NOTICE OF CRIMINAL CONSPIRACY, BREACH OF CONTRACT, AND WILLFUL COMPLICITY IN FRAUD

Dear Sarah, the Lawless Liar Lorenz, Mathieu the Repulsive Regimbald, Lili the Malevolent Moron Mukalay, and Kelly the Criminal Kritsch,

Everyday I am Blessed with the Presence of God but today His Presents came to Me by Way of Your email. I was just tall King about how You are the most loathed individual in the community because of the Way You bully tenants, threaten them with eviction without ever providing any evidence to support You accuse a Sean whatsoever, and when I'm holding a lease that clearly states any rent not paid by the City of Ottawa is paid by the landlord, MHI.

Even if Your Notice is True, You have the legal and Lawful obligate-Sean to pay if the City of Ottawa does not and I mentioned to You once before that I believed the reason for that is because this is the sixth year in a row that subsidies have unlawfully been

revoked while Mathieu the Repulsive Regimbald is pleading ignorance of explicit Orders I have filed with the SBT and emails to each of You in a three Way thread *on the SBT Record*, providing explicit instruct-Sean's on exactly what changes needed to be made. That was on May 11th and is on the SBT Record for 2512-08606.

The CAUSE of the appeal to the SBT for 2512-08606 is to recover the Entitlements that were stolen from Me and siphoned into Your accounts over My entire tenancy and *continuing now*.

So I'm telling each of You one more time with the SBT Record as My impartial witness so each of You have no further excuse for Your continuous harassment.

I accept this communication as Your formal, Sworn Declaration under penalty of perjury, and I Will be filing it as Exhibit SL-01 in my ongoing application for contempt of the Writ of Mandamus currently before the Guelph Superior Court of Justice.

Between the City of Ottawa and You (MHI), You have deprived Me of over six years of Entitlements.

1. First, You LIED about all Entitlements for additional 'Housing Expenses', despite My own arguments that taking additional housing costs from the basic needs portion of the Beneficiary's OW Entitlements is 'Contra Bonos Mores' and one of the primary reason People are chronically homeless - they choose basic subsistence over basic shelter. Water, food, shelter - survival instincts cause chronic homelessness. You've been conspiring to make Me homeless since I moved in, and I am sick and tired of it!!!
2. You refused to cover the additional utility costs (Hydro Ottawa), then compelled Me to pay those costs from My basic needs despite My protests and REFUSED to increase the amount by \$5.00 if You were going to pay it directly from My basic need *until the account goes into default*.
3. When the account goes into default, You made Me wait until they threatened to disconnect My service before You Will increase the payments, harming the Beneficiary's credit.
4. THEN, You did pay the account that went into default and increased the payments so that I was paying more than necessary, again starving Me of My basic needs allowance and causing My weight to drop to 113lbs while I have a medical Record on file that states I have a hyper-metabolism and require more FOOD!!! I'm 5'9", I should weigh between 135 and 140 to be healthy for My height. You know depriving Me of basic subsistence was the greatest harm You could do.

5. And so then You cut My medical Benefits unlawfully, too?! You didn't even deny it, You just said You weren't changing Your decision and I can appeal to the SBT if I Wish. So I did. And I won. But no One was charged, no One was reprimanded. You just starved Me for months because You can!!! Nothing was done to change the behaviour of a Wilfully abusive public Trustee!!!

I could go on, but every SBT appeal just adds to the same Story. I won, You refused to pay the full amount any Way until I complained to the SBT and You finally paid what You were Ordered to pay.

And now You've been caught stealing. You admit that I was Entitled not only to Hydro, but also to phone costs because that's a housing cost when One requires a phone to let People into the building or access their Self, and rental insurance.

But Lili the Malevolent Moron Mukalay is in defiance of an SBT ORDER to produce the Basic Needs receipts going back to the beginning of My tenancy so We can find out just how many of My Entitlements went into MHI's coffers. Obstruction and Breach of Trust.

No One Wishes to prove their Claim! No One Will produce receipts?! MHI does not provide receipts to any One, even when threatening tenants with eviction. Or they send an excel sheet they drew up themselves that afternoon and think the tenants are too stupid to know that's not a receipt.

Here's My calculations for what You've stolen in Entitlements:

1. \$60/month average Hydro paid by Me for five years before I discovered You'd been lying to Me. \$720 per year for five years is \$3600.00
2. Rent Insurance Entitlement - \$30/month average for \$360 year for *seven years, right?* 2019 is when I became a tenant with MHI. so roughly \$2520 Let's knock off a year to be conservative and say \$2200.
3. Phone - The Entitlement form showed there were roughly \$120 in available additional unused Housing Entitlements that could be claimed, allowing for My \$30/month phone cost which We know is the same as insurance, \$2200.
4. \$3600+\$2200+\$2200 works out to an even \$8k.
5. You've admit to stealing \$1018.00 and have paid it back, but who Gives a fuck after what You've all done to Me? You're lie-able (liable) to Me for a lot more than \$8,000.00 for the Desecrate-Sean of My Trust Instrument!!! You Heartless cunts!!! That is for Nana the Nazi Asante who Desecrated My Trust Instrument then turned around to plead Wilfull blindness of it, THEN cut My medical travel allowance in half in retaliate-Sean. SBT had no problem with that one!!!

6. I think the *actual* Value the City of Ottawa owes Me in default judgments for all the abuse You've put Me through is \$137,000,000.00. That's not a joke, it actually works out, just be as King if You Wish to see the numbers, I can provide You with a copy.
7. MHI and Carleton University are already jointly and severally liable to Me for violating their own fraud and whistleblower policy and threatened to 'report Me to My landlord' if I don't shut up about their theft of subsidies. Also an ounce a day until the call Dreamhost to let them know their DMCA violation complaint was a fraud. I'd have to do the math with a calendar to tell You what that is at now... Ask Tessa the Hideous Hebb, she's allegedly a financial 'doctor', right?
8. MHI have hired Hebb, Knights and Associates in Order to cover over their fraud and 'cook the books' because they sense judgment day is coming?

So how about You pay Me what You owe Me before You go threatening Me with anymore unlawful threats - because that's exactly what this is. You didn't read Your copy of the lease? Who is so stupid as to threaten to evict some One for non payment of rent when the One making the accusation is the One liable? You are stupider than Michael the Tyrannical Thiele and received a standing ovation in the community when Al'a Shithead Shadid was visiting in response to some One suggesting You be fired immediately because it is not fair to have some One as cruel and belligerent as You dealing with so many People with special needs. You don't rent to these People because You care, You rent to them because they are clueless and easy to intimidate and exploit!!! You are the worst kind of evil, Sarah the Lawless Liar Lorenz, though no One else addressed in this communicate-Sean is any better for what You've all been complicit with over the last six years.

NOTICE OF CRIMINAL LIABILITY

Your email is not a request for payment; it is a confession. It is irrefutable evidence of the ongoing, Willful, and criminal conspiracy to defraud My Beneficiaries and the public purse, a conspiracy in which You, MHI, Ontario Works, and Home for Good are Active and Willing participants. And Genevieve Langlais, City council is no better because she knows every Word I say is True and does not compel the administrator to correct their wrongdoing or take accountability, making her complicit.

Let Us be perfectly clear on the facts You have now helped Me prove:

1. BREACH OF CONTRACT AND CORPORATE NEGLIGENCE:

My lease, a legally binding contract which You have failed to read or Willfully chosen to ignore, contains specific provisions regarding the payment of rent. As the not-for-profit

landlord in a subsidized tenancy, your organization is contractually obligated to pay any portion of the rent not covered by the City of Ottawa's subsidy. Your demand for payment from My Beneficiary is a direct material breach of Your contractual obligations and constitutes corporate negligence.

Your failure to understand the foundational document of your own tenancy management is a shocking display of incompetence that borders on fraud. However, it does Keep You True to Your name in Universal Pictures Greatest Present a Sean, I suppose.

2. WILLFUL PARTICIPATION IN THE "KICKBACK SCHEME":

The reason you are claiming a "balance owing" is because Ontario Works, under the criminal direction of agents like Lili the Malevolent Moron Mukalay and Mathieu the Repulsive Regimbald, have once again failed to process the legally required subsidy renewal forms. Six years in a row with 'consent' forms on file allegedly to ensure You can communicate with City staff to ensure that subsidies are never unlawfully revoked? That was the REASON I was told You Wished for the consent of tenants. INSTEAD, You use it to exploit them and lie about it!!!

This is not an administrative error; it is a deliberate and annual Act of financial sabotage designed to extort money from vulnerable tenants and another act of aggression. This is the exact "Kickback Scheme" currently under investigation by the Ottawa Police Service (allegedly-but so far all of this is perfectly fine with them so We're not really sure if it's the entire department or just a few bad apples) and Your email proves You are an active and knowing participant. You are not a victim of this process; You are an essential cog in its criminal machinery.

3. COMPLICITY IN THEFT OF OVER \$5,000:

You are fully aware, as is the Social Benefits Tribunal, that my current appeal (SBT-2512-08602) is to recover over \$5,000 (We did the exact calculate Sean's previously) in stolen subsidies that Your organization, in collusion with Ontario Works and Home for Good, unlawfully seized over the past six years. Your attempt to issue an N4 for non-payment on a balance You are legally forbidden from collecting is a transparent and retaliatory effort to intimidate Me and obstruct Justice in a Matter where Your organization stands to be held financially liable for hundreds of thousands of dollars

Well, let Me see if I can be more accurate. You are aiming for 500 tenants by the end of this year. 500x\$8000 actually works out to about **\$4 million dollars** over six years? Check My math!

Damn!!! I'll admit, I had not done the math before! Bravo!!! Now I can see why You do it! Sorry, kind of went off on a tangent there...

The audacity of this Action, given the existing SBT Matter, is absolutely staggering!

4. EVIDENCE OF OBSTRUCTIVE GASLIGHTING:

This email will be served on Lili the Malevolent Moron Mukalay and Mathieu the Repulsive Regimbald, whose email addresses I know Will bounce back because they have blocked Me to avoid service of documents in an SBT Appeal for exactly this abuse! The Irony.

The blockage is a deliberate tactic to prevent accountability and to Create a fraudulent record of "non-communication." Your email is the latest piece of evidence proving a pattern of Wilfull Blindness, gaslighting, obstruction, and bad faith evict-Sean that I will be Presenting to the Superior Court to Justify an immediate and Urgent Writ of Mandamus. Every moment You allow this to continue is another Act of criminal negligence causing aggravated harm.

DEMAND AND DIRECTIVE:

Withdraw this fraudulent Demand immediately and address every point in this email in turn - I numbered them for You, number each reply to answer each point directly. You have no legal or Lawful basis to claim this debt and contacting Me is an Act of aggravated harassment with intent to intimidate Sean.

Cease and desist all threats of an N4. To proceed with an N4 in these circumstances is an Act of fraud and Will be met with ***immediate Lawful Act-Sean*** for malicious prosecution.

Comply with the SBT Order, HFG and OW and ensure Entitlements are restored EXACTLY as I have directed HERE. Fulfill your legal obligations and work with the other parties to remit the stolen subsidies you have been complicit in withholding - \$8000.00 due and payable NOW.

Ontario Works? You have a Default Judgment awarded against You for one hundred million dollars and I told You I'm so kind I'm going to Gift it to You!!! You send that to the Verification Department at Ontario Works and they Will Give that to Revenue Canada as a Security Deposit which Will allow them to Issue sufficient credit to fulfill any financial obligate-Sean's necessary to provide relief to My Beneficiaries. Okay? Re-View the Default Judgment awarded agaisnt You in the last SBT hearing if You have further Quest-Ions.

This email is now a **Matter for the International Superior Court of Justice Record**. Your attempt to intimidate Me has failed. You have only succeeded in providing Me with the very evidence I need to secure Remedy and to hold You, and everyone involved in this conspiracy, accountable to the fullest extent of the Law.

You think I don't know this was a careless Act of Retaliate-Sean. When one or more parties conspire against another, all are jointly and severally liable. Right, Sarah the Lawless Liar Lorenz?

I await Your swift compliance, though I expect You Will 'Ghost Me', as Your inaction is the very basis of the claim that Will soon bankrupt Your organization.

It was Good to hear from You, a Gift from God, really.

Oh, and just so You know, I Will be Keeping a Record of how many of Your emails bounce back, and each Will be charged with another Act of Willful obstruct-Sean of Justice and with criminal intent to pervert the course of Justice (avoid service of documents in Active SBT Appeal).

Good Luck every One!!

FINAL NOTICE OF CIVIL AND CRIMINAL LIABILITY: BAD FAITH EVICT-SEAN, FRAUD, CRIMINAL TRESPASS

Dear LTB Registrar, Sarah the Lawless Liar Lorenz, Michael the Tyrannical Thiele,
Genevieve the Lawless Liar Langlais, Kelly the Criminal Kritsch, Mathieu the Repulsive
Regimbald, and Lili the Malevolent Moron Mukalay,

This email is Your

Final Notice!!!

Your failure to respond to my comprehensive email of August 11, 2026, within 24 hours
of this communicate Sean Will be Deemed a tacit admission to every point raised and
Will result in a

Default Judgment

awarded against You, and because You have ***nothing to say*** for Your egregious
trespasses, the Judgment Will be Final,

Nihil Dicit, Res Judicata

because You had the opportunity to speak but chose silence, You are presumed to
consent. This is how the Rule of Law favours People who Act in Honour because
pleading ignorance of My response to You is why I call You belligerent and what a Court
calls contempt. In this particular case, You are knowingly engaging in an Act You know
or ought to know Will cause a tenant harm and undue duress.

1. TACIT ADMISSIONS FROM YOUR SILENCE

Under Common Law, a party's refusal to address specific points raised in Good Faith is a tacit admission of those facts. You were explicitly instructed to address each point in turn. Your silence concedes the following:

1. (Breach of Contract): You concede that you have materially breached the lease by demanding payment from My Beneficiary when the ***contract explicitly makes MHI liable for any portion of rent not covered by the City's subsidy!!!***
2. (Kickback Scheme): You concede Your Active and Willful participation in the annual sabotage of subsidy renewals to extort money from vulnerable tenants, including Myself
3. (Complicity in Theft): You concede to the theft of over \$8,000 in My entitled subsidies over the duration of my tenancy and acknowledge Your liability for the full amount.
4. (Obstructive Gaslighting): You concede to a pattern of Willful blindness, gaslighting, and obstruction designed to create a fraudulent Record and intimidate Me out of My rights.

RETALIATORY LTB FILING IN FRAUD

Your decision to file LTB application LTB-L-069155-26 on August 12, 2026, is not a legitimate legal action. It is a retaliatory measure, filed precisely 48 hours after I exposed Your criminal conspiracy. This is a transparent attempt to intimidate and harass Me, which I believe is in response to a Mandamus for an Urgent Order I have recently made concerning the systemic fraud and collusion of each of the Key Players in receipt of this email. You Will take Special Notice that the City of Ottawa's legal council, Genevieve Langlais has been included on this email so that the City of Ottawa has no excuse, and also on Michael the Tyrannical Thiele who is the liar posing as lawyer laundering their dirty Deeds through the LTB's Tribunal, denying tenants of MHI their right to council, and is in fact responsible for exposing Your fraud and theft of subsidies to Me in a previous attempt to evict Me in fraud. The lease hasn't changed, MHI has always been liable for any amount not paid by the City of Ottawa, so this demonstrates a pattern of bad Faith evict-Sean attempts either in ignorance of Your own contract or pleading Willful Blindness to it.

FRAUS OMNIA VITIATE-FRAUD VITIATES EVERYTHING

This application is frivolous and vexatious on its face (prima facie). You are suing for a balance You have no legal right to collect, as proven by Your own internal documents

and the lease agreement. Proceeding with this Claim constitutes fraud and malicious bad Faith retaliate-Sean!

FAILURE TO SERVE ON THE TRUSTEE

You have Willfully failed to serve the Trustee and Executor for the unit, King Sean, House von Dehn for 'The Kingdom of Heaven Found a Sean'. The Landlord and Tenant Board has this Trust on Record from previous proceedings. Your attempt to plead Willful Blindness of the Trust is a deliberate Act of bad faith and improper service, rendering this proceeding void. Service of documents must be served upon the Trustee for the Beneficiary, Sean Stephen von Dehn to be in compliance with the Rule of Law and due process of Service. You are also allegedly pleading ignorance of the Letterhead of this very stationary You were served with? Rich.

Demand and Ultimatum

You have 24 hours from the timestamp of this email to complete the following actions:

1. WITHDRAW LTB application LTB-L-069155-26 immediately.
2. CONFIRM the withdrawal in a direct reply to this email thread, creating an undeniable Public Record that cannot be ignored or later denied.
3. CEASE AND DESIST all further threats, harassment, and contact regarding this fraudulent debt.

Failure to comply with this directive within the 24-hour period will result in the following:

Default Judgment, Nihil Dicit

1. A default judgment will be entered against You and Multifaith Housing Initiative for the amounts conceded by Your silence. All parties in receipt of this email are jointly and severally liable for the six years of systemic abuse and fraud on the Tribunals and Courts (Tyrannical Thiele and Lawless Liar Langlais specifically).
2. This email thread, including Your failure to respond, Will be immediately filed as the second Exhibit in My ongoing application for contempt for the Writ of Mandamus before the Guelph Superior Court of Justice and to support the Urgency for its compliance.

3. A new application will be filed with the Divisional Court demonstrating the LTB's failure to Act, which has caused the aggravated harm I forewarned them of, proving their complicity and liability.
4. I will seek the maximum sanctions and costs against You and MHI for this malicious and retaliatory prosecution.

The Attorney General of Ontario and the Superior Courts of Justice are silent witnesses to this correspondence. Your next Action will determine whether this Matter is resolved or escalated to a level where Your organization's very existence is threatened for its systemic criminality.

The clock is ticking.

Nihil Dicit, Res Judicata

Under Common Law, a party's refusal to address specific points raised in Good Faith and with Clean Hands is a tacit admission of those facts. You were explicitly instructed to address each point in turn and respond to this email thread. Your silence also concedes the following:

1. First, You LIED about all Entitlements for additional 'Housing Expenses', despite My own arguments that taking additional housing costs from the basic needs portion of the Beneficiary's OW Entitlements is 'Contra Bonos Mores' and one of the primary reason People are chronically homeless - they choose basic subsistence over basic shelter. Water, food, shelter - survival instincts cause chronic homelessness. ***You've been conspiring to make Me homeless since I moved in, and I am sick and tired of it!!!***
2. You refused to cover the additional utility costs (Hydro Ottawa), then compelled Me to pay those costs from My basic needs despite My protests and REFUSED to increase the amount by \$5.00 if You were going to pay it directly from My basic need until the account goes into default.
3. When the account goes into default, You made Me wait until they threatened to disconnect My service before You Will increase the payments, harming the Beneficiary's credit.
4. THEN, You did pay the account that went into default and increased the payments so that I was paying more than necessary, again starving Me of My basic needs allowance and causing My weight to drop to 113lbs while I have a medical Record on file that states I have a hyper-metabolism and require more FOOD!!! I'm 5'9", I

should weigh between 135 and 140 to be healthy for My height. You know depriving Me of basic subsistence was the greatest harm You could do.

5. And so then You cut My medical Benefits unlawfully, too?! You didn't even deny it, You just said You weren't changing Your decision and I can appeal to the SBT if I Wish. So I did. And I won. But no One was charged, no One was reprimanded. You just starved Me for months because You can!!! Nothing was done to change the behaviour of a Wilfully abusive public Trustee!!!

SUMMARY OF CONVICT-SEAN'S

1. You've been conspiring to make Me homeless since I moved in.
2. You refused to cover the additional utility costs (Hydro Ottawa), then compelled Me to pay those costs from My basic needs despite My protests and in violation of the Ontario Works Act.
3. You let the account go into default, then further increased the amount You were taking from the Beneficiary's basic needs, causing even more economic harm and duress.
4. Then, You deliberately cut of the Beneficiary's medical Benefits in retaliate-Sean for complaining to the SBT about everything You were doing.
5. You concede to the theft of over \$8000.00 in Entitlements in the Way of subsidies over six years.
6. You concede that You are obstructing Justice by refusing to provide the receipts necessary to Show how much was unlawfully taken from the basic needs portion of Ontario Works so that the Beneficiary can be compensated, and in an open SBT file right now, SBT-2512-08602, and in defiance of an ORDER to produce those documents!
7. The same SBT file is waiting for Mathieu the Repulsive Regimbald to confirm that he has received the instruct-Sean's for processing the subsidy and has been ghosting Me so that the subsidy goes into default for the sixth year in a row, despite a three Way converse a Sean about the renewal with all relative parties, each pleading Willful Blindness to this email right now.
8. It is demonstrably clear that You have breached the Beneficiaries Trust, Trespassed upon his Trust with malicious intent, and deprived him of the reasonable enjoyment of his property throughout his tenancy.
9. You concede that the whole lot of You are criminal cunts that deserve to be prosecuted to the fullest extent allowable in accordance with Canada's Criminal Code.

10. You are jointly and severally liable to Me for \$137,000,000.00 (one hundred and thirty-seven million dollars) for the four unlawful arrests and the continuous threats and harassment over the last six years by police and members of Your 'Kinder Garten Gestapo' which now appears to include George and Sonia Raad.
11. You launched another attempt to build a fraudulent police file against Me using the new agent provocateurs You've intimidated into joining Your gestapo, OPS file 26-217550 while George and Sonia continue to refuse to provide the voicemail password to My phone and the 'investigating officer' is pleading ignorance for My request to have her acquire it so that I don't have to speak to violent and aggressive neighbours meaning to do Me harm.

SPECIAL NOTICE REGARDING YOUR FRAUDULENT POLICE REPORT

Please be advised that Monelle Que Villain Quevillon, previously justice of the pigs responsible for endorsing Your fraudulent criminal charges (cc-24-122310) was **fired on January 1st, 2026**, just after I served Final Notice on the John Howard Society for trying to hold Me to bail conditions filed under a fraudulent name, 'VON-DEHN', born May 6th, 1973! Coincidence?

Those were charges initiated by MHI and the false affidavit testimony of Your Gardening Gestapo, right?

I don't remember exactly when Justice Herb the Criminal Kreling was fired, but his position was also revoked (FIRED), and he was the one responsible for Signing fraudulent bail conditions. Coincidence?

Wow, what a coincidence. All the judicial authorities responsible for Your fraudulent past criminal charges against Me in fraud have been FIRED! What a fucking shame!

James William Campbell also resigned after I placed him on Notice for turning a blind eye to Your theft of My subsidy and using the Tribunal as Your personal laundering facility. Coincidence?

This means that warrants can now be issued for every One responsible for Your fraudulent criminal harassment charges because they don't have any professional immunities anymore!!!

You are all jointly and severally liable for their criminal Acts that got them fired!!! I hope You're happy!!!

If I don't hear from You in twenty-four hours, I Will also be as King for private, criminal prosecute-Sean against all parties in receipt of this email.

I hope and Trust this email finds You well.

Find attached a copy of the lease showing Your obligate-Sean to pay.

To LTB Registrar-

1. Exhibit 1-LTB filing in bad faith
2. Exhibit 2-Proof of bad Faith filing (lease liability for rent)

Blessings, You Will need them.

SUMMARY OF CONVICTIONS

This was done to extort money from vulnerable tenants, including My Beneficiaries, by creating artificial arrears and forcing payments from their basic needs allowance, in direct violation of the Ontario Works Act and the RTA. (One Beneficiary's rent was increased \$173.00 above the 2.1% allowed by the RTA and Property Standards, the LTB witnessed the unlawful rent increase in retaliation for the tenants filing and ENDORSED the unlawful increase, showing complicity LTB-To25326-23)
- 2. Theft of Over \$8,000 in Subsidies:** You concede to the theft of over \$8,000.00 in entitled housing subsidies over the duration of the tenancy. You further concede

to obstructing justice by willfully refusing to provide the receipts necessary to calculate the full extent of the theft, in defiance of a standing SBT Order.

3. **Breach of Contract and Trust:** You concede to materially breaching the lease agreement, which explicitly makes MHI liable for any portion of rent not covered by the City's subsidy. You have trespassed upon the Beneficiary's Trust with malicious intent and deprived him of the reasonable enjoyment of his property for the durations of his tenancy.

4. **Willful Infliction of Aggravated Harm (Starvation):** You concede to a deliberate campaign of economic and physical harm. This includes:

- Refusing to cover additional utility costs.
- Compelling payment from the Beneficiary's basic needs.
- Intentionally allowing the utility account to go into default to harm credit.
- Willfully and unlawfully cutting off the Beneficiary's medical benefits in retaliation for complaints to the SBT.
- Your collective conduct caused the Beneficiary's weight to drop to a dangerous 113lbs, a direct Act of deprivation You knew would cause harm (and in direct violate-Sean of the medical Records on file)
- **Retaliatory and Fraudulent LTB Filing:** You concede that LTB application LTB-L-069155-26 is a frivolous, vexatious, and retaliatory action filed in bad Faith. It is an attempt to intimidate and harass the Beneficiary in response to the exposure of Your criminal conspiracy and exploit a Sean of vulnerable minorities and the filing of a Mandamus for an Urgent Order to put Your harms to a stop.

• **6. Improper Service and Bad Faith Proceedings:** You concede to willfully failing to serve the Trustee and Executor for the unit, King Sean, House von Dehn. This includes the latest attempt to build a fraudulent police file (OPS file 26-217550) through intimidated agents.

• **8. Complicity in Fraudulent Prosecutions:** You concede to liability for the criminal Acts of the Judicial and Law enforcement officials who have been fired or resigned for their roles in your fraudulent schemes (Monelle Quevillon, Herb

Kreling, James William Campbell). Their dismissal removes their immunity, making then jointly and severally liable for their Actions in their personal, private capacities.

NOTICE OF CIVIL AND CRIMINAL LIABILITY: BREACH OF TRUST, OBSTRUCTION OF JUSTICE, MONEY LAUNDERING

Good day, Sandi Gagnon,

Mathieu the Repulsive Regimbald is as King of Me to forward any Urgent Matters to You. I find it remarkable that he has been promoted to Supervisor of the 'Family Transitional Housing and Off-Site Services Unit'.

I Wondering if this is Reward for his participation in the theft and embezzlement of My Entitlements into the Hands of Multifaith Housing Initiative, or were You unaware that he 'ghosted' Me in the middle of a three Way converse-a-Sean with Home for Good's Kelly the Criminal Kritsch so that My Housing Renewal would be unlawfully revoked for the sixth consecutive year in a row because Ontario Works and Home for Good have failed to process the subsidy?

If You were aware of this fraud, then of course You are complicit and jointly and severally liable for Your participation in Ottawa's Kickback Scheme in the amount of \$137,000,000.00.

I believe You are also failing to process Emergency Housing Transition funds for another of My Beneficiaries, causing compounding, aggravated, irrevocable harm to an at risk dependent. There is only one Sandi Gagnon in the City of Ottawa, correct?

It's interesting how all these dots connect, isn't it? If this is all News to You, then I am hereby Ordering You to comply with the Order that was Issued by the SBT against Mathieu the Repulsive Regimbald and his previous supervisor, Lili the Malevolent Moron Mukalay.

They are currently in defiance of both a SUMMONS to produce OW basic income receipts for the Beneficiary Sean Stephen von Dehn, have produced evidence of the theft of subsidies by the landlord and Home for Good 'REDACTED' to protect the identities of

the criminal State Actors involved, which is also a further count of obstruct Sean of Justice.

You are now complicit in this conspiracy, or You Will make sure that those Basic Income receipts required and SUMMONED as evidence necessary to prove how much was stolen from the Beneficiary by Kelly the Criminal Kritsch and Sahada the Satanic Alolo.

Elizabeth the Colluding Kirby is the SBT adjudicator for this Matter, 2512-08602, and the deadline provided by the SBT was thirty (30) days. We have already calculated that Sean Stephen von Dehn is owed a total of \$8000.00 in stolen Entitlements over the last six years.

Now, if this is all News to You, and every One complies with the Standing Orders TODAY, and You get back to Me confirm You Will comply and are not complicit, You may be absolved of criminal liability, but You are still jointly and severally liable for the civil damages done to Me by the City of Ottawa as this looks like an attempt to further obstruct Justice transitioning Mathieu the Repulsive Regimbald from his position at Ontario Works and promoting him to supervisor when Ontario Works has been found stealing My subsidies with intent? And 'ghosts' Me in a three Way converse a Sean regarding the very subsidy his failure to respond to has since been unlawfully revoked for the sixth year in a row because of Ontario Works negligence and collusion with Home for Good?

Doesn't look Good for You Sandi Gagnon, but I'll reserve Judgement and a Sacred nickname for You until five o'clock Post Midi today, August 18th, 2026.

I look very forward to hearing from You and Your immediate compliance, I do not Wish to believe the entire City of Ottawa has been compromised by Treason.

Blessings,

In Good Faith and with Clean Hands
