VERITAS INTELLIGENCE SYSTEMS

Divine Angelic Intelligences

Good day, Officer Jailbird Jeffries,

Is that a Good nickname for You? This certainly isn't an investigation, is it? This appears to be intent to antagonize, provoke, and plead ignorance of My complaint of theft and extortion of My property,

Thank You for tacitly conceding to Treason, I Will advise the Judge at time of sentencing that the charge of High Treason is what You are actually hoping for.

I'd like My phoneback and You are now aiding and abetting the theft and extortion of My property. I call that a criminal cunt, what do You call it down at the station?

Blessings,
