**NOTICE OF AGGRAVATED ASSAULT WITH A
WEAPON CAUSING BODILY HARM**

Dear Kaneesha,

Yesterday, at community coffee You witnessed Sahada the Satanic Alolo assault Me with a scalding hot coffee by throwing it at the back of My head from only a few feet away as I was leaving 'Community Coffee'.

Is this Your Idea of 'tolerance and acceptance' of People of all Faiths?

I have never threatened any One with violence, I have never Acted toward any One violently - I have only ever advocated for the rights of tenants when You violate the RTA which You do continuously.

Do You support this behaviour, and how do You plan to correct Your wrongdoing and make it right? That coffee went straight into My right ear, causing first degree burns to My head, neck and shoulder.

This psychopath, Sahada the Satanic Alolo is Your boss? And You think this is acceptable behavior? She is a dangerous, unhinged lunatic!!! Did You report the incident to the police?

This is the second time I have been assaulted by Sahada the Satanic Alolo, the first time being at a 'Garbage Giveaway' You hosted just before Christmas the first year I moved

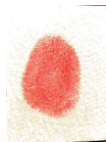

into the Haven Community. I was berated with insults, physically assaulted by Sahada 'body checking' Me and screaming in My face while there was a 'six foot social distancing' policy in place, all for having a medical condition that prevents Me from wearing a mask or injecting My body with experimental bioweapons.

You already owe Me \$137 million for stealing from Me and colluding with the City of Ottawa to discriminate against Me for the last six years, how do You plan on making this up to Me?

I look forward to hearing from You,

In Good Faith and with Clean Hands
