NOTICE OF CIVIL LIABILITY FOR CONTEMPT AND CRIMINAL HARASSMENT, PERSONAL PRIVATE CAPACITY

Mr. Jonathan Samuels,

Let me make this as plain as possible: I have given my exclusive consent for service **by way of Email!!!**

Today, I find THREE PACKAGES IN MY MAILBOX FROM THE LTB AFTER ALREADY RETURNING TWO PREVIOUS PACKAGES 'REFUSED FOR SERVICE FOR CONTEMPT OF ORDER TO COMMUNICATE BY EMAIL'?!

Just how incompetent are You People, exactly?

How long Will You continue to 'gaslight' My request? What happened to "Email is the LTB's preferred method of communication, please check the box on the online portal so ***we can serve you by email***?"

I did not consent to a portal invitation, a "Sensitive Content Management" link, a PIN-linking system, or any other multi-step digital hoop. I consented to Email!!!

Are You trying to tell Me You can't Give Me a comprehensive list of the documents You received at this email address for My related files?

You state that you are "unable to send documents via regular email" due to size restrictions? That is an administrative limitation on the Ministry's end, not a legal exemption from my explicit service constraints. If a file is too large for a single email, the standard operational procedure is to zip the files, split the documents into multiple sequential emails (Part 1, Part 2, etc.), or compress the PDFs so they sit within standard inbox limits. That is standard under the Rules of Civil Procedure, and 'Delivery Slip' dot com is an independent application, which ***is*** a third-party application by definition! I don't know if You are gaslighting Me or genuinely this incompetent (most polite Word I can think of).

By forcing Me to use an external system or log into a portal to pull documents that ***You are legally required to push to My inbox***, You are ***actively violating my explicit consent parameters*** and ***undermining procedural fairness*** as one of Service Ontario's most senior members? You are also ***harassing Me*** with these continued email excuses as to why you can't tell me exactly what evidence Fotoula Hatzantonis had in front of her when pleading ignorance to the criminal exploitation of the slumlord against the tenant! Are you STILL pleading ignorance to the landlord's abuse of process as You watch it happen in real time for this new file!? Keep in Mind that Willful Blindness to theft and laundering of public money immediately negates Your immunities as a representative of this Tribunal in any capacity. Tribunals and Justice systems do not endorse, aid and abet or silently enable criminal conduct so that they can be used to cloak and shield corporate fraud.

To answer your question before you ask it again: No, I Will not link the files to the portal using PIN 47327. No, I Will not accept a manual link for the closed file LTB-L-069155-26.

The online portal has been used for fraud by the slumlord MHI, who serves the LTB and the tenant with two different versions of documents and refuses to address the respondent by his proper legal and lawful name (identity fraud). To avoid their ability to engage in fraud, they are ***required to serve Me by way of email*** for transparency and fraud protection - failing to do so is contempt for fraudster Fotoula's verbal Order in the hearing.

Please adjust your delivery method to comply with My exclusive email instructions immediately. If the Board cannot figure out how to attach PDFs to an email chain, You need to state on the official record that ***the LTB is refusing to honor a party's formal electronic service consent for service by Email***.

How about *a list*? No excuse for documents being too large in that case. Can You tell Me the exact names of the documents and exhibits You received at this email and when You

received them so We know what is on the official Registry, or is that too much to be as King as well?

You are on Notice for criminal harassment in Your personal, private capacity because You are Trusted with Registry integrity. I explicitly advised You on numerous occasions that future attempts to serve by Way of regular mail on an incorrect legal entity will be considered ***identity fraud and harassment!!!***

This is your second and **final notice** in your personal, private capacity.

I expect the documents in my inbox as direct attachments before five o'clock today!!!

The fact is, I know that the law requires an individual to serve one with their grievances BEFORE appealing to a Court or Tribunal, and I have not been served with any papers by the landlord or the LTB related to this matter - PERIOD!!!

That is a gross abuse of process. Why are You not compelling My landlord to comply with the LTB practice direction and serve Me with a copy of the application by Way of email immediately? That is *not* incompetence; that is *complicity* and *enabling criminal contempt for the LTB, the RTA, and my most basic right to due process of service*.

Those are all torts You Will be liable to Me for depriving Me of My right to due process, fairness and trespass upon My Trust obligations.

You also don't get to plead ignorance to the documents I have on Record with MOJAG because Your registry is presumed to be concurrent and congruent with the Ontario Courts of Justice and other Tribunals. You can't be war King concurrently and congruently if You are all separating documents from the Registry into independent compartmentalized portals. That is fracturing the official Registry Records.

You also don't get to plead ignorance to the Established precedence of this Tribunal and We have two previous examples where the evidence on Record shows the landlord was engaged in fraud, bad faith filings, and threats of extorsion (in fraud).

I need to know exactly what evidence Fotoula Hatzantonis had in front of her before I accuse her of pleading Willful Blindness to the fraud and bad faith filing of the slumlord criminals, MHI.

You pleading Willful Blindness to all of this, too?

Blessings,

In Good Faith and with Clean Hands
