## NOTICE OF CROWN LIABILITY: ASSAULT CAUSING BODILY HARM WITH A WEAPON

Dear Registrar for the LTB,

To further support My request to dismiss in accordance with Section 83 of the RTA, the LTB must not accept an application to evict if the eviction was served in retaliation for asserting his rights with another Tribunal (SBT-2512-086020).

To further support that the landlord is not Acting in Good Faith and with Clean Hands, Sahada the Satanic Alolo (community events coordinator for MHI, the 'landlord'), threw a scalding hot coffee at the back of My head as I was leaving community coffee yesterday. I am as King for at least $10,000.00 in compensation for the first degree burns I suffered to the back of My head, neck and right shoulder. The incident was reported to 911 but the police refused to take any action as they are complicit in the City of Ottawa's 'Kickback Scheme' and have unlawfully charged and arrested Me under fake names and name day (DOB) on two previous occasions, cc-23-353404 and cc-24-122310, both of which were withdrawn at the request of Crown for which I am now entitled to compensate-Sean for the unlawful, fraudulent arrest and false police reports made by the landlord and her 'community gestapo' of agent provocateurs, otherwise known as the 'Kinder-Garten Gestapo'.

You can find My full report on the incident here.

Blessings,

In Good Faith and with Clean Hands

Dear Kaneesha,

Is this You not being complicit with the criminal slumlord, Sahada the Satanic Alolo and her assault on My person yesterday? You are a primary witness to the assault, did You report to police? If not, You are complicit and jointly and severally liable in Your personal, private capacity.

See, if I were You and I witnessed Me getting assaulted by a sociopathic narcissist (or any One, really), I would immediately have reported the incident to police and reached out to make sure I was okay. If I didn't do that, I most certainly would not 'ghost' Your complaint about what happened.

I would say something like, 'Yes, I saw what happened and there is no excuse for that kind of behaviour. Sahada has been removed from MHI and reported to local police for aggravated assault with a weapon. We are deeply sorry for any harm this incident may

have caused You and Wish to let You know that We are happy to take care of any medical costs necessary to ensure You make a speedy recovery.'

That is what some One Acting in Good Faith Will do - or something similar. Do You not have any public relations experience as the community engagement 'representative'?

How do You feel about what You witnessed yesterday, is it 'becoming' of Your organization?

This email Will be shared to demonstrate to the People just how much You really care about treating People with 'dignity and respect' and ensuring that People feel 'safe and welcome' in the community. So far, it sounds like a lot of social posturing nonsense You have no intent to Honour.

Oh, it is NOW the most viral Post I have ever published, You may Wish to check it out!!! Thanks for the publicity. You know what they say, no such thing as bad publicity, right!?

Blessings,

In Good Faith and with Clean Hands
