Good morning,

Please note the Sensitive Content Management system is not a third-party system. This is the Provincial governments secure email system used to transfer large documents securely. Any documents sent through this system are protected.

This invitation you received was for access to the documents you requested on Friday October 16th. Due to the large number of documents on both files, we are unable to send your documents via regular email. If you do not wish to access the Sensitive Content Management system you have the option to link the file to your account in the Tribunals Ontario Portal. To link LTB-L-082848-26 to your account you can use PIN 47327.

Unfortunately, since LTB-L-069155-26 is closed you will not be able to use a PIN to link the file to your account in the Portal. If you wish to access these documents, please advise in response to this email and we can manually link the file to your account.
