**SECOND AND FINAL NOTICE FOR WRIT OF
MANDAMUS FOR URGENT ORDER**

Dear Registrar of the Guelph Superior Court of Justice,

**NOTICE OF CRIMINAL LIABILITY: OBSTRUCT-SEAN
OF JUSTICE AND HIGH TREASON**

How Art thou? At the time of this Letter, You Will have been in receipt of My Writ of Mandamus for an an **Urgent Order** for forty-eight (48) *hours!!!*

You were clearly advised that every second You fail to respond to My Writ of Mandamus that it Will **CAUSE *compounding, aggravated harm*** to My Beneficiaries.

I Wish to be clear with You about what that means. That means some One read an email, knew an individual was at serious risk of aggravated harm, and chose to do ***nothing!!!***

Not a

- "Thank You for Your email, You Mandamus has been forwarded to the masters office for immediate review by a Competent Judicial Authority"

- "We are Writing to confirm We have contacted the SBT and LTB and advised them to comply with the standing Orders immediately."
- "We are not sure how to handle a Mandamus concerning so much internal, Court corruption, so this Matter has been forwarded to the RCMP and CSIS for immediate investigate-Sean, and to answer Your request for security for You and Your Beneficiaries."
- "This is not the correct email address for an Urgent Mandamus so I have forwarded this email to 'x' at ontario dot com for immediate review."

No. Not any of that. Nothing. I can see no logical reason why any One would turn a blind eye to ongoing, aggravated harm upon which this Court is the only avenue of recourse for the Trustee and Executor of a Trust, or a Man Acting 'On His Majesty's Service' in his Sui Juris capacity. My Oath to God, the Crown and Canada's People very much includes Calling out criminal State Actors infecting Canada's Courts with their criminal cancer.

This is Your

SECOND AND FINAL NOTICE OF DEFAULT JUDGMENT FOR HIGH TREASON

before 'Default Judgment, Nihil Dicit' Will be awarded against You and You Will be presumed to be colluding with the Ottawa Courthouse in conspiracy to Obstruct-Sean from delivering an Urgent Notice to a Judicial Authority, Sally A. Gomery.

Her Honour is the only individual with sufficient Jurisdiction to respond to this Order for a Mandamus to compel performance of criminal State Actors in violation of Standing, Statutory Orders. Notice to Agency is Notice to Principal.

I Wish to be perfectly, crystal clear with You. If the Instruct-Sean for the obstruct-Sean is coming from a Judicial authority, I need to hear from that Judicial Authority because so far no One in receipt of this email has any right, authority, or jurisdiction to NOT immediately file this Mandamus with the Masters office or trial coordinator.

Furthermore, I have specifically requested to hear from Superior Court Justice of the Ottawa Courthouse region, Sally A. Gomery because I DO NOT believe she is complicit because she noted in her denial request that the 'Trustee believes his brother and sister are colluding against him to deprive him of his rightful share of Estate assets,'. The denial request is already on Record for the original Mandamus, and it is a Matter of Record for the Superior Court, so (again) not something a CLERK has the right,

authority or jurisdiction to plead ignorance of anything the Court knows to be True as an impartial, Judicial body of facts.

This means that any CLERK failing to respond to this email is Actively engaged in criminal Acts of Willfully allowing continued, aggravated harm that the clerks of these Courts had the Power to put to an immediate stop to but CHOSE not to in violation of every administrative obligate-Sean, Rules of Procedure, and in defiance of a *Judicial Order* by which Your ignorance is ***causing irrevocable, aggravated harm!!!***

Did I not previously advise You that Will NOT be tolerated?! Are You thing King My fee schedule is a joke?! No joke!!! Two ounces of Gold now and seven ounces of Silver, PLUS however long it takes You to get Your ass in gear RIGHT NOW!!!

I Wish for every single clerk in receipt of this Letter to Imagine what Will happen when this Mandamus is Presented to a COMPETENT Judicial authority. Because one thing I can absolutely GUARANTEE You, is that no Judge on the planet is going to suggest that every clerk in receipt of this Letter is NOT guilty of causing Willful, aggravated harm to an individual because is not reasonable or correct to believe every One at the Guelph Superior Court is this incompetent. It is NOT believable if You are hoping to plead incompetence. At some point, incompetence is indistinguishable from malice and this one of those times.

DEMONSTRABLE EXAMPLE OF COMPOUNDING HARM CAUSED BY GUELPH SUPERIOR COURT CLERK NEGLIGENCE

Last night, You were an impartial witness to the ongoing harms that are being done to a Beneficiary by Way of Your negligence. Additional threats to end the tenancy of a Beneficiary were made in retaliate-Sean for this very Action and You are not providing Me with security detail as an investigative journalist and Key witness in a massive, criminal scandal?! Who would have the audacity as a court clerk in any capacity to NOT forward such a serious email to the Masters Office or a competent Judge AS DIRECTED BY THE TRUSTEE?!

If I am compelled to file with a Divisional Court to get My relief and remedy from these continuous Acts of criminal harassment and economic exploit-a-Sean of Ottawa's Beneficiaries, I Will be Issuing an Order to SUMMONS the payroll schedule of the Guelph and Ottawa Courthouse to find out who was war King on the Superior Court email receipt-Sean at the time this Mandamus was fine. I Will already be doing so for the Ottawa Courthouse regardless - if I don't receive confirm a Sean of receipt from this Courthouse before the end of TODAY, August 12th, 2026, all in receipt of this email Will

be Noted in default and charged with Treason for interfering with the business of a Man Acting in His Official, Sui Juris capacity and on His Majesty's Service.

Look up the charges for interfering with an investigate-Sean Acting on His Majesty's Service. You Will find the charge is High Treason and You are now demonstrably guilty because Your failure to Act resulted in **another unlawful threat to end My tenancy**, so Your negligence in complying with an Administrative process is causing unreasonable delay that has compounded and aggravated the harm done to My Beneficiary!!!

This is exactly the REASON/CAUSE for the Mandamus for an Urgent Order, to put a STOP (a-rest the criminals) to the criminal landlord's grifting game and theft of public money at the expense of Canada's People.

There is no administrative or judicial explain a Sean for Your delay, I can only presume collusion and conspiracy with the Ottawa Courts.

You are hereby served on the International, Superior Court of Record at www.vondehnvisuals.com.

Blessings, You Will need them,

In Good Faith and with Clean Hands

— King Sean, House von Dehn
