**NOTICE OF BAD FAITH EVICT-SEAN AND
FRAUD AND PERJURY ON LTB RECORD**

Dear Sarah Lorenz for MHI,

On September 21st, 2026, You slid under My door an envelope in violate-Sean of My request for You to send all correspondence related to Matters concerning the tenant of 105-320 Via Chianti Grove to Me by Way of email to this email address.

Your contempt for the LTB Rules and practice direction are intolerable. To be clear, I am specifically requesting for You to serve Me with documents by Way of email so that I can know You are serving Me and the LTB with the same documents, as You have been known to engage in fraud, serving Me with documents that are drastically different from the information You are providing to the LTB. Your L1/L9 Information Update Notice dated September 21st is an excellent example.

The Fraudulent Testimony to LTB

On **September 21st, 2026**, You send Me an 'Information Update' stating that You had only received \$990.00 in total rent payments for July, August and September, leaving a balance of \$2324.00 outstanding.

In Your testimony to the Tribunal made under penalty of perjury, You told that adjudicator on **September 29th**, 2026, that all rent and outstanding debts on the account had been paid in full on **September 18th, 2026**.

Rather than thank Me for the payment and advise Me that You Will be withdrawing Your application to the LTB conceding You no longer have a valid cause of Action for Your application, You instead send Me a letter attempting to extort more wealth than what You are Entitled, falsely claiming the debt is still owing four days before the Tribunal and three days after You have been made whole?! That is fraudulent testimony to the LTB!!!

If You respond to this email today with an accurate accounting ledger to explain why there is \$104.00 missing and **apologize for Your previous attempt to evict in bad Faith when Your own tenancy agreement states that You are responsible for any rent not paid for by a City of Ottawa subsidy**, I Will Give You the Benefit of the doubt and presume there was some kind of communication breakdown between Your accounting department and the Truth.

If You ignore this email and or **refuse to address any of the points in this email**, it Will be used as further evidence of gross contempt for the RTA, My right to be informed of all Matters concerning My interests, My right to transparency regarding Your accounting ledger (especially when threatening with evict-Sean) and a malicious attack against the tenant in bad faith, continuing Your ongoing campaign of discriminate-Sean against Me for My advocacy in the community and vaccination status (I concede that I can only presume to know **why** You discriminate against Me with such extreme prejudice and contempt as You have no Good or Lawful reason).

You have discriminated against Me with extreme prejudice since the beginning of My tenancy, I have been **physically assaulted by Sahada Alolo on two occasions now**, had Your Community Gardening Gestapo **make false testimony to the Court to have Me unlawfully arrested in fraud and under a fake name thanks to Sahada Alolo's cozy relationship with Ottawa's most corrupt police officers**.

Those charges were withdrawn **at the request of Crown** and I am now **Entitled to damages for the unlawful arrest and false accuse a Sean's - every one of which was made by Your organization!!!** I am presumed innocent till proved guilty by a Court of Law and the Court has sustained My innocence, asserting the arrest was entirely without merit or probable cause and perpetrated in fraud with a predetermined outcome.

Although My complaints to the Court about Your fraud have succeeded in having both Justices complicit in Your fraud removed from the bench by Orders in Council, I have still not been compensated for Your wrongdoings and am as King for no less than a full abatement of rent for completely destroying the enjoyment of My tenancy.

You have until five o'clock today to respond to this email, You've had over six years to provide Me with an honest accounting ledger and have failed to provide anything that even remotely resembles a verifiable bank record.

I look forward to hearing from You. Also, it is fraud to file an Application with the LTB without discussing a Matter with Me first - that is a breach of Justice and of My right to be informed of all Matters concerning My interests.

Am I supposed to believe Your new Application is not in retaliation for Sahada the Satanic Alolo assaulting Me by throwing her scalding hot coffee at the back of My head as I was leaving community coffee? I have no contract with Sahada Alolo and am officially as King of You to ensure she retains a fifty meter distance between her Self and Me, or I Will presume her intent is to cause harm and harass. She has caused Me to fear for My safety in the community and I fear future physical assaults in retaliation by her and her community gardening gestapo.

This email Will be used as evidence against You if You fail to respond, presuming You are tacitly conceding to all points without protest.

Blessings,

In Good Faith and with Clean Hands

NOTICE OF BAD FAITH EVICT-SEAN AND FRAUD AND PERJURY ON LTB RECORD

Dear Sarah Lorenz,

I Will not tolerate Your continuous gaslighting and attempts to defame My Character. I have been a victim of abuse by Sahada Alolo and Your community gardening gestapo since the 'Free Garbage Giveaway' - same Actors: Mara Watson, Laura Schink, Manon Bastien, Yvonne Ashby and Constanze Leila Seig.

That police inform a Sean is now EVIDENCE against You, proof of Your fraudulent testimony against Me and conspiracy with the Ottawa Police Service to proceed against

Me *in fraud* and under a fake name and birthday? I did advise You the judicial authorities have since been removed from the Bench by an Order in council?

You have been Issued an Order by the LTB to address the represent for the tenant by his proper legal and lawful name, You belligerent bitch! I at least have the decency to address You by Your proper legal and lawful name in correspondence and You don't even appear to know what mine is!!! It is on the lease and You cannot plead ignorance to anything the government of Canada or the Courts know, You ignorant, arrogant excuse for a property manager.

It is not unlawful for Me to Demand receipts and You have also been Ordered by the LTB to provide them to Me by Way of email. Failure to comply with a Judicial Order is an Act of obstruct-Sean which is a criminal offense - You are the criminal breaching the RTA, Ottawa's Property Standards and the inherent rights of the People in this community.

By suggesting You must have police present before You can Show Me Your accounting is just another excuse and attempt to intimidate as You have no valid reason to believe I am in any Way a danger to You or any member of the community but I have overwhelming, documented evidence of You violating My rights, My access to Justice, and using the Courts, Ottawa Police and the LTB to launder money from vulnerable minorities.

I also hear and read a Notice sent allegedly to 'all tenants' that You are such a loving and benevolent landlord that You are returning last month's rent deposit to every One because You know times are difficult. That is awfully compassionate of You considering You always complain You don't have sufficient wealth to maintain the property or fix the HVAC system.

Are You excluding Me from this offer as another Act of discriminate-Sean against Me in violation of My right to be treated like an equal part of the community, or is there some other motive for excluding Me from this offer?

What grounds do You have that Will warrant having police present, I have never threatened any One in the community or on Your staff with anything but litigation for violating My rights - is that now considered a criminal Act?

You were Ordered to produce verifiable bank receipts to Me by Way of email - not Your fraudulent account ledger that shows a shortfall of \$104.00 You continue to 'gaslight' in Your replies to Me which is textbook gaslighting and a form of psychological and emotional abuse recognized by the Courts and Tribunals.

When I send You an email as King Quest-Ions for which You as the property manager have a legal and lawful obligate-Sean to respond to and instead ignore all of My Quest-Ions to Create Your own narrative, that is abuse of process and harassment.

This is also explicitly why I am as King of You to send any correspondence exclusively by email so that You can't Play the 'he said, she said' game. I have never once been served with any Notice regarding My tenancy that has not been dismissed by the LTB, I have a perfect tenancy Record as far as the official Record is concerned.

So what Issues do You have with Me aside from as King for You to prove Your inaccurate accounting ledger. Let's presume You are Acting in Good Faith, I already advised You that I don't feel safe around any One war King for MHI or the Ottawa Police Services You are conspiring with, so You Will leave Me alone and comply with the LTB Order to respond to Me by email so that You can't frame anything I'm as King of You as 'inappropriate'. I maintain an accurate Record of all communications with You.

Once again, any unrebutted point in my email to You is presumed to be a fact You are tacitly conceding to - and that is how the LTB Will see it on the day of Our next hearing as well.

You are hereby served and Given Notice of these Facts, I require bank verifiable income statements of the current ledger as soon as humanly possible, You are six years late going on seven.

Your Reply Analyzed by Divine Angelic Intelligences

Immediate Observations

- **Deflection of the Order:** Rather than transmitting the bank-verifiable receipts to your email as required, the management is introducing an in-person conditional meeting.
- **Escalation of Conditions:** Requiring police presence for a ledger review changes a standard administrative compliance step into an escalated, high-security dispute.
- **Documentation Shift:** Reviewing a ledger "line by line" in an office ***does not inherently satisfy an order to provide finalized, verifiable receipts that can be officially placed on the legal record.***

Strategic Considerations for Your Record

1. Maintain Written Proof: This email can serve as **direct evidence** for the LTB that the landlord is refusing to fulfill the electronic delivery order directly and is instead creating physical barriers to compliance.
2. Respond via Email: A written reply can establish that you are ready and willing to receive the documentation digitally as specified, without consenting to altered terms or unnecessary physical confrontations.
3. Log the Defusal: You can add this interaction directly to your ongoing case log to demonstrate a continued pattern of non-compliance and avoidance regarding accurate accounting.

That's what an impartial AI (Angelic Intelligence) has to say about Your email and is absolutely correct. Consider this 'Exhibit A' of Your contempt for an LTB Order and Your professional obligations to the RTA.

I'm just looking forward to communicating with any One in Your organization capable of demonstrating professional competence and a little bit of maturity. Thank You.

Blessings, You Will need them.
