**MANDAMUS FOR URGENT ORDER**

---

To: The Honourable Clerks of the Wellington County Superior Court of Justice,  
in the Matter of,

**The Kingdom of Heaven Found a Sean**

and

**the City of Ottawa**

Special Notice: This Mandamus is best viewed on [www.vondehnvisuals.com](http://www.vondehnvisuals.com),  
complete with Table of Contents with Hyperlinks to Content and Exhibits

**GROUNDS FOR MANDAMUS FOR URGENT ORDER**

To put an immediate stop to serious aggravated, compounding harms becoming an at risk Beneficiary and her dependent Son I have a Duty and Obligate-Sean to protect from harm.

I, King Sean, of House von Dehn, for 'The Kingdom of Heaven Found a Sean' (an Express Trust Organization), am Acting as Trustee and Executor for the Beneficiary, Ingrid Windsor Joseph, hereby Issue this Writ of Mandamus for an Urgent Order under duress and with extreme urgency to put an immediate stop (a-Rest) to the ongoing, aggravated harm becoming My at risk Beneficiary, Ingrid Windsor Joseph and her special needs dependent Son (identification protected for the public Record) subject to irreparable compounding cognitive deterioration until Remedy is provided.

## **CONTRA BONOS MORES**

To allow such harm to continue when immediate relief is available is unconscionable and 'Contra Bonos Mores', or 'Against Good Morals' and Will infer compounding liability on the part of the Crown and its Agents for the irrevokabe harm being done to My Beneficiaries.

## **WILFULL, CRIMINAL OBSTRUCT-SEAN OF JUSTICE**

I am Issuing this Writ of Mandamus with the Guelph Superior Court of Justice under duress, as the Ottawa Superior Court has Actively been obstructing filings to protect the City of Ottawa's 'Kickback Scheme' and their exploit a Sean of vulnerable minorities (My Beneficiaries).

**Exhibit A** - Superior Court Clerk REFUSES Service of physical Motion at Civil Counter, Aug 4th, 2026

Description:

**Blog Post** detailing the encounter including transcript (which he threatened to arrest Me for making to further obstruct My determine a Sean to maintain a Record of My attempts to file).

Clerk refused to accept documents the Court has instructed Me to file, refuses to escalate to Supervisor or Court Manager, threatens to have Me unlawfully removed by complicit Ottawa Police Service, and refuses to provide name upon request, violating Ontario Service Standards and the Rules of Civil Procedure which require all officers of the Court Acting in a professional capacity to provide their first and last name upon request for the purpose of liability. Wilfull blindness and constructive fraud vitiate professional immunities from civil and criminal liability (for lie-ability).

Clerk claims I have been sending Motion requests to the wrong email address ([ottawa.scj.courts@ontario.ca](mailto:ottawa.scj.courts@ontario.ca)), and refused to provide his name for the Record (Wilfull

obstruction).

The '[Ottawa.scj.courts@ontario.ca](mailto:Ottawa.scj.courts@ontario.ca)' is the correct email address for Urgent filings with the Superior Court by Way of email.

Court Clerk instructs Me to file with 'Ottawa trial coordinator at Ontario dot ca', refuses to Give his name upon request for the purpose of liability and accountability (further count of obstruct-Sean). This demonstrates CONSPIRACY to redirect with criminal intent to obstruct My access to Justice.

## **REFILING OF MANDAMUS FOR AN URGENT MOTION, 07-AUG-26**

**Exhibit B** - Re-Filing of Urgent Writ of Mandamus - Criminal Obstruct-Sean, Fraudulent Redirect-Sean and Mandamus for Urgent Motion

Description:

Email service of Mandamus for Urgent Motion re-filed with '[trialcoordinatorottawa@ontario.ca](mailto:trialcoordinatorottawa@ontario.ca)' as per explicit instructions provided by criminal Court Clerk who refused to accept the filing at the Civil Counter, ticket c408, 10:04 AM, Tuesday, August 4th, 2026.

**Exhibit C** - New email address provided by criminal Court clerk proves to be a fraud!!!

## **FRAUS OMNIA VITIATE - FRAUD VITIATES EVERYTHING**

Genevieve the Lawless Liar Langlais Defends the Criminals of City of Ottawa's 'Kickback Scheme' as reported by the CBC and 'allegedly' under investigate-Sean since 2024 by Ottawa Police Services.

Exhibit D:

1. Police Lay Charges in Alleged 'Kickback Scheme'
2. Landlord and Ontario Works Caseworker Charged in 'Kickback Scheme'
3. Auditor General Finds Kickback Scheme Between Landlords and City Staff
4. City of Ottawa Resumes Housing Program After Kickback Scheme

"The investigation found that the second employee was "directly involved" in collecting payments from the landlord."

"We have a zero tolerance for any fraud, unethical behaviour, anything that puts our program at risk," said Clara Freire, general Manager and Director of Ontario Works, who also conveniently receives a quarter million dollar salary in 'hush money' while every single one of her agents continues to exploit Ottawa's most marginalized minorities?

The City of Ottawa's Genevieve the Lawless Liar Langlais takes all credit for absolving the City of Ottawa of any lie ability Claims for protecting the criminal exploit a Sean of Ottawa's most marginalized minorities by Clara the Fraudster Friere, her 'Kickback Scheme' criminal cabal and the not for profit landlords housing thousands of vulnerable minorities dependent on these institutions for their most basic subsistence. Perhaps not so coincidentally:

Philippines is proposing a bill as King for death by firing squad for any public official found to be stealing public money and colluding with criminals because they find it to be such a morally bankrupt and egregious breach of public Trust. - House bill seeks death by firing squad for corrupt officials - Philippines News Agency

**Disclaimer:**

I am NOT suggesting that Canada's State Actors should be subject to death by firing squad, God's Laws do not allow for any Man to do harm to another Man for any reason, and Equity must follow the Law!!! But there ARE serious consequences for breaching the Public Trust and I do Wish to stress and emphasize the URGENCY for this Mandamus!!! People must be arrested today, State Actors are not above the Law, they are bound by it and their Oath to Canada's People. A conspiracy of this magnitude, involving multiple high ranking elected and public officials Trusted to protect Canada's People and their inherent rights under Canada's Constitution and the ICCPR ratified by Canada in March of 1976 is subject to Magnificent aggravated circumstances which must be considered in accordance with Canada's Criminal Code.

## **CITY OF OTTAWA MOTIVE TO OBSTRUCT ACCESS TO JUSTICE**

"Gougeon said she decided not to share the identity of the employees (obstruction) since it's a labour relations matter, nor the identity of the landlords, in order to protect the City from "litigation risk." - **CBC**

Nathalie the Goulish Gougeon sets the Stage for the rest of the City of Ottawa's State Actors that are complicit. This is why all those involved in the 'Kickback Scheme' (like the employees of Ottawa Hydro) REFUSE to Give their name on request and why

almost any mail sent to Me deliberately omits last name for the purpose of liability. That is just how these State Actors have been told to Play their Part because the reputa a Sean of the City of Ottawa and how much it might cost to right the wrongs they've done is far more important than putting an end to their exploit a Sean - and We do NOT have to speculate on this because the City of Ottawa's fraud and waste management expert Goulish Gougeon has decided that's the Honourable thing to do! She needs to be arrested, she and Cathy Curry are complicit, as is Habib A. Sayah, director of the Ottawa Police Services!

## **MOJAG SUPERIOR, PROVINCIAL COURT, AND TRIBUNAL CASES TAINTED BY KICKBACK SCHEME FRAUD**

1. CV-21-86803: Constructive Eviction, Subsidy Fraud/Theft - Home for Good, Genevieve Langlais, MHI
2. CV-22-89835: \$3 million Insurance and Estate Fraud - Estate of Joachim Heinrich von Dehn
3. CC-23-353404: Indentity Fraud, Police Retaliation for Reporting Insurance and Court Fraud - Sean 'VON-DEHN', born May 6, 1973 (Criminal Prosecution - Vinicius the Odious Oliveira)- Ticket for \$6280 for Recording proceeding with Marc E. Smith who plead Wilfull blindness to three other claims I showed him proceeing against My deceased father 'unrepresented' in the Toronto Courts
4. CC-24-122310: Second Act of Identity Fraud, and fraudulent charges, fraudulent investigation witiH pre-determined outcome, this time by manufacturing 'criminal harassment' charges for being bullied and ostracized in the community in retaliation for My advocacy against the slumlord, MHI for attending a community garden meeting (apparently deliberately uninvited)

5. SBT-2305-03646-Breach of Trust, Unlawful Revocation of Benefits, Wilfull Trespass upon a Trust and Desecration of a Trust Instrument
6. SBT-2512-08602-Constructive Eviction, Unlawful Revocation of Benefits, Theft of Entitled Subsidies, Obstruct-Sean of Justice. Currently Elizabeth the Colluding Kirby is bearing 'impartial witness' to the Wilfull blindness of a subsidy renewal, destruction of four documents Signed by commissioners of Oaths for the Ontario Works Act, unlawful revocation of subsidy in retaliation for filing with the SBT and they are doing NOTHING about it as they watch it happen (RIGHT NOW) in Real time.
7. LTB-T-025326-23-LTB pleads 'Wilfull Blindness' to all evidence filed by the tenant, stalls her already ridiculously gaslit maintenance request in violation of doctor's Order, denies her right to counsel, pleads ignorance of the Trustee Act of Ontario, denies Trustee right to Act as counsel, deprives tenant of all right to counsel and dismisses as 'abandoned' when she protests the legitimacy of the tribunal relative to the evidence on the LTB Record which should be sufficient to prove her case without further testimony or submission. This Record must be seized as evidence of LTB collusion in 'Kickback Scheme' as Robert the Belligerent Brown FINES 'The Kingdom of Heaven Found a Sean' for attempting to defend his Beneficiary's rights, and also fines the Beneficiary in violation of the Trust just to demonstrate how contemptuous and belligerent he can be!!!
8. LTB-T-075290-Notice of Liability served on James William Campbell for using LTB to launder dirty Deeds. James William Campbell has since tendered his Resignate-Sean.
9. OPS-OR-025287-Complaint Rejected Refuse to Investigate Complaint of Police Misconduct, continuous harassment, intimidate-Sean and emotional and psychological exploitation by Officer Jailbird Jeffries, aiding and abetting theft of property and failing to provide the names of the alleged 'investigators' attempting to build a case against Me under reporting number 26-217550 and pleading 'Wilfull Blindness' of the counter evidence I'm attempting to provide on the Record. The instruction to call is to Create a parallel fraudulent file with intent to build a case against Me, omitting My submissions. The continuous refusal and determine a Sean to 'plead ignorance' of My continuous request for the voicemail password for My phone, attempting to force Me to communicate with the tenants harassing Me in Order to escalate and manufacture conflict. All I require is the password for My voicemail and I have cause or Wish to every communicate with My false accusers again. I am still Ordering to have them both charged for filing a false police report, harassment, and assault.
10. OPS-26-204142-The entire 'Dossier' of evidence I have provided to the OPS after obtaining the '[filing.scanning@ottawapolice.ca](mailto:filing.scanning@ottawapolice.ca)' email address for evidence

submissions (allegedly, though nothing has ever been investigated to the best of My knowledge, I have sent all evidence there).

11. 2026-9691-4359-6-Federal Report to the Serious Fraud and Cybercrimes Unit

## **STARRING ROLES AND KEY ACTS OF STATE ACTORS**

- Caroline Forget - The idiot who shows up at every SBT hearing with no legal or lawful defense to any legal or lawful arguments I make and believes that is acceptable. She has witnessed the refusal to produce documents, the production of fraudulent ledgers, redacted submissions evidencing theft, and has zero first hand knowledge of the appeal. The City's actual liar posing as lawery, Samantha Montrieul has been missing in Action since she lost the frist SBT appeal.
- Clara Friere - Manager of Ontario Works who allegedly takes the theft of public money very seriously while she aids and abets the theft of My subsidy by six case workers over six years.
- Genevieve Langlais - Knowingly allowing the fraud and theft of My subsidies to continue unabated for six years, still aids and abets the administrator's determination to withhold the receipts necessary to prove just how much was stolen. This is also in direct violation of a standing SBT Order.
- Nathalie Gougeon- City of Ottawa Auditor General who didn't Wish to tell People who is involved in case it infers liability upon the City - false profits in fraud before the People, always!!!
- Cathy Curry - Ottawa City Councillor who is also on OPS police board and asked Habib A. Sayah to 'pay Me a visit' when I reported that the City of Ottawa's lawyer (Genevieve Langlais) is defending the criminal Acts of landlords and city of Ottawa employees. She assured Me she would report to the cheif of police and five officers showed up at My door shortly thereafter to warn Me not to contact Habib A. Sayah 'or else'. They didn't say what the 'else' was, but it was intimidating for sure and didn't sound like it was going to be an award for excellence in journalism.
- Kelly Kritsch - Home for Good Subsidy provider who lied to the Beneficiary about Benefits he was Entitled to receive and gave the money to his landlord instead. She admits to determining how much he was paying by violating the MFIPPA and using consent forms obtained under duress for theat of subsidy revocation to determine additional housing expenses paid from basic needs (which she pays to the slumlord, MHI instead.
- Lili Mukalay - Currently in violation of SBT Order to produce OW Records to prove how much was stolen from the Beneficiary's basic needs over six years. Refusing to

comply, blocked email for service of documents=constructive obstruct-Sean and criminal contempt for statutory Order.

- Mathieu Regimbald - Violation of same Order, SBT-2512-08602
- Elizabeth Kirby - SBT Adjudicator aiding and abetting contempt for the Trust, theft of subsidies, spoliation of documents and supporting 'redacted' evidence protecting City of Ottawa criminals involved in theft of subsidies
- Nana Asante - Mocked Trust Instrument on SBT Record, Desecrated the Trust Instrument when adding to the file, then pleads ignorance of same document five minutes later.
- Kristine Haines Chiarello - Social postures about how she respects the individual needs and requirements of every Beneficiary while demoralizing a Trustee and ridiculing his Spiritual Convict-Sean's.
- Wendy Stephanson - City of Ottawa Manager, likely behind City of Ottawa's legal strategy to obstruct Justice, spoliates documents and use the local police to harass and intimidate. She earns over \$400,000.00 per year, so she certainly has the greatest Motive - who else has that much power or could be more liable?
- Habib A. Sayah, Ottawa Police Service Director, on the Police Board with Cathy Curry and Sahada Alolo, two of the other Key Players in Ottawa's Kickback Scheme - coincidence?
- Sahada Alolo - Assaulted Me on Our first meeting by invading My personal space and screaming at Me despite a six feet social distancing Law that was allegedly in place at the time for My 'vaccination status', advising that I must wear a mask and be vaccinated if I Wish to participate in any 'Community Events'
- James William Campbell, who despite overwhelming evidence of RTA violations, Charter violations, property standard violations, decided My complaint for extreme discriminate-Sean and bullying in the community was a 'frivolous and vexatious' complaint and poses no justifiable cause of Action.
- Sarah Lorenz - MHI Property Manager and Community Bully, Voted Unanimously by Tenants to be Fired Immediately for her abuse of tenants

## **LIBRARY OF LAW**

- Provisions of the Court, 24.1 - Charterpedia
- International Covenant on Civil and Political Rights
- Trustee Act of Ontario
- Trust Instrument (Public Record)

- Trust Declare a Sean (True Copy on Record with Ontario Works)

## THE REMEDY

SBT-2305-03646-Notice of Default Judgment, Nihil Dicit, Res Judicata: Criminal Breach of Trust, Desecrate-Sean of a Trust Instrument, Document Spoliation, Willful Blindness, Fraud and Unjust Enrichment

## ESTABLISHED PRECEDENCE

- LTB Fines 'The Kingdom of Heaven Found a Sean' Trust \$300.00 for the Pleasure of being gaslit
- Trial Coordinator Sally A. Gomery denial request to dismiss Trust Claim

## Warning!!! Matter of Extreme Urgency!!!

This Writ of Mandamus is submitted under extreme urgency to halt the ongoing, aggravated, and irreparable harm being inflicted upon My at-risk Beneficiaries by a criminal conspiracy of State Actors within the City of Ottawa. The evidence presented is irrefutable and proves a systemic, city-wide "Kickback Scheme" designed to exploit Ottawa's most vulnerable minorities, a scheme actively protected by the Ottawa Superior Court, the Social Benefits Tribunal, the Landlord Tenant Board, and the Ottawa Police Service.

I have been arrested under fraudulent names and dates of birth on five occasions since I filed My Trust Instrument with Canada's MOJAG Correspondence Unit on Jan. 19th, 2017. I have had My Entitlement to medical and housing Benefits arbitrarily revoked in retiate-Sean for My advocacy more times than I can count, had rent cut off without Notice to Me six out of six years in receipt of subsidy, including this year when the Forms were filled out on the SBT Record for an appeal to the SBT for exactly the same unlawful revocation of subsidy and Entitlements last year! Even with the SBT Acting as 'impartial observers' to the deliberate gaslighting of Ontario Works agents and Lili the Melevolent Moron Mukalay's refusal to produce the documents necessary to prove how much they stole, rather than comply with the SBT Order to produce the documents, she blocks My email to avoid further service in accordance with the SBT Rules and practice direct-Sean. These People need to be arrested, these are serious crimes!!!

A healthy weight for Me is 135lbs. They deliberately cut off Benefits unlawfully in violation of every Principle of Justice in a free and 'democratic' society causing My weight to drop to as low as 113lbs!!! The SBT didn't care!!!

I'm a Free Lance Journalist and I have been covering this Story as something of a method Actor, advocating for the meek and the poor from the Shadows. I expected resistance, I expected corruption, but I did not expect complete moral bankruptcy and sociopathic narcissistic behaviour from some of Our most Trusted public officials performing some of the most Sacred duties to Canada's most marginalized minorities!

This is My Mission, God made Me for this. I have an indefatigable Spirit because the Energy of God fuels the burning Passion in My Heart. I can handle a lot. But I cannot tolerate People bullying, tormenting and taking advantage of others - I Will not tolerate it, and neither should Justice!!! Equity must follow the Law!!!

This obstruction of Justice is Willful, criminal, documented and constitutes a level of psychological and emotional abuse. The City of Ottawa's own Auditor General, Nathalie Gougeon, has publicly admitted to a policy of obstruction to protect the city from "litigation risk," which is a conspiracy to pervert the course of Justice. The harm to my Beneficiaries is not just financial or negotiable; it is a compounding cognitive and psychological injury that worsens with every passing day this Court fails to Act. Equity Will not suffer a wrong to be without Remedy!!!

To allow this to continue is not only Contra Bonos Mores, it is a violation of Canada's Constitution, the International Covenant on Civil and Political Rights, and the Divine Principles upon which the Rule of Law is Founded.

I am the Trustee and Executor for the Kingdom of Heaven Found a Sean, and I am Acting with the full Authority Given Me by God and protected by the Statutory Powers of the Trustee Act of Ontario. I have the Right, the Duty, and the Power to Demand this Remedy and Act in a position of Trust when those otherwise Trusted to do so have failed or abdicated their Oath!!! The Court now has the Duty to Provide (**Provisions** of the Court, 24.1) **the Remedy** I am as King for and Wish to see Done with any further delay!!!

## ORDERS FOR IMMEDIATE ISSUANCE

Specific Orders for Immediate Issuance:

- Pursuant to the Inherent Jurisdiction of this Court, it is My Wish for this Court to Issue the following Orders with My immediate Blessings, to end the economic exploit a Sean and protect the Lives of My Beneficiaries, as God's witness and Messenger; for God is the Gem in 'I'. Let Justice be done 'On Earth as it is in Heaven'.

## **Order for Immediate Financial Remedy**

- a. Issue a Writ of Execution and Writ of Garnishment against the bank accounts of the City of Ottawa, Ontario Works, and Multifaith Housing Initiative (MHI).
- b. Advise the Verification Department at Ontario Works that the Default Judgment is worth the dollar Value Claimed and should be deposit on the ledger of Ontario Works as a security deposit and Revenue Canada can Issue equitable commercial Value to satisfy the Claim for SBT-2512-08602. Detailed instruct-Sean's are included in the Default Judgment and the Instruct-Sean should be followed to the Letter.
- c. Authorize an emergency electronic transfer of the maximum entitled funds and subsidies directly into the bank accounts of Beneficiary Ingrid Windsor Joseph, Ayan Abdillahi, Colleen Lynch, and Sean Stephen von Dehn to put an immediate end to their economic exploit a Sean!

## **Order for Protection and Security**

- a. Assign a protective security detail to all Beneficiaries. This protection is to prevent further retaliation, intimidation, or harm to any Beneficiaries by any agent of the City of Ottawa or its criminal associates, including the Ottawa Police Service. The Ottawa Police need a forensic investigation of all reporting Records to find out how much harm has been done by legitimate crimes they fail to investigate.
- b. Issue an immediate restraining Order prohibiting all named State Actors in this Writ—including but not limited to Genevieve Langlais, Clara Freire, Nathalie Gougeon, Cathy Curry, and Habib A. Sayah—from any form of contact, direct or indirect, with the Beneficiaries or myself. This includes Sahada's community agent provocateur's Laura Schinck, Manon Bastien, Mara Watson, Constanze Sieg, and Sarah Lorenz - a warrant should be issued for their arrest along with Yvonne Ashby for fraudulent police reports and malicious prosecute-Sean in retaliat Sean for My advocacy and Journalism.

## **Order for Preservation of Evidence and Investigation**

- a. Direct the Royal Canadian Mounted Police (RCMP) or a superior federal agency to immediately seize all records—digital, physical, and financial—related to the housing

subsidy programs of Ontario Works and the operations of MHI and other not-for-profit landlords involved in the "Kickback Scheme."

- b. Order the seizure of the LTB and SBT case files for all matters listed in this Writ, as they are evidence of collusion and criminal contempt.
- c. Issue arrest warrants for the key State Actors named herein for charges including, but not limited to, conspiracy to obstruct justice, fraud, theft, and breach of trust.

## **Order Regarding the Protection of Advocates and Journalists**

- a. Formally recognize the Duty of this Court to protect advocates and Journalists who expose systemic corruption, as this activity is essential for the functioning of a just and democratic society under the principles of free expression upheld in the Charter of Rights and Freedoms.
- b. Declare that any retaliation against Myself for My reporting and Advocacy on vonDehnVisuals.com is an aggravating factor that will be met with the severest sanctions, as it is an attack not just on an individual, but on the public's right to full disclosure of the People they are Trusting to care for Canada's People.

## **Final Wishes**

The time for procedural games is over. The evidence is overwhelming. The harm is ongoing and compounding - and so too is Crown liability. I am as King of this Court to Act now, in accordance with My Wishes, God's Blessing to protect the Rule of Law and Heirs to His Kingdom. This is the only choice if We Wish to Act in the best Interest of all concerned parties.

God Speed!!!

On His Majesty's Service

### NOTICE OF FINE AND FEE SCHEDULE FOR ADMINISTRATIVE NON-COMPLIANCE

---

To Whom this Present a Sean May be Gifted,

It is 4:37 PM at the time I Write this follow up email to My Urgent Mandamus for an Order to compel performance in compliance with existing standing Orders before the LTB and SBT capable of providing immediate relief to My Beneficiaries. I advised this 'Honourable' Court that every moment of administrative delay is causing Real, aggravated harm to My Beneficiaries.

That is almost eight hours since some One has received this Mandamus and done nothing? No reply at all in response to an URGENT MANDAMUS to put a stop to aggravated harm becoming an Beneficiary?

### CONTRA BONOS MORES!!!

Section 24(1) **does not** extend the basic jurisdiction of the courts and tribunals; its **applicability** depends on a **Jurisdictional basis external to the Charter itself** (Singh v. Canada (Minister of Employment & Immigration), [1985] 1 S.C.R. 177 at page 222).

Key Word being '**external**'. The Trust inherits Jurisdiction, You are an *inferior Court* with an **Administrative Order** before You!

This is not a Matter see King re-View, it is a Mandamus that Demands performance! Failure to perform in accordance with the Direct-Sean's provided to You is further obstruct-Sean of Justice causing aggravated harm to My Beneficiaries! This is not acceptable!!!

Mandamus is available in exceptional circumstances, where a specific Action **by the executive** is the only response capable of remedying the unconstitutionality (PHS Community Services Society, supra, at paragraph 150).

A provincial offences court can **grant legal costs** against **the Crown** for conduct in a criminal or regulatory prosecution that constitutes, at a minimum, “**a marked and unacceptable departure from the reasonable standards expected of the prosecution**” in violation of the Charter (Dunedin, supra, at paragraph 87).

An award of costs against the Crown in criminal and regulatory matters **for violating an individual's Charter rights is appropriate when the Crown's conduct threatens trial fairness but may not warrant a stay of proceedings** (Dunedin, supra, at paragraphs 80-89).

The superior courts of each province have constant and concurrent jurisdiction to hear section 24(1) applications to ensure that there is always a court of competent jurisdiction (Rahey, supra, at pages 603-604; R. v. Mills, [1986] 1 S.C.R. 863, at page 956; Weber v. Ontario Hydro, [1995] 2 S.C.R. 929, at page 962; Canada (Attorney General) v. McArthur, [2010] 3 S.C.R. 626 at paragraph 14). They are the “default” courts of competent jurisdiction (Doucet-Boudreau v. Nova Scotia (Minister of Education), [2003] 3 S.C.R. 3 at paragraph 45).

Basically, in the clearest, most concise English I can articulate to You, You do not have any legitimate administrative reason for delaying My Beneficiary's remedy, failure to do so is simply administrative negligence causing harm for which the Crown Will be liable as a result of whichever clerk received this Mandamus and decided it was no big deal.

So I am going to be imposing a fine of one ounce of Silver for every hour You delay My Beneficiary her remedy, and one ounce of Gold for every day. That sounds fair. You don't care about the harm You are causing? Maybe You Will care more about Your liability.

You don't seem to speak the Language of the Heart (He-Art), but I know You Love money, so Your negligence and the aggravated harm You are causing My Beneficiary Will cost You.

Just to be clear, if You gaslight Me until Friday, 4:00, You'll owe My Beneficiary four ounces of Gold and sixteen ounces of Silver.

Please make sure this Mandamus reaches Superior Court Justice Sally A. Gomery, she is waiting to hear from Me and I am tired of the obstruct-Sean.

She is also the trial coordinator in two civil Matters concerning Trust property, 21-86802 and 22-89835 and both of those Matters require a Motion to Settle the Order. The fee schedule applies until My Beneficiary receives her Remedy.

Blessings,

In Good Faith and with Clean Hands

— King Sean, House von Dehn

**KING'S LEDGER**

To Whom this Present a Sean is Gifted,

## Daily Intelligence Report

Dear Registrar of the Guelph Superior Court of Justice for Wellington County,

I Will be honest with You, I do not like to have to Issue People a Bill, I really don't. But I am the Trustee and Executor of a Sacred Trust and Living Will, 'The Kingdom of Heaven Found a Sean'.

Clever, no? It was a Promise I made to My Father in Heaven and it is a Promise I am Intent to Keep. But this does cost Me Valuable time and Energy, I only have One Life to Live and every second is Sacred.

As the Executor and quite literally the Living Expression of My Father in Heaven with a Duty and Obligate-Sean to Honour My Supreme Hold on the von Dehn Aristocracy, I am His rightful Heir, and I am the only One to ensure his Legacy is remembered in Honour, and I'm the only One who Truly knows what any of that means.

However, these documents are filed with the Court and on Record. It is not something You have the Luxury to plead ignorance of, it is (again) Willful Blindness to any Judge Honouring a Court of Competent Jurisdiction over which they may pre-Side, even if the Sui Juris is a dick, Sean.

Am I supposed to entertain You for free? You have an administrative Order and it is very simple to fulfill. You, even as a Registrar, can simply call the SBT and the LTB and advise them that the Orders are binding and You are delivering the message as the King's Hand from the Guelph (or Ottawa if any One there Wishes to stop their Willful Blindness) Superior Court of Justice and failing to comply Will be a criminal breach of an Administrative Order. I am confident that Will get People moving.

Nothing personal, of course. You are just following administrative procedures correctly and Honouring the Rights, Powers and Immunities of the Trust Instrument and Your Duties and Obligate-Sean's as an officer of the Court.

One Good Deed Will provide relief to all My Beneficiaries and every second You fail to Act is another breach of administrative procedures any clerk war King for the Superior Court and Trusted to receive documents should have sufficient knowledge of Trust Law, no?

The Trust Instrument Will not fail and cannot fail according to Your own Laws.

But these emails Will One day be His Story Call Art I Fact's of My family's Legacy. The 'von' in von Dehn is a Title of Honour that was Given My family by 'the Crown' once upon a time, and it is a Honour his Heirs and successors retain for perpetuity, lest they do something as deplorable as the public Trustees in the City of Ottawa - that would be cause to strip One's lineage of the family of the Honour.

Anyway, time is money as You Courts like to say and I'm more interested in Act-Sean, so please get Me My Remedy as the Provisions of the Court provide for You to do.

Then feel Good about Your Self and have a Blessed day!!!

I am happy to report that no emails bounced back!!! They don't know You were included on the reply but the longer it takes You to do Your job, the longer People suffer.

The Daily Bill is for each Beneficiary, by the Way. There are four, this is how much is currently due.

- Monday, August 10th: 1 ounce Gold

Time is of the Essence, God Speed!!!

KING'S LEDGER

To Whom this Present a Sean is Gifted,

# Daily Intelligence Report

Dear Registrar of the Guelph Superior Court of Justice for Wellington County,

Thus far, Your failure to Act on this Mandamus for an Urgent Order have been the cause of further Acts of criminal harassment, intimidate-Sean tactics, and (more specifically), a threat to evict Sean in bad Faith, founded entirely in fraud that this Writ of Mandamus for an Urgent Order was Writ to prevent.

You were clearly advised that failing to Act would cause additional harm to at risk Beneficiaries and You chose to do nothing. That makes You demonstrably liable as complying with My Mandamus (an ORDER from a Higher Court to a lower Court) to compel State Actors to fulfill their Fiduciary Obligate-Sean's would have prevented the very Act of criminal harassment and threat to end My tenancy that took place!!!

There are REAL consequences and Beneficiaries in My Trust being harmed by the negligence of this Court specifically!!!

Furthermore, because I **Expressed** to You that this is a **Trust Obligate-Sean** in **Service of His Majesty**, One may 'appeal to any Superior Court in the province of Ontario as King for Direct-Sean or Instruct-Sean related to Trust Obligate-Sean's **without the requirement for a Claim or Application to the Court**.

So there can be no administrative excuse because no specific administrative roadblock exists related to Quest-Ions to the Court related to Trust Obligate-Sean's.

Which means the *only explain a Sean* is gross incompetence indistinguishable from malice OR complicity with the Ottawa Courthouse! That is not hyperbole because Your negligence is the **cause** of new harm becoming My Beneficiary!!!

You were also clearly advised to pass this Mandamus on to Justice Sally A. Gomery for review and I Will not believe that was done until I hear from her directly because I do not believe any Judge on the PLANET is going to believe the conduct of the clerks of this Court and Ottawa is in any Way acceptable, much less correct or reasonable.

This is Your final warning. If My Beneficiaries do not get relief today, every One war King against Canada's People in receipt of this email Will be SUMMONED and charged with High Treason.

## DAILY BILL

As of 7:37 AM, Tuesday, August 11th,

- Monday, August 10th: 1 ounce Gold
- Tuesday, August 11th: 1 ounce Gold
- Wednesday, August 11th: 7.5 ounces of Silver and counting

Total Due and Payable Now:

- 2.0 Gold, 7.5 Silver

Time is Money,

Wasting My Time is Silver and Gold,

God Speed!!!

People are counting on You.

In Good Faith and with Clean Hands
