trust on Record with MOJAG?!

You have 24 hours to provide me with the voicemail password for My phone and confirm receipt of this Notice. Failure to do so Will be interpreted as an agreement to the terms of this liability and Will result in a formal claim being filed against the police service and its officers in their personal and professional capacity.

I Will be as King for no less than one million dollars for every time You have proceeded against a fake name and birthday on the Registry, such as 'VON-DEHN', 'VONDEHN' both born May 6, 1973. That is called REGISTRY or IDENTITY fraud, Catherine!!!

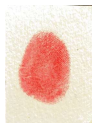

Because Catherine is the Sergeant breaking her Word to Me, Catherine Will also be liable for an additional ten million for running such a shoddy department and allowing this kind of criminal behaviour to continue.

This is Your final opportunity to perform Your duty and avoid further liability. Trespass upon the Duty of a Governor General to His Majesty is an Act of High Treason, You can look that up. Is Your Oath of office on Record with MOJAG? Mine is.

Blessings,

King Sean, House von Dehn,

— King Sean
