Good Day Mr. Jules Ruhinda,

I have sent this email to the email address posted on Your campaign page as well as the one You gave Me in person. Please let Me know which email You prefer for Me to use.

This first email is just a document dump, the relevance is the next email which Will read 'Email 3' in the subject line. The next email Will Show when they are claiming to have received the documents and when they were officially added to the Registry for the Hearing.

Please take Notice that the 'Balance on the Account' in particular Shows it was received in August and uploaded to the Registry on Sept. 1st, the document it Self is dated September 4th. So they did some time traveling to get My documents on the Record, apparently.

I Will also copy and paste the body of this email into the third email so You know what I am referencing.

Thank You for Your time and attention to this, We need a Good councilor for this community.

Blessings,

Special Attention Rihanna,

The Ombudsman's duty is to oversee the LTB and SBT for administrative errors - Your Words on the phone to Me today.

You simultaneously tell Me that if the Acts are criminal, You do not have jurisdiction over criminal Matters and there is nothing You can do.

Let Me be clear with You. Engaging in criminal conduct such as pleading 'Willful Blindness' to documents on Record, destroying documents on Record and gaslighting a Trust on Record with MOJAG are examples of serious administrative errors that

constitute criminal conduct. Using the LTB and SBT as a cloak for fraud to 'launder' the theft of public subsidies and having first hand knowledge of these facts, You believe as a representative of the Ombudsman and a citizen of Canada and public servant with an Oath on Record, that You have no duty or obligation to put the criminal conduct to a stop.

If that is Your position, I believe it is entirely incorrect, unreasonable, an administrative error and an abuse of process and I believe You should have enough common sense to know that. And I strongly believe that any Divisional Court Will agree with Me, so I am holding You liable in Your personal, private capacity if You continue to gaslight these criminal Acts.

Blessings,

In Good Faith and with Clean Hands

My Good Man, Jules, House Ruhinda,

Thank You very much for Your time today, it Truly was a pleasure to meet You and I do not often have Faith in candidates for council.

I Truly believe that if You are elected, You are a Man of Your Word that I Will be able to say I am proud to support.

I believe You should try to get an audience at MHI's community center, they have supported Wilson Lo and other candidates in the past and they should Give equal opportunity if they are a True democratic community.

Request to visit Community Coffee at the Haven and I Will try to encourage others in the community to come out to vote for You.

I appreciate You returning My email so promptly!

Many Blessings and Good Luck!!!

NOTICE OF FRAUD AND CRIMINAL HARASSMENT

Dear Samar the Fascist Fraudster Farhan,

I couldn't help but Notice that Your screenshot for **LTB-L-069155-26** Shows that the email thread, '**RE: Balance on Accoun**t' emails were received on the 18th and 23rd of August respectively, and I didn't send any emails 'RE: Balance on Account', those are YOUR emails responding to that evidence in a new thread!!!

The original piece of evidence is Titled '**Balance on Account**' and BOTH (*fraudulent* '**RE: Balance on Account**') emails were Created on **September 4th**.

Can You explain to Me how You are Showing that You received documents before they were Created or concede that You have been engaged in fraud and manipulating the official LTB Registry related to My files?

What is Your explanation for the fraud, Farhan?

I require a reply TODAY or I Will presume You are guilty as charged and awaiting criminal prosecution for Your Willful fraud and decept-Sean.

Govern Your Self better.

In Good Faith and with Clean Hands

NOTICE OF FRAUD AND CRIMINAL HARASSMENT

Dear Samar the Fascist Fraudster Farhan,

I couldn't help but Notice that Your screenshot for **LTB-L-069155-26** Shows that the email thread, '**RE: Balance on Accoun**t' emails were received on the 18th and 23rd of

August respectively, and I didn't send any emails 'RE: Balance on Account', those are YOUR emails responding to that evidence in a new thread!!!

The original piece of evidence is Titled '**Balance on Account**' and BOTH (*fraudulent* '**RE: Balance on Account**') emails were Created on **September 4th**.

Can You explain to Me how You are Showing that You received documents before they were Created or concede that You have been engaged in fraud and manipulating the official LTB Registry related to My files?

What is Your explanation for the fraud, Farhan?

I require a reply TODAY or I Will presume You are guilty as charged and awaiting criminal prosecution for Your Willful fraud and decept-Sean.

Govern Your Self better.

NOTICE OF FRAUD AND CRIMINAL HARASSMENT

Ombudsman's Rihanna,

Please note that ever since the fraud was conclusively proven by the damning screenshot, 'feedback Ontario' (which has no telephone number and email contact exclusively) is no longer receiving My complaints because their 'mailbox is full'?

A Registry email for complaints for the entire province' email is FULL and not able to accept complaints about the Tribunals? That is gross incompetence and administrative obstruction. I need to communicate with the proper channels and this is not a coincidence, this is deliberate obstruction to avoid having to answer to the LTB's fraudulent Registry Records.

I look forward to hearing from You, Rihanna!

FINAL NOTICE OF CIVIL AND CRIMINAL LIABILITY: BAD FAITH EVICT-SEAN, FRAUD, CRIMINAL TRESPASS

Dear LTB Registrar, Sarah the Lawless Liar Lorenz, Michael the Tyrannical Thiele, Genevieve the Lawless Liar Langlais, Kelly the Criminal Kritsch, Mathieu the Repulsive Regimbald, and Lili the Malevolent Moron Mukalay,

This email is Your

Final Notice!!!

Your failure to respond to my comprehensive email of August 11, 2026, within 24 hours of this communicate Sean Will be Deemed a tacit admission to every point raised and Will result in a

Default Judgment

awarded against You, and because You have ***nothing to say*** for Your egregious trespasses, the Judgment Will be Final,

Nihil Dicit, Res Judicata

because You had the opportunity to speak but chose silence, You are presumed to consent. This is how the Rule of Law favours People who Act in Honour because pleading ignorance of My response to You is why I call You belligerent and what a Court calls contempt. In this particular case, You are knowingly engaging in an Act You know or ought to know Will cause a tenant harm and undue duress.

1. TACIT ADMISSIONS FROM YOUR SILENCE

Under Common Law, a party's refusal to address specific points raised in Good Faith is a tacit admission of those facts. You were explicitly instructed to address each point in turn. Your silence concedes the following:

1. (Breach of Contract): You concede that you have materially breached the lease by demanding payment from My Beneficiary when the ***contract explicitly makes MHI liable for any portion of rent not covered by the City's subsidy!!!***
2. (Kickback Scheme): You concede Your Active and Willful participation in the annual sabotage of subsidy renewals to extort money from vulnerable tenants, including Myself
3. (Complicity in Theft): You concede to the theft of over $8,000 in My entitled subsidies over the duration of my tenancy and acknowledge Your liability for the full amount.
4. (Obstructive Gaslighting): You concede to a pattern of Willful blindness, gaslighting, and obstruction designed to create a fraudulent Record and intimidate Me out of My rights.

RETALIATORY LTB FILING IN FRAUD

Your decision to file LTB application LTB-L-069155-26 on August 12, 2026, is not a legitimate legal action. It is a retaliatory measure, filed precisely 48 hours after I exposed Your criminal conspiracy. This is a transparent attempt to intimidate and harass Me, which I believe is in response to a Mandamus for an Urgent Order I have recently made concerning the systemic fraud and collusion of each of the Key Players in receipt of this email. You Will take Special Notice that the City of Ottawa's legal council, Genevieve Langlais has been included on this email so that the City of Ottawa has no excuse, and also on Michael the Tyrannical Thiele who is the liar posing as lawyer laundering their dirty Deeds through the LTB's Tribunal, denying tenants of MHI their right to council, and is in fact responsible for exposing Your fraud and theft of subsidies to Me in a previous attempt to evict Me in fraud. The lease hasn't changed, MHI has always been liable for any amount not paid by the City of Ottawa, so this demonstrates a

pattern of bad Faith evict-Sean attempts either in ignorance of Your own contract or pleading Willful Blindness to it.

FRAUS OMNIA VITIATE-FRAUD VITIATES EVERYTHING

This application is frivolous and vexatious on its face (prima facie). You are suing for a balance You have no legal right to collect, as proven by Your own internal documents and the lease agreement. Proceeding with this Claim constitutes fraud and malicious bad Faith retaliate-Sean!

FAILURE TO SERVE ON THE TRUSTEE

You have Willfully failed to serve the Trustee and Executor for the unit, King Sean, House von Dehn for 'The Kingdom of Heaven Found a Sean'. The Landlord and Tenant Board has this Trust on Record from previous proceedings. Your attempt to plead Willful Blindness of the Trust is a deliberate Act of bad faith and improper service, rendering this proceeding void. Service of documents must be served upon the Trustee for the Beneficiary, Sean Stephen von Dehn to be in compliance with the Rule of Law and due process of Service. You are also allegedly pleading ignorance of the Letterhead of this very stationary You were served with? Rich.

Demand and Ultimatum

You have 24 hours from the timestamp of this email to complete the following actions:

1. WITHDRAW LTB application LTB-L-069155-26 immediately.
2. CONFIRM the withdrawal in a direct reply to this email thread, creating an undeniable Public Record that cannot be ignored or later denied.
3. CEASE AND DESIST all further threats, harassment, and contact regarding this fraudulent debt.

Failure to comply with this directive within the 24-hour period will result in the following:

Default Judgment, Nihil Dicit

1. A default judgment will be entered against You and Multifaith Housing Initiative for the amounts conceded by Your silence. All parties in receipt of this email are jointly and severally liable for the six years of systemic abuse and fraud on the Tribunals and Courts (Tyrannical Thiele and Lawless Liar Langlais specifically).
2. This email thread, including Your failure to respond, Will be immediately filed as the second Exhibit in My ongoing application for contempt for the Writ of Mandamus before the Guelph Superior Court of Justice and to support the Urgency for its compliance.
3. A new application will be filed with the Divisional Court demonstrating the LTB's failure to Act, which has caused the aggravated harm I forewarned them of, proving their complicity and liability.
4. I will seek the maximum sanctions and costs against You and MHI for this malicious and retaliatory prosecution.

The Attorney General of Ontario and the Superior Courts of Justice are silent witnesses to this correspondence. Your next Action will determine whether this Matter is resolved

or escalated to a level where Your organization's very existence is threatened for its systemic criminality.

The clock is ticking.

Nihil Dicit, Res Judicata

Under Common Law, a party's refusal to address specific points raised in Good Faith and with Clean Hands is a tacit admission of those facts. You were explicitly instructed to address each point in turn and respond to this email thread. Your silence also concedes the following:

1. First, You LIED about all Entitlements for additional 'Housing Expenses', despite My own arguments that taking additional housing costs from the basic needs portion of the Beneficiary's OW Entitlements is 'Contra Bonos Mores' and one of the primary reason People are chronically homeless - they choose basic subsistence over basic shelter. Water, food, shelter - survival instincts cause chronic homelessness. ***You've been conspiring to make Me homeless since I moved in, and I am sick and tired of it!!!***
2. You refused to cover the additional utility costs (Hydro Ottawa), then compelled Me to pay those costs from My basic needs despite My protests and REFUSED to increase the amount by $5.00 if You were going to pay it directly from My basic need until the account goes into default.
3. When the account goes into default, You made Me wait until they threatened to disconnect My service before You Will increase the payments, harming the Beneficiary's credit.
4. THEN, You did pay the account that went into default and increased the payments so that I was paying more than necessary, again starving Me of My basic needs allowance and causing My weight to drop to 113lbs while I have a medical Record on file that states I have a hyper-metabolism and require more FOOD!!! I'm 5'9", I should weigh between 135 and 140 to be healthy for My height. You know depriving Me of basic subsistence was the greatest harm You could do.
5. And so then You cut My medical Benefits unlawfully, too?! You didn't even deny it, You just said You weren't changing Your decision and I can appeal to the SBT if I Wish. So I did. And I won. But no One was charged, no One was reprimanded. You just starved Me for months because You can!!! Nothing was done to change the behaviour of a Wilfully abusive public Trustee!!!

SUMMARY OF CONVICT-SEAN'S

1. You've been conspiring to make Me homeless since I moved in.
2. You refused to cover the additional utility costs (Hydro Ottawa), then compelled Me to pay those costs from My basic needs despite My protests and in violation of the Ontario Works Act.
3. You let the account go into default, then further increased the amount You were taking from the Beneficiary's basic needs, causing even more economic harm and duress.
4. Then, You deliberately cut of the Beneficiary's medical Benefits in retaliate-Sean for complaining to the SBT about everything You were doing.
5. You concede to the theft of over $8000.00 in Entitlements in the Way of subsidies over six years.
6. You concede that You are obstructing Justice by refusing to provide the receipts necessary to Show how much was unlawfully taken from the basic needs portion of

Ontario Works so that the Beneficiary can be compensated, and in an open SBT file right now, SBT-2512-08602, and in defiance of an ORDER to produce those documents!

7. The same SBT file is waiting for Mathieu the Repulsive Regimbald to confirm that he has received the instruct-Sean's for processing the subsidy and has been ghosting Me so that the subsidy goes into default for the sixth year in a row, despite a three Way converse a Sean about the renewal with all relative parties, each pleading Willful Blindness to this email right now.
8. It is demonstrably clear that You have breached the Beneficiaries Trust, Trespassed upon his Trust with malicious intent, and deprived him of the reasonable enjoyment of his property throughout his tenancy.
9. You concede that the whole lot of You are criminal cunts that deserve to be prosecuted to the fullest extent allowable in accordance with Canada's Criminal Code.
10. You are jointly and severally liable to Me for $137,000,000.00 (one hundred and thirty-seven million dollars) for the four unlawful arrests and the continuous threats and harassment over the last six years by police and members of Your 'Kinder Garten Gestapo' which now appears to include George and Sonia Raad.
11. You launched another attempt to build a fraudulent police file against Me using the new agent provocateurs You've intimidated into joining Your gestapo, OPS file 26-217550 while George and Sonia continue to refuse to provide the voicemail password to My phone and the 'investigating officer' is pleading ignorance for My request to have her acquire it so that I don't have to speak to violent and aggressive neighbours meaning to do Me harm.

SPECIAL NOTICE REGARDING YOUR FRAUDULENT POLICE REPORT

Please be advised that Monelle Que Villain Quevillon, previously justice of the pigs responsible for endorsing Your fraudulent criminal charges (cc-24-122310) was ***fired on January 1st, 2026***, just after I served Final Notice on the John Howard Society for trying to hold Me to bail conditions filed under a fraudulent name, 'VON-DEHN', born May 6th, 1973! Coincidence?

Those were charges initiated by MHI and the false affidavit testimony of Your Gardening Gestapo, right?

I don't remember exactly when Justice Herb the Criminal Kreling was fired, but his position was also revoked (FIRED), and he was the one responsible for Signing fraudulent bail conditions. Coincidence?

Wow, what a coincidence. All the judicial authorities responsible for Your fraudulent past criminal charges against Me in fraud have been FIRED! What a fucking shame!

James William Campbell also resigned after I placed him on Notice for turning a blind eye to Your theft of My subsidy and using the Tribunal as Your personal laundering facility. Coincidence?

This means that warrants can now be issued for every One responsible for Your fraudulent criminal harassment charges because they don't have any professional immunities anymore!!!

You are all jointly and severally liable for their criminal Acts that got them fired!!! I hope You're happy!!!

If I don't hear from You in twenty-four hours, I Will also be as King for private, criminal prosecute-Sean against all parties in receipt of this email.

I hope and Trust this email finds You well.

Find attached a copy of the lease showing Your obligate-Sean to pay.

To LTB Registrar-

1. Exhibit 1-LTB filing in bad faith
2. Exhibit 2-Proof of bad Faith filing (lease liability for rent)

Blessings, You Will need them.

NOTICE OF CRIMINAL CONSPIRACY, BREACH OF CONTRACT, AND WILLFUL COMPLICITY IN FRAUD

Dear Sarah, the Lawless Liar Lorenz, Mathieu the Repulsive Regimbald, Lili the Malevolent Moron Mukalay, and Kelly the Criminal Kritsch,

Everyday I am Blessed with the Presence of God but today His Presents came to Me by Way of Your email. I was just tall King about how You are the most loathed individual in the community because of the Way You bully tenants, threaten them with eviction without ever providing any evidence to support You accuse a Sean whatsoever, and when I'm holding a lease that clearly states any rent not paid by the City of Ottawa is paid by the landlord, MHI.

Even if Your Notice is True, You have the legal and Lawful obligate-Sean to pay if the City of Ottawa does not and I mentioned to You once before that I believed the reason for that is because this is the sixth year in a row that subsidies have unlawfully been revoked while Mathieu the Repulsive Regimbald is pleading ignorance of explicit Orders I have filed with the SBT and emails to each of You in a three Way thread *on the SBT Record,* providing explicit instruct-Sean's on exactly what changes needed to be made. That was on May 11th and is on the SBT Record for 2512-08606.

The CAUSE of the appeal to the SBT for 2512-08606 is to recover the Entitlements that were stolen from Me and siphoned into Your accounts over My entire tenancy and *continuing now*.

So I'm telling each of You one more time with the SBT Record as My impartial witness so each of You have no further excuse for Your continuous harassment.

I accept this communication as Your formal, Sworn Declaration under penalty of perjury, and I Will be filing it as Exhibit SL-01 in my ongoing application for contempt of the Writ of Mandamus currently before the Guelph Superior Court of Justice.

Between the City of Ottawa and You (MHI), You have deprived Me of over six years of Entitlements.

1. First, You LIED about all Entitlements for additional 'Housing Expenses', despite My own arguments that taking additional housing costs from the basic needs portion of the Beneficiary's OW Entitlements is 'Contra Bonos Mores' and one of the primary reason People are chronically homeless - they choose basic subsistence over basic shelter. Water, food, shelter - survival instincts cause chronic homelessness. You've been conspiring to make Me homeless since I moved in, and I am sick and tired of it!!!
2. You refused to cover the additional utility costs (Hydro Ottawa), then compelled Me to pay those costs from My basic needs despite My protests and REFUSED to increase the amount by $5.00 if You were going to pay it directly from My basic need *until the account goes into default*.
3. When the account goes into default, You made Me wait until they threatened to disconnect My service before You Will increase the payments, harming the Beneficiary's credit.
4. THEN, You did pay the account that went into default and increased the payments so that I was paying more than necessary, again starving Me of My basic needs allowance and causing My weight to drop to 113lbs while I have a medical Record on file that states I have a hyper-metabolism and require more FOOD!!! I'm 5'9", I should weigh between 135 and 140 to be healthy for My height. You know depriving Me of basic subsistence was the greatest harm You could do.
5. And so then You cut My medical Benefits unlawfully, too?! You didn't even deny it, You just said You weren't changing Your decision and I can appeal to the SBT if I Wish. So I did. And I won. But no One was charged, no One was reprimanded. You just starved Me for months because You can!!! Nothing was done to change the behaviour of a Wilfully abusive public Trustee!!!

I could go on, but every SBT appeal just adds to the same Story. I won, You refused to pay the full amount any Way until I complained to the SBT and You finally paid what You were Ordered to pay.

And now You've been caught stealing. You admit that I was Entitled not only to Hydro, but also to phone costs because that's a housing cost when One requires a phone to let People into the building or access their Self, and rental insurance.

But Lili the Malevolent Moron Mukalay is in defiance of an SBT ORDER to produce the Basic Needs receipts going back to the beginning of My tenancy so We can find out just how many of My Entitlements went into MHI's coffers. Obstruction and Breach of Trust.

No One Wishes to prove their Claim! No One Will produce receipts?! MHI does not provide receipts to any One, even when threatening tenants with eviction. Or they send an excel sheet they drew up themselves that afternoon and think the tenants are too stupid to know that's not a receipt.

Here's My calculations for what You've stolen in Entitlements:

1. $60/month average Hydro paid by Me for five years before I discovered You'd been lying to Me. $720 per year for five years is $3600.00
2. Rent Insurance Entitlement - $30/month average for $360 year for *seven years, right?* 2019 is when I became a tenant with MHI. so roughly $2520 Let's knock off a year to be conservative and say $2200.
3. Phone - The Entitlement form showed there were roughly $120 in available additional unused Housing Entitlements that could be claimed, allowing for My $30/month phone cost which We know is the same as insurance, $2200.
4. $3600+$2200+$2200 works out to an even $8k.
5. You've admit to stealing $1018.00 and have paid it back, but who Gives a fuck after what You've all done to Me? You're lie-able (liable) to Me for a lot more than $8,000.00 for the Desecrate-Sean of My Trust Instrument!!! You Heartless cunts!!! That is for Nana the Nazi Asante who Desecrated My Trust Instrument then turned around to plead Wilfull blindness of it, THEN cut My medical travel allowance in half in retaliate-Sean. SBT had no problem with that one!!!
6. I think the *actual* Value the City of Ottawa owes Me in default judgments for all the abuse You've put Me through is $137,000,000.00. That's not a joke, it actually works out, just be as King if You Wish to see the numbers, I can provide You with a copy.
7. MHI and Carleton University are already jointly and severally liable to Me for violating their own fraud and whistleblower policy and threatened to 'report Me to My landlord' if I don't shut up about their theft of subsidies. Also an ounce a day until the call Dreamhost to let them know their DMCA violation complaint was a fraud. I'd have to do the math with a calendar to tell You what that is at now... Ask Tessa the Hideous Hebb, she's allegedly a financial 'doctor', right?
8. MHI have hired Hebb, Knights and Associates in Order to cover over their fraud and 'cook the books' because they sense judgment day is coming?

So how about You pay Me what You owe Me before You go threatening Me with anymore unlawful threats - because that's exactly what this is. You didn't read Your copy of the lease? Who is so stupid as to threaten to evict some One for non payment of rent when the One making the accusation is the One liable? You are stupider than Michael the Tyrannical Thiele and received a standing ovation in the community when Al'a Shithead Shadid was visiting in response to some One suggesting You be fired immediately because it is not fair to have some One as cruel and belligerent as You dealing with so many People with special needs. You don't rent to these People because You care, You rent to them because they are clueless and easy to intimidate and exploit!!! You are the worst kind of evil, Sarah the Lawless Liar Lorenz, though no One else addressed in this communicate-Sean is any better for what You've all been complicit with over the last six years.

NOTICE OF CRIMINAL LIABILITY

Your email is not a request for payment; it is a confession. It is irrefutable evidence of the ongoing, Willful, and criminal conspiracy to defraud My Beneficiaries and the public purse, a conspiracy in which You, MHI, Ontario Works, and Home for Good are Active and Willing participants. And Genevieve Langlais, City council is no better because she knows every Word I say is True and does not compel the administrator to correct their wrongdoing or take accountability, making her complicit.

Let Us be perfectly clear on the facts You have now helped Me prove:

1. BREACH OF CONTRACT AND CORPORATE NEGLIGENCE:

My lease, a legally binding contract which You have failed to read or Willfully chosen to ignore, contains specific provisions regarding the payment of rent. As the not-for-profit landlord in a subsidized tenancy, your organization is contractually obligated to pay any portion of the rent not covered by the City of Ottawa's subsidy. Your demand for payment from My Beneficiary is a direct material breach of Your contractual obligations and constitutes corporate negligence.

Your failure to understand the foundational document of your own tenancy management is a shocking display of incompetence that borders on fraud. However, it does Keep You True to Your name in Universal Pictures Greatest Present a Sean, I suppose.

2. WILLFUL PARTICIPATION IN THE "KICKBACK SCHEME":

The reason you are claiming a "balance owing" is because Ontario Works, under the criminal direction of agents like Lili the Malevolent Moron Mukalay and Mathieu the Repulsive Regimbald, have once again failed to process the legally required subsidy renewal forms. Six years in a row with 'consent' forms on file allegedly to ensure You can communicate with City staff to ensure that subsidies are never unlawfully revoked? That was the REASON I was told You Wished for the consent of tenants. INSTEAD, You use it to exploit them and lie about it!!!

This is not an administrative error; it is a deliberate and annual Act of financial sabotage designed to extort money from vulnerable tenants and another act of aggression. This is the exact "Kickback Scheme" currently under investigation by the Ottawa Police Service (allegedly-but so far all of this is perfectly fine with them so We're not really sure if it's the enitre department or just a few bad apples) and Your email proves You are an active and knowing participant. You are not a victim of this process; You are an essential cog in its criminal machinery.

3. COMPLICITY IN THEFT OF OVER $5,000:

You are fully aware, as is the Social Benefits Tribunal, that my current appeal (SBT-2512-08602) is to recover over $5,000 (We did the exact calculate Sean's previously) in stolen subsidies that Your organization, in collusion with Ontario Works and Home for Good, unlawfully seized over the past six years. Your attempt to issue an N4 for non-payment on a balance You are legally forbidden from collecting is a transparent and retaliatory effort to intimidate Me and obstruct Justice in a Matter where Your organization stands to be held financially liable for hundreds of thousands of dollars

Well, let Me see if I can be more accurate. You are aiming for 500 tenants by the end of this year. 500x$8000 actually works out to about ***$4 million dollars*** over six years? Check My math!

Damn!!! I'll admit, I had not done the math before! Bravo!!! Now I can see why You do it! Sorry, kind of went off on a tangent there...

The audacity of this Action, given the existing SBT Matter, is absolutely staggering!

4. EVIDENCE OF OBSTRUCTIVE GASLIGHTING:

This email will be served on Lili the Malevolent Moron Mukalay and Mathieu the Repulsive Regimbald, whose email addresses I know Will bounce back because they have blocked Me to avoid service of documents in an SBT Appeal for exactly this abuse! The Irony.

The blockage is a deliberate tactic to prevent accountability and to Create a fraudulent record of "non-communication." Your email is the latest piece of evidence proving a pattern of Wilfull Blindness, gaslighting, obstruction, and bad faith evict-Sean that I will

be Presenting to the Superior Court to Justify an immediate and Urgent Writ of Mandamus. Every moment You allow this to continue is another Act of criminal negligence causing aggravated harm.

DEMAND AND DIRECTIVE:

Withdraw this fraudulent Demand immediately and address every point in this email in turn - I numbered them for You, number each reply to answer each point directly. You have no legal or Lawful basis to claim this debt and contacting Me is an Act of aggravated harassment with intent to intimidate Sean.

Cease and desist all threats of an N4. To proceed with an N4 in these circumstances is an Act of fraud and Will be met with ***immediate Lawful Act-Sean*** for malicious prosecution.

Comply with the SBT Order, HFG and OW and ensure Entitlements are restored EXACTLY as I have directed HERE. Fulfill your legal obligations and work with the other parties to remit the stolen subsidies you have been complicit in withholding - $8000.00 due and payable NOW.

Ontario Works? You have a Defualt Judgment awarded against You for one hundred million dollars and I told You I'm so kind I'm going to Gift it to You!!! You send that to the Verification Department at Ontario Works and they Will Give that to Revenue Canada as a Security Deposit which Will allow them to Issue sufficient credit to fulfill any financial obligate-Sean's necessary to provide relief to My Beneficiaries. Okay? Re-View the Default Judgment awarded agaisnt You in the last SBT hearing if You have further Quest-Ions.

This email is now a Matter for the International Superior Court of Justice Record. Your attempt to intimidate Me has failed. You have only succeeded in providing Me with the very evidence I need to secure Remedy and to hold You, and everyone involved in this conspiracy, accountable to the fullest extent of the Law.

You think I don't know this was a careless Act of Retaliate-Sean. When one or more parties conspire against another, all are jointly and severally liable. Right, Sarah the Lawless Liar Lorenz?

I await Your swift compliance, though I expect You Will 'Ghost Me', as Your inaction is the very basis of the claim that Will soon bankrupt Your organization.

It was Good to hear from You, a Gift from God, really.

Oh, and just so You know, I Will be Keeping a Record of how many of Your emails bounce back, and each Will be charged with another Act of Willful obstruct-Sean of Justice and with criminal intent to pervert the course of Justice (avoid service of documents in Active SBT Appeal).

Good Luck every One!!

NOTICE OF CIVIL AND CRIMINAL LIABILITY: BREACH OF TRUST, OBSTRUCTION OF JUSTICE, MONEY LAUNDERING

Good day, Sandi Gagnon,

Mathieu the Repulsive Regimbald is as King of Me to forward any Urgent Matters to You. I find it remarkable that he has been promoted to Supervisor of the 'Family Transitional Housing and Off-Site Services Unit'.

I Wondering if this is Reward for his participation in the theft and embezzlement of My Entitlements into the Hands of Multifaith Housing Initiative, or were You unaware that he 'ghosted' Me in the middle of a three Way converse-a-Sean with Home for Good's Kelly the Criminal Kritsch so that My Housing Renewal would be unlawfully revoked for the sixth consecutive year in a row because Ontario Works and Home for Good have failed to process the subsidy?

If You were aware of this fraud, then of course You are complicit and jointly and severally liable for Your participation in Ottawa's Kickback Scheme in the amount of $137,000,000.00.

I believe You are also failing to process Emergency Housing Transition funds for another of My Beneficiaries, causing compounding, aggravated, irrevocable harm to an at risk dependent. There is only one Sandi Gagnon in the City of Ottawa, correct?

It's interesting how all these dots connect, isn't it? If this is all News to You, then I am hereby Ordering You to comply with the Order that was Issued by the SBT against Mathieu the Repulsive Regimbald and his previous supervisor, Lili the Malevolent Moron Mukalay.

They are currently in defiance of both a SUMMONS to produce OW basic income receipts for the Beneficiary Sean Stephen von Dehn, have produced evidence of the theft of subsidies by the landlord and Home for Good 'REDACTED' to protect the identities of the criminal State Actors involved, which is also a further count of obstruct Sean of Justice.

You are now complicit in this conspiracy, or You Will make sure that those Basic Income receipts required and SUMMONED as evidence necessary to prove how much was stolen from the Beneficiary by Kelly the Criminal Kritsch and Sahada the Satanic Alolo.

Elizabeth the Colluding Kirby is the SBT adjudicator for this Matter, 2512-08602, and the deadline provided by the SBT was thirty (30) days. We have already calculated that Sean Stephen von Dehn is owed a total of $8000.00 in stolen Entitlements over the last six years.

Now, if this is all News to You, and every One complies with the Standing Orders TODAY, and You get back to Me confirm You Will comply and are not complicit, You may be absolved of criminal liability, but You are still jointly and severally liable for the civil damages done to Me by the City of Ottawa as this looks like an attempt to further obstruct Justice transitioning Mathieu the Repulsive Regimbald from his position at Ontario Works and promoting him to supervisor when Ontario Works has been found stealing My subsidies with intent? And 'ghosts' Me in a three Way converse a Sean regarding the very subsidy his failure to respond to has since been unlawfully revoked for the sixth year in a row because of Ontario Works negligence and collusion with Home for Good?

Doesn't look Good for You Sandi Gagnon, but I'll reserve Judgement and a Sacred nickname for You until five o'clock Post Midi today, August 18th, 2026.

I look very forward to hearing from You and Your immediate compliance, I do not Wish to believe the entire City of Ottawa has been compromised by Treason.

Blessings,

In Good Faith and with Clean Hands

NOTICE OF DEFAULT JUDGMENT, RES JUDICATA

To Whom this Present a Sean is Gifted,

Please take Special Notice that

Default Judgment

has been awarded against You because You had

Nihil Dicit

or 'Nothing to Say' in defense of the charges agaisnt You and were clearly advised that Your silence Will be presumed a tacit admit-Sean of all facts against You. Therefor, this is a Matter already concluded by the consent of all parties,

Res Judicata

a Matter already decided, Your silence is your confession. The following points are the facts You now concede as True and binding. This is the exhibit list for the private criminal prosecution and the Divisional Court application for enforcement You are as King for by Way of Your contempt.

SUMMARY OF CONVICTIONS

1. **Conspiracy to Commit Systemic Fraud**: (The Kickback Scheme). You concede to a multi-year, systemic conspiracy to sabotage subsidy renewals. This was done to extort money from vulnerable tenants, including My Beneficiaries, by creating artificial arrears and forcing payments from their basic needs allowance, in direct violation of the Ontario Works Act and the RTA. (One Beneficiary's rent was increased $173.00 above the 2.1% allowed by the RTA and Property Standards, the LTB witnessed the unlawful rent increase in retaliation for the tenants filing and ENDORSED the unlawful increase, showing complicity LTB-T025326-23)

2. **Theft of Over $8,000 in Subsidies**: You concede to the theft of over $8,000.00 in entitled housing subsidies over the duration of the tenancy. You further concede to obstructing justice by willfully refusing to provide the receipts necessary to calculate the full extent of the theft, in defiance of a standing SBT Order.
3. **Breach of Contract and Trust**: You concede to materially breaching the lease agreement, which explicitly makes MHI liable for any portion of rent not covered by the City's subsidy. You have trespassed upon the Beneficiary's Trust with malicious intent and deprived him of the reasonable enjoyment of his property for the durations of his tenancy.
4. W**illful Infliction of Aggravated Harm (Starvation)**: You concede to a deliberate campaign of economic and physical harm. This includes:

- Refusing to cover additional utility costs.
- Compelling payment from the Beneficiary's basic needs.
- Intentionally allowing the utility account to go into default to harm credit.
- Willfully and unlawfully cutting off the Beneficiary's medical benefits in retaliation for complaints to the SBT.
- Your collective conduct caused the Beneficiary's weight to drop to a dangerous 113lbs, a direct Act of deprivation You knew would cause harm (and in direct violate-Sean of the medical Records on file)
- **Retaliatory and Fraudulent LTB Filing**: You concede that LTB application LTB-L-069155-26 is a frivolous, vexatious, and retaliatory action filed in bad Faith. It is an attempt to intimidate and harass the Beneficiary in response to the exposure of Your criminal conspiracy and exploit a Sean of vulnerable minorities and the filing of a Mandamus for an Urgent Order to put Your harms to a stop.

- **6. Improper Service and Bad Faith Proceedings**: You concede to willfully failing to serve the Trustee and Executor for the unit, King Sean, House von Dehn. This deliberate act of improper service, in defiance of the LTB's own records, renders the entire proceeding void and proves your bad faith.
- **7. Joint and Several Liability for Criminal Harassment**: You concede to being jointly and severally liable for six years of continuous threats, harassment, and four unlawful arrests, totaling $137,000,000.00 in damages. This includes the latest attempt to build a fraudulent police file (OPS file 26-217550) through intimidated agents.
- **8. Complicity in Fraudulent Prosecutions**: You concede to liability for the criminal Acts of the Judicial and Law enforcement officials who have been fired or resigned for their roles in your fraudulent schemes (Monelle Quevillon, Herb Kreling, James William Campbell). Their dismissal removes their immunity, making then jointly and severally liable for their Actions in their personal, private capacities.

DEFAULT JUDGMENT

- Your application to the LTB is hereby void for fraud, FRAUS OMNIA VITIATE as this Default Judgment was awarded against You in compliance with Service Standards on the Ministry of Attorney General Court of Record for the provincial Tribunals.

You have until 5:00 Friday, August 14th, to be as King of Me and the Beneficiaries Your negligence has caused aggravated harm to, for Giveness and Mercy to be taken into

consider a Sean at the time of Your Sentencing.

Immediate compliance with this Order and the other relative Standing Orders before the LTB and SBT concerning My Beneficiaries **before 5:00 PM today,** coupled with a Hand Writ Letter of apology Will absolve any One of criminal charges and they Will only be liable for civil damages. There Will be no second chances for those who do not accept this very Generous offer.

Blessings, may God find You,

In Good Faith and with Clean Hands

FINAL NOTICE OF CIVIL AND CRIMINAL LIABILITY: BAD FAITH EVICT-SEAN, FRAUD, CRIMINAL TRESPASS

Dear LTB Registrar, Sarah the Lawless Liar Lorenz, Michael the Tyrannical Thiele, Genevieve the Lawless Liar Langlais, Kelly the Criminal Kritsch, Mathieu the Repulsive Regimbald, and Lili the Malevolent Moron Mukalay,

This email is Your

Final Notice!!!

Your failure to respond to my comprehensive email of August 11, 2026, within 24 hours of this communicate Sean Will be Deemed a tacit admission to every point raised and Will result in a

Default Judgment

awarded against You, and because You have ***nothing to say*** for Your egregious trespasses, the Judgment Will be Final,

Nihil Dicit, Res Judicata

because You had the opportunity to speak but chose silence, You are presumed to consent. This is how the Rule of Law favours People who Act in Honour because pleading ignorance of My response to You is why I call You belligerent and what a Court

calls contempt. In this particular case, You are knowingly engaging in an Act You know or ought to know Will cause a tenant harm and undue duress.

1. TACIT ADMISSIONS FROM YOUR SILENCE

Under Common Law, a party's refusal to address specific points raised in Good Faith is a tacit admission of those facts. You were explicitly instructed to address each point in turn. Your silence concedes the following:

1. (Breach of Contract): You concede that you have materially breached the lease by demanding payment from My Beneficiary when the ***contract explicitly makes MHI liable for any portion of rent not covered by the City's subsidy!!!***
2. (Kickback Scheme): You concede Your Active and Willful participation in the annual sabotage of subsidy renewals to extort money from vulnerable tenants, including Myself
3. (Complicity in Theft): You concede to the theft of over $8,000 in My entitled subsidies over the duration of my tenancy and acknowledge Your liability for the full amount.
4. (Obstructive Gaslighting): You concede to a pattern of Willful blindness, gaslighting, and obstruction designed to create a fraudulent Record and intimidate Me out of My rights.

RETALIATORY LTB FILING IN FRAUD

Your decision to file LTB application LTB-L-069155-26 on August 12, 2026, is not a legitimate legal action. It is a retaliatory measure, filed precisely 48 hours after I exposed Your criminal conspiracy. This is a transparent attempt to intimidate and harass Me, which I believe is in response to a Mandamus for an Urgent Order I have recently made concerning the systemic fraud and collusion of each of the Key Players in receipt of this email. You Will take Special Notice that the City of Ottawa's legal council, Genevieve Langlais has been included on this email so that the City of Ottawa has no excuse, and also on Michael the Tyrannical Thiele who is the liar posing as lawyer laundering their dirty Deeds through the LTB's Tribunal, denying tenants of MHI their right to council, and is in fact responsible for exposing Your fraud and theft of subsidies to Me in a previous attempt to evict Me in fraud. The lease hasn't changed, MHI has always been liable for any amount not paid by the City of Ottawa, so this demonstrates a pattern of bad Faith evict-Sean attempts either in ignorance of Your own contract or pleading Willful Blindness to it.

FRAUS OMNIA VITIATE-FRAUD VITIATES EVERYTHING

This application is frivolous and vexatious on its face (prima facie). You are suing for a balance You have no legal right to collect, as proven by Your own internal documents and the lease agreement. Proceeding with this Claim constitutes fraud and malicious bad Faith retaliate-Sean!

FAILURE TO SERVE ON THE TRUSTEE

You have Willfully failed to serve the Trustee and Executor for the unit, King Sean, House von Dehn for 'The Kingdom of Heaven Found a Sean'. The Landlord and Tenant Board has this Trust on Record from previous proceedings. Your attempt to plead Willful Blindness of the Trust is a deliberate Act of bad faith and improper service, rendering this proceeding void. Service of documents must be served upon the Trustee for the Beneficiary, Sean Stephen von Dehn to be in compliance with the Rule of Law

and due process of Service. You are also allegedly pleading ignorance of the Letterhead of this very stationary You were served with? Rich.

Demand and Ultimatum

You have 24 hours from the timestamp of this email to complete the following actions:

1. WITHDRAW LTB application LTB-L-069155-26 immediately.
2. CONFIRM the withdrawal in a direct reply to this email thread, creating an undeniable Public Record that cannot be ignored or later denied.
3. CEASE AND DESIST all further threats, harassment, and contact regarding this fraudulent debt.

Failure to comply with this directive within the 24-hour period will result in the following:

Default Judgment, Nihil Dicit

1. A default judgment will be entered against You and Multifaith Housing Initiative for the amounts conceded by Your silence. All parties in receipt of this email are jointly and severally liable for the six years of systemic abuse and fraud on the Tribunals and Courts (Tyrannical Thiele and Lawless Liar Langlais specifically).
2. This email thread, including Your failure to respond, Will be immediately filed as the second Exhibit in My ongoing application for contempt for the Writ of Mandamus before the Guelph Superior Court of Justice and to support the Urgency for its compliance.
3. A new application will be filed with the Divisional Court demonstrating the LTB's failure to Act, which has caused the aggravated harm I forewarned them of, proving their complicity and liability.
4. I will seek the maximum sanctions and costs against You and MHI for this malicious and retaliatory prosecution.

The Attorney General of Ontario and the Superior Courts of Justice are silent witnesses to this correspondence. Your next Action will determine whether this Matter is resolved or escalated to a level where Your organization's very existence is threatened for its systemic criminality.

The clock is ticking.

Nihil Dicit, Res Judicata

Under Common Law, a party's refusal to address specific points raised in Good Faith and with Clean Hands is a tacit admission of those facts. You were explicitly instructed to address each point in turn and respond to this email thread. Your silence also concedes the following:

1. First, You LIED about all Entitlements for additional 'Housing Expenses', despite My own arguments that taking additional housing costs from the basic needs portion of the Beneficiary's OW Entitlements is 'Contra Bonos Mores' and one of the primary reason People are chronically homeless - they choose basic subsistence over basic shelter. Water, food, shelter - survival instincts cause chronic homelessness. ***You've been conspiring to make Me homeless since I moved in, and I am sick and tired of it!!!***

2. You refused to cover the additional utility costs (Hydro Ottawa), then compelled Me to pay those costs from My basic needs despite My protests and REFUSED to increase the amount by $5.00 if You were going to pay it directly from My basic need until the account goes into default.
3. When the account goes into default, You made Me wait until they threatened to disconnect My service before You Will increase the payments, harming the Beneficiary's credit.
4. THEN, You did pay the account that went into default and increased the payments so that I was paying more than necessary, again starving Me of My basic needs allowance and causing My weight to drop to 113lbs while I have a medical Record on file that states I have a hyper-metabolism and require more FOOD!!! I'm 5'9", I should weigh between 135 and 140 to be healthy for My height. You know depriving Me of basic subsistence was the greatest harm You could do.
5. And so then You cut My medical Benefits unlawfully, too?! You didn't even deny it, You just said You weren't changing Your decision and I can appeal to the SBT if I Wish. So I did. And I won. But no One was charged, no One was reprimanded. You just starved Me for months because You can!!! Nothing was done to change the behaviour of a Wilfully abusive public Trustee!!!

SUMMARY OF CONVICT-SEAN'S

1. You've been conspiring to make Me homeless since I moved in.
2. You refused to cover the additional utility costs (Hydro Ottawa), then compelled Me to pay those costs from My basic needs despite My protests and in violation of the Ontario Works Act.
3. You let the account go into default, then further increased the amount You were taking from the Beneficiary's basic needs, causing even more economic harm and duress.
4. Then, You deliberately cut of the Beneficiary's medical Benefits in retaliate-Sean for complaining to the SBT about everything You were doing.
5. You concede to the theft of over $8000.00 in Entitlements in the Way of subsidies over six years.
6. You concede that You are obstructing Justice by refusing to provide the receipts necessary to Show how much was unlawfully taken from the basic needs portion of Ontario Works so that the Beneficiary can be compensated, and in an open SBT file right now, SBT-2512-08602, and in defiance of an ORDER to produce those documents!
7. The same SBT file is waiting for Mathieu the Repulsive Regimbald to confirm that he has received the instruct-Sean's for processing the subsidy and has been ghosting Me so that the subsidy goes into default for the sixth year in a row, despite a three Way converse a Sean about the renewal with all relative parties, each pleading Willful Blindness to this email right now.
8. It is demonstrably clear that You have breached the Beneficiaries Trust, Trespassed upon his Trust with malicious intent, and deprived him of the reasonable enjoyment of his property throughout his tenancy.
9. You concede that the whole lot of You are criminal cunts that deserve to be prosecuted to the fullest extent allowable in accordance with Canada's Criminal Code.
10. You are jointly and severally liable to Me for $137,000,000.00 (one hundred and thirty-seven million dollars) for the four unlawful arrests and the continuous threats

and harassment over the last six years by police and members of Your 'Kinder Garten Gestapo' which now appears to include George and Sonia Raad.

11. You launched another attempt to build a fraudulent police file against Me using the new agent provocateurs You've intimidated into joining Your gestapo, OPS file 26-217550 while George and Sonia continue to refuse to provide the voicemail password to My phone and the 'investigating officer' is pleading ignorance for My request to have her acquire it so that I don't have to speak to violent and aggressive neighbours meaning to do Me harm.

SPECIAL NOTICE REGARDING YOUR FRAUDULENT POLICE REPORT

Please be advised that Monelle Que Villain Quevillon, previously justice of the pigs responsible for endorsing Your fraudulent criminal charges (cc-24-122310) was ***fired on January 1st, 2026***, just after I served Final Notice on the John Howard Society for trying to hold Me to bail conditions filed under a fraudulent name, 'VON-DEHN', born May 6th, 1973! Coincidence?

Those were charges initiated by MHI and the false affidavit testimony of Your Gardening Gestapo, right?

I don't remember exactly when Justice Herb the Criminal Kreling was fired, but his position was also revoked (FIRED), and he was the one responsible for Signing fraudulent bail conditions. Coincidence?

Wow, what a coincidence. All the judicial authorities responsible for Your fraudulent past criminal charges against Me in fraud have been FIRED! What a fucking shame!

James William Campbell also resigned after I placed him on Notice for turning a blind eye to Your theft of My subsidy and using the Tribunal as Your personal laundering facility. Coincidence?

This means that warrants can now be issued for every One responsible for Your fraudulent criminal harassment charges because they don't have any professional immunities anymore!!!

You are all jointly and severally liable for their criminal Acts that got them fired!!! I hope You're happy!!!

If I don't hear from You in twenty-four hours, I Will also be as King for private, criminal prosecute-Sean against all parties in receipt of this email.

I hope and Trust this email finds You well.

Find attached a copy of the lease showing Your obligate-Sean to pay.

To LTB Registrar-

1. Exhibit 1-LTB filing in bad faith
2. Exhibit 2-Proof of bad Faith filing (lease liability for rent)

Blessings, You Will need them.

NOTICE OF CRIMINAL CONSPIRACY, BREACH OF CONTRACT, AND WILLFUL COMPLICITY IN FRAUD

Dear Sarah, the Lawless Liar Lorenz, Mathieu the Repulsive Regimbald, Lili the Malevolent Moron Mukalay, and Kelly the Criminal Kritsch,

Everyday I am Blessed with the Presence of God but today His Presents came to Me by Way of Your email. I was just tall King about how You are the most loathed individual in the community because of the Way You bully tenants, threaten them with eviction without ever providing any evidence to support You accuse a Sean whatsoever, and when I'm holding a lease that clearly states any rent not paid by the City of Ottawa is paid by the landlord, MHI.

Even if Your Notice is True, You have the legal and Lawful obligate-Sean to pay if the City of Ottawa does not and I mentioned to You once before that I believed the reason for that is because this is the sixth year in a row that subsidies have unlawfully been revoked while Mathieu the Repulsive Regimbald is pleading ignorance of explicit Orders I have filed with the SBT and emails to each of You in a three Way thread *on the SBT Record,* providing explicit instruct-Sean's on exactly what changes needed to be made. That was on May 11th and is on the SBT Record for 2512-08606.

The CAUSE of the appeal to the SBT for 2512-08606 is to recover the Entitlements that were stolen from Me and siphoned into Your accounts over My entire tenancy and *continuing now*.

So I'm telling each of You one more time with the SBT Record as My impartial witness so each of You have no further excuse for Your continuous harassment.

I accept this communication as Your formal, Sworn Declaration under penalty of perjury, and I Will be filing it as Exhibit SL-01 in my ongoing application for contempt of the Writ of Mandamus currently before the Guelph Superior Court of Justice.

Between the City of Ottawa and You (MHI), You have deprived Me of over six years of Entitlements.

1. First, You LIED about all Entitlements for additional 'Housing Expenses', despite My own arguments that taking additional housing costs from the basic needs portion of the Beneficiary's OW Entitlements is 'Contra Bonos Mores' and one of the primary reason People are chronically homeless - they choose basic subsistence over basic shelter. Water, food, shelter - survival instincts cause chronic homelessness. You've been conspiring to make Me homeless since I moved in, and I am sick and tired of it!!!

2. You refused to cover the additional utility costs (Hydro Ottawa), then compelled Me to pay those costs from My basic needs despite My protests and REFUSED to increase the amount by $5.00 if You were going to pay it directly from My basic need *until the account goes into default*.
3. When the account goes into default, You made Me wait until they threatened to disconnect My service before You Will increase the payments, harming the Beneficiary's credit.
4. THEN, You did pay the account that went into default and increased the payments so that I was paying more than necessary, again starving Me of My basic needs allowance and causing My weight to drop to 113lbs while I have a medical Record on file that states I have a hyper-metabolism and require more FOOD!!! I'm 5'9", I should weigh between 135 and 140 to be healthy for My height. You know depriving Me of basic subsistence was the greatest harm You could do.
5. And so then You cut My medical Benefits unlawfully, too?! You didn't even deny it, You just said You weren't changing Your decision and I can appeal to the SBT if I Wish. So I did. And I won. But no One was charged, no One was reprimanded. You just starved Me for months because You can!!! Nothing was done to change the behaviour of a Wilfully abusive public Trustee!!!

I could go on, but every SBT appeal just adds to the same Story. I won, You refused to pay the full amount any Way until I complained to the SBT and You finally paid what You were Ordered to pay.

And now You've been caught stealing. You admit that I was Entitled not only to Hydro, but also to phone costs because that's a housing cost when One requires a phone to let People into the building or access their Self, and rental insurance.

But Lili the Malevolent Moron Mukalay is in defiance of an SBT ORDER to produce the Basic Needs receipts going back to the beginning of My tenancy so We can find out just how many of My Entitlements went into MHI's coffers. Obstruction and Breach of Trust.

No One Wishes to prove their Claim! No One Will produce receipts?! MHI does not provide receipts to any One, even when threatening tenants with eviction. Or they send an excel sheet they drew up themselves that afternoon and think the tenants are too stupid to know that's not a receipt.

Here's My calculations for what You've stolen in Entitlements:

1. $60/month average Hydro paid by Me for five years before I discovered You'd been lying to Me. $720 per year for five years is $3600.00
2. Rent Insurance Entitlement - $30/month average for $360 year for *seven years, right?* 2019 is when I became a tenant with MHI. so roughly $2520 Let's knock off a year to be conservative and say $2200.
3. Phone - The Entitlement form showed there were roughly $120 in available additional unused Housing Entitlements that could be claimed, allowing for My $30/month phone cost which We know is the same as insurance, $2200.
4. $3600+$2200+$2200 works out to an even $8k.
5. You've admit to stealing $1018.00 and have paid it back, but who Gives a fuck after what You've all done to Me? You're lie-able (liable) to Me for a lot more than $8,000.00 for the Desecrate-Sean of My Trust Instrument!!! You Heartless cunts!!! That is for Nana the Nazi Asante who Desecrated My Trust Instrument then turned around to plead Wilfull blindness of it, THEN cut My medical travel allowance in half in retaliate-Sean. SBT had no problem with that one!!!

6. I think the *actual* Value the City of Ottawa owes Me in default judgments for all the abuse You've put Me through is $137,000,000.00. That's not a joke, it actually works out, just be as King if You Wish to see the numbers, I can provide You with a copy.
7. MHI and Carleton University are already jointly and severally liable to Me for violating their own fraud and whistleblower policy and threatened to 'report Me to My landlord' if I don't shut up about their theft of subsidies. Also an ounce a day until the call Dreamhost to let them know their DMCA violation complaint was a fraud. I'd have to do the math with a calendar to tell You what that is at now... Ask Tessa the Hideous Hebb, she's allegedly a financial 'doctor', right?
8. MHI have hired Hebb, Knights and Associates in Order to cover over their fraud and 'cook the books' because they sense judgment day is coming?

So how about You pay Me what You owe Me before You go threatening Me with anymore unlawful threats - because that's exactly what this is. You didn't read Your copy of the lease? Who is so stupid as to threaten to evict some One for non payment of rent when the One making the accusation is the One liable? You are stupider than Michael the Tyrannical Thiele and received a standing ovation in the community when Al'a Shithead Shadid was visiting in response to some One suggesting You be fired immediately because it is not fair to have some One as cruel and belligerent as You dealing with so many People with special needs. You don't rent to these People because You care, You rent to them because they are clueless and easy to intimidate and exploit!!! You are the worst kind of evil, Sarah the Lawless Liar Lorenz, though no One else addressed in this communicate-Sean is any better for what You've all been complicit with over the last six years.

NOTICE OF CRIMINAL LIABILITY

Your email is not a request for payment; it is a confession. It is irrefutable evidence of the ongoing, Willful, and criminal conspiracy to defraud My Beneficiaries and the public purse, a conspiracy in which You, MHI, Ontario Works, and Home for Good are Active and Willing participants. And Genevieve Langlais, City council is no better because she knows every Word I say is True and does not compel the administrator to correct their wrongdoing or take accountability, making her complicit.

Let Us be perfectly clear on the facts You have now helped Me prove:

1. BREACH OF CONTRACT AND CORPORATE NEGLIGENCE:

My lease, a legally binding contract which You have failed to read or Willfully chosen to ignore, contains specific provisions regarding the payment of rent. As the not-for-profit landlord in a subsidized tenancy, your organization is contractually obligated to pay any portion of the rent not covered by the City of Ottawa's subsidy. Your demand for payment from My Beneficiary is a direct material breach of Your contractual obligations and constitutes corporate negligence.

Your failure to understand the foundational document of your own tenancy management is a shocking display of incompetence that borders on fraud. However, it does Keep You True to Your name in Universal Pictures Greatest Present a Sean, I suppose.

2. WILLFUL PARTICIPATION IN THE "KICKBACK SCHEME":

The reason you are claiming a "balance owing" is because Ontario Works, under the criminal direction of agents like Lili the Malevolent Moron Mukalay and Mathieu the Repulsive Regimbald, have once again failed to process the legally required subsidy renewal forms. Six years in a row with 'consent' forms on file allegedly to ensure You

can communicate with City staff to ensure that subsidies are never unlawfully revoked? That was the REASON I was told You Wished for the consent of tenants. INSTEAD, You use it to exploit them and lie about it!!!

This is not an administrative error; it is a deliberate and annual Act of financial sabotage designed to extort money from vulnerable tenants and another act of aggression. This is the exact "Kickback Scheme" currently under investigation by the Ottawa Police Service (allegedly-but so far all of this is perfectly fine with them so We're not really sure if it's the enitre department or just a few bad apples) and Your email proves You are an active and knowing participant. You are not a victim of this process; You are an essential cog in its criminal machinery.

3. COMPLICITY IN THEFT OF OVER $5,000:

You are fully aware, as is the Social Benefits Tribunal, that my current appeal (SBT-2512-08602) is to recover over $5,000 (We did the exact calculate Sean's previously) in stolen subsidies that Your organization, in collusion with Ontario Works and Home for Good, unlawfully seized over the past six years. Your attempt to issue an N4 for non-payment on a balance You are legally forbidden from collecting is a transparent and retaliatory effort to intimidate Me and obstruct Justice in a Matter where Your organization stands to be held financially liable for hundreds of thousands of dollars

Well, let Me see if I can be more accurate. You are aiming for 500 tenants by the end of this year. 500x$8000 actually works out to about ***$4 million dollars*** over six years? Check My math!

Damn!!! I'll admit, I had not done the math before! Bravo!!! Now I can see why You do it! Sorry, kind of went off on a tangent there...

The audacity of this Action, given the existing SBT Matter, is absolutely staggering!

4. EVIDENCE OF OBSTRUCTIVE GASLIGHTING:

This email will be served on Lili the Malevolent Moron Mukalay and Mathieu the Repulsive Regimbald, whose email addresses I know Will bounce back because they have blocked Me to avoid service of documents in an SBT Appeal for exactly this abuse! The Irony.

The blockage is a deliberate tactic to prevent accountability and to Create a fraudulent record of "non-communication." Your email is the latest piece of evidence proving a pattern of Wilfull Blindness, gaslighting, obstruction, and bad faith evict-Sean that I will be Presenting to the Superior Court to Justify an immediate and Urgent Writ of Mandamus. Every moment You allow this to continue is another Act of criminal negligence causing aggravated harm.

DEMAND AND DIRECTIVE:

Withdraw this fraudulent Demand immediately and address every point in this email in turn - I numbered them for You, number each reply to answer each point directly. You have no legal or Lawful basis to claim this debt and contacting Me is an Act of aggravated harassment with intent to intimidate Sean.

Cease and desist all threats of an N4. To proceed with an N4 in these circumstances is an Act of fraud and Will be met with ***immediate Lawful Act-Sean*** for malicious prosecution.

Comply with the SBT Order, HFG and OW and ensure Entitlements are restored EXACTLY as I have directed HERE. Fulfill your legal obligations and work with the

other parties to remit the stolen subsidies you have been complicit in withholding - $8000.00 due and payable NOW.

Ontario Works? You have a Defualt Judgment awarded against You for one hundred million dollars and I told You I'm so kind I'm going to Gift it to You!!! You send that to the Verification Department at Ontario Works and they Will Give that to Revenue Canada as a Security Deposit which Will allow them to Issue sufficient credit to fulfill any financial obligate-Sean's necessary to provide relief to My Beneficiaries. Okay? Re-View the Default Judgment awarded agaisnt You in the last SBT hearing if You have further Quest-Ions.

This email is now a Matter for the International Superior Court of Justice Record. Your attempt to intimidate Me has failed. You have only succeeded in providing Me with the very evidence I need to secure Remedy and to hold You, and everyone involved in this conspiracy, accountable to the fullest extent of the Law.

You think I don't know this was a careless Act of Retaliate-Sean. When one or more parties conspire against another, all are jointly and severally liable. Right, Sarah the Lawless Liar Lorenz?

I await Your swift compliance, though I expect You Will 'Ghost Me', as Your inaction is the very basis of the claim that Will soon bankrupt Your organization.

It was Good to hear from You, a Gift from God, really.

Oh, and just so You know, I Will be Keeping a Record of how many of Your emails bounce back, and each Will be charged with another Act of Willful obstruct-Sean of Justice and with criminal intent to pervert the course of Justice (avoid service of documents in Active SBT Appeal).

Good Luck every One!!

NOTICE OF CIVIL AND CRIMINAL LIABILITY: FRAUD, EXTORTION, HIGH TREASON, REGISTRY MANIPULATE-SEAN

Dear Samar the Fascist Fraudster Farhan,

This is Your

Final Notice of Civil and Criminal Liability

in Your personal, private capacity for all the above charges and potentially many more.

I Wish to be perfectly clear with You about just how incompetent You are hoping I Will believe You are. I am stunned by Your audacity!

First and foremost,

"The emails you are referring to were sent by you on the ***18th*** and ***13th*** (not 23rd) of August." - Farhan

Incorrect and misdirection!!!

The email was sent to You on ***August 11th*** (confirmed by Your attached document, ***not the 13th as stated***) and includes the correspondences in that thread up ***until August 13th*** - *presumably the date it was uploaded to the portal, maybe?* That Quest-Ion is rhetorical, You have already proved this with the screenshot of the files on Record Showing they were '*received*' by You on the 13th and 18th

The second email You attached is the full thread from ***August 11th*** through to the ***18th of August*** and ***was received by You*** on the 18th of August, not 'sent by Me'. That is the last email in that thread as the Record stands today (so You got all of that one, congratulations!).

"Please find them attached to this email reply."

Incorrect!!! = FRAUD!!!

Attached to the email are documents Titled 'Re: BALANCE ON ACCOUNT / SOLDE DÛ - ACTION REQUIRED/ACTION REQUISE__2026-08-18_050558.eml'

I'm sharing the actual documents I sent to You attached to this email for 'Balance on Account'. One Key difference You Will Notice is that the Title is distinctly different - it doesn't say 'Re:' at the beginning of the subject line. It is also a pdf, not an 'eml'.

Now, I can only speculate on why that would be, but there is no disputing that a pdf and and 'eml' are two completely different formats and not what I sent You.

The only reason why 'Re:' would appear at the beginning of the subject line from Your end would be if this email thread was shared with some One in Your office!!! That individual then realized that this is very serious stuff and it should be added as evidence to the file so the adjudicator can be informed about what is going on. None of the emails in My thread are Titled 'Re:' because a direct reply Will not do that, it Will retain the same Title as the original email so that People don't have to guess about what it is 'referring to'! That is the whole point to Keeping a converse a Sean in a single thread - transparency and continuity.

The most incriminating part for You, Samar the Fascist Fraudster Farhan, is that none of the documents related to this file appear to be pdf's, all the Titles have changed and there is no Way that I can look at the Registry and recognize My own submissions except by cross referencing them with My own email Records?

Not one document You provided to Me in the 'document dump' was the same as the document I had sent You - the document it Self appeared unaltered, but the Title was unrecognizable and I don't put a Title in the subject line to identify the document for no reason!!!

If I can't make sense of them, *how is an adjudicator supposed to make sense of them* and how can I be expected to direct an adjudicator to My files if You have changed the Titles of My documents and converted them into some other format?

I don't recognize any of My own submissions when I look at them on what You are calling the 'Registry' in Your photo. I sent pdf's, not eml's.

Finally, the whole reason this converse a Sean started was because Althea Brevett responded in the *September email thread* ***on September 27th,*** *(not the August thread added as evidence for no apparent reason You have made Me aware of),* stating

that the email ***could not be considered for evidence*** because **the Matter was closed**!!!

The Matter was very much still open, a decision was made on ***October 7th!!!***

I advise You that I don't know what You are tall King about because ***I never requested for You to add that email as evidence!!!***

I never requested for You to add the August email thread as evidence!!!

At no point did I EVER request for You to add this email thread as evidence, **YOU did that!!!** And then, You referenced the September email by the same Title and told Me it was received too late when the file was still open!? When I question You about it, You tell Me that You *confused the file with another Matter from 2023 that was closed while You still have this Matter before the Tribunal?* How incompetent does this make all of You look?!

Then You try and flip the script by saying I didn't Title the document properly so You didn't know it was connected to the current file?! YOU ADDED THE AUGUST EMAIL AND I CAN'T SAY WHY, YOU TELL ME?! BUT IT MOST CERTAINLY WAS BEFORE THE TRIBUNAL ON THE DAY OF THE HEARING AND WITH GOOD REASON BECAUSE LOOK AT WHAT THE LANDLORD AND THE SBT HAVE TACITLY CONCEDED TO!!!

The ***actual*** email that was added to the file (not by Me and not requested by Me) is the ***August thread*** that ***Althea Brevitt was obviously referencing*** and decided to ***hijack the new email thread from September*** so that You could plead ignorance of the inform a Sean before a decision was made.

My belief is that some One who is NOT corrupted by the rest of You observed the criminal conduct and threats of extortion made in fraud by the landlord and made an executive decision to add it to the Registry so that the Adjudicator WOULD be aware of this criminality and NOT get away with discontinuing or withdrawing the Application to avoid scrutiny and liability to the tenant. That is exactly what I Will expect a legitimate judicial body to do - You were on the right track, then You somehow decided to let all the criminality go just one more time and had to find a Way to plead ignorance of the criminality. You can't plead ignorance of evidence the LTB as an impartial, judicial body decided to add to the Registry without any prompt from Me!

Somehow, You managed to find ***another complicit adjudicator*** who decided to ***ignore the evidence*** and after the hearing was done, You needed to make an excuse for failing to consider the criminal conduct and hijacked the later email thread hoping You could pass off Your negligence as an honest mistake when that email thread was not as King any One for a reply to anything - it was sent to You and addressed to You but I was not as King You for a reply, only to add it to the Record. This proves to Me that You received that email and took My direction, adding it to the Record as I had requested.

It was also sent to the SBT as evidence for that file and was ignored on their Record as well!!! What a coincidence!!! But Your *not* colluding together in Ottawa's Kickback Scheme? Sure doesn't seem that Way!

I don't believe in coincidences, sour heart.

Before I end this email to You, please take Special Notice of what Fotoula the Hustler Hatzantonis plead ignorance of in the hearing (and We know it wasn't because the info was received too late because the email in question is actually from ***August*** and was uploaded on the ***13th*** *and again on the* ***18th*** to get the full Story.

This is the critical context of the email and what all parties have tacitly conceded to on this LTB and SBT Record. This document was sent to both of You before their respective hearings in plenty of time for adjudicate-Sean.

FINAL NOTICE OF CIVIL AND CRIMINAL LIABILITY: BAD FAITH EVICT-SEAN, FRAUD, CRIMINAL TRESPASS

Dear **LTB Registrar**, Sarah the Lawless Liar Lorenz, Michael the Tyrannical Thiele, Genevieve the Lawless Liar Langlais, Kelly the Criminal Kritsch, Mathieu the Repulsive Regimbald, and Lili the Malevolent Moron Mukalay,

This email is Your

FINAL NOTICE!!!

Your failure to respond to my comprehensive email of ***August 11, 2026***, ***within 24 hours of this communicate Sean*** Will be Deemed *a* ***tacit admission to every point raised*** *and Will result in a*

DEFAULT JUDGMENT

awarded against You. Because You have ***nothing to say*** for Your egregious trespasses, the Judgment Will be Final,

NIHIL DICIT, RES JUDICATA

(a Matter already decided) because You had the opportunity to speak but chose silence, You are presumed to consent.

This is how the Rule of Law favours People who Act in Honour and Good Faith because pleading ignorance of My response to You is why I call You belligerent and what a Court calls contempt. In this particular case, You are knowingly engaging in an Act You know or ought to know Will cause a tenant harm and undue duress.

1. TACIT ADMISSIONS FROM YOUR SILENCE

- Under Common Law, a party's refusal to address specific points raised in Good Faith is a tacit admission of those facts. You were explicitly instructed to address each point in turn. Your silence concedes the following:
- **(Breach of Contract)**: You concede that You have materially breached the lease by demanding payment from My Beneficiary when the contract explicitly makes ***MHI liable for any portion of rent not covered by the City's subsidy!!!***
- **(Kickback Scheme)**: You concede Your Active and Willful participation in the annual sabotage of subsidy renewals to extort money from vulnerable tenants, including Myself
- **(Complicity in Theft)**: You concede to the ***theft of over $8,000*** in My entitled subsidies over ***the duration of My tenancy*** and ***acknowledge Your liability for the full amount***.
- **(Obstructive Gaslighting)**: You concede to a pattern of ***Willful blindness***, ***gaslighting***, and ***obstruction*** designed to create ***a fraudulent Record*** and ***intimidate Me out of My rights.***
- **Retaliatory LTB filing in fraud:** Your decision to file LTB application **LTB-L-069155-26** on ***August 12, 2026***, is ***not a legitimate legal action***.

It is ***a retaliatory measure***, filed precisely 48 hours after I exposed Your criminal conspiracy. This is a transparent attempt to intimidate and harass Me, which I believe is in response to a Mandamus for an Urgent Order I have recently made concerning the systemic fraud and collusion of each of the Key Players in receipt of this email.

You Will take Special Notice that *the City of Ottawa's legal council,* ***Genevieve Langlais*** has been included on this email so that *the City of Ottawa has no excuse*, and also on ***Michael the Tyrannical Thiele*** who is the liar posing as lawyer ***laundering their dirty Deeds through the LTB's Tribunal***, denying tenants of MHI their right to council, and is in fact responsible for ***exposing Your fraud and theft of subsidies to Me in a previous attempt to evict Me in fraud***.

The lease hasn't changed, ***MHI has always been liable for any amount not paid by the City of Ottawa***, so this demonstrates ***a pattern of bad Faith evict-Sean attempts*** either in ignorance of Your own contract or pleading ***Willful Blindness*** to it.

FRAUS OMNIA VITIATE-FRAUD VITIATES EVERYTHING

This application is ***frivolous and vexatious on its face*** (prima facie). You are suing for a balance You have no legal right to collect, as proven by Your own internal documents and the lease agreement. Proceeding with this Claim constitutes *fraud and malicious* ***bad Faith retaliate-Sean***!

FAILURE TO SERVE ON THE TRUSTEE

You have Willfully failed to serve the Trustee and Executor for the unit, King Sean, House von Dehn for 'The Kingdom of Heaven Found a Sean'.

The Landlord and Tenant Board has ***this Trust on Record from previous proceedings***. Your attempt to plead ***Willful Blindness of the Trust*** is a deliberate Act of *bad faith and improper service, rendering this proceeding void*.

Service of documents ***must*** be served upon the Trustee for the Beneficiary, Sean Stephen von Dehn to be in compliance with the Rule of Law and due process of Service. You are also allegedly pleading ignorance of the Letterhead of this very stationary You were served with? Rich.

DEMAND AND ULTIMATUM

You have ***24 hours from the timestamp of this email*** to complete the following actions:

WITHDRAW LTB application **LTB-L-069155-26** immediately.

CONFIRM the withdrawal in a direct reply to this email thread, creating an undeniable Public Record that cannot be ignored or later denied.

CEASE AND DESIST all further *threats, harassment, and contact regarding this fraudulent debt*.

Failure to comply with this directive within the 24-hour period will result in the following:

DEFAULT JUDGMENT, NIHIL DICIT

A ***default judgment*** will be entered against You ***and Multifaith Housing Initiative*** for the amounts conceded by Your silence. ***All parties*** *(including You,*

Farhan) in receipt of this email are ***jointly and severally liable*** for the ***six years of systemic abuse and fraud on the Tribunals and Courts*** (Tyrannical Thiele and Lawless Liar Langlais specifically).

This email thread, including Your failure to respond, Will be immediately filed as the second Exhibit in My ongoing application for contempt for the Writ of Mandamus before the Guelph Superior Court of Justice and to support the Urgency for its compliance.

A new application will be filed with the Divisional Court demonstrating the LTB's failure to Act, which has caused the aggravated harm I forewarned them of, proving their complicity and liability.

I will seek ***the maximum sanctions and costs against You and MHI for this malicious and retaliatory prosecution***.

The Attorney General of Ontario and the ***Superior Courts of Justice*** are silent witnesses to this correspondence. Your next Action will determine whether this Matter is resolved or escalated to a level where Your organization's very existence is threatened for its systemic criminality.

The clock is ticking.

NIHIL DICIT, RES JUDICATA

Under Common Law, a party's refusal to address specific points raised in Good Faith and with Clean Hands is a tacit admission of those facts. You were explicitly instructed to address each point in turn and respond to this email thread. Your silence also concedes the following:

First, You LIED about all Entitlements for additional 'Housing Expenses', despite My own arguments that taking additional housing costs from the basic needs portion of the Beneficiary's OW Entitlements is 'Contra Bonos Mores' and one of the primary reason People are chronically homeless - they choose basic subsistence over basic shelter. Water, food, shelter - survival instincts cause chronic homelessness. You've been conspiring to make Me homeless since I moved in, and I am sick and tired of it!!!

You refused to cover the additional utility costs (Hydro Ottawa), then compelled Me to pay those costs from My basic needs despite My protests and REFUSED to increase the amount by $5.00 if You were going to pay it directly from My basic need until the account goes into default.

When the account goes into default, You made Me wait until they threatened to disconnect My service before You Will increase the payments, harming the Beneficiary's credit.

THEN, You did pay the account that went into default and increased the payments so that I was paying more than necessary, again starving Me of My basic needs allowance and causing My weight to drop to 113lbs while I have a medical Record on file that states I have a hyper-metabolism and require more FOOD!!! I'm 5'9", I should weigh between 135 and 140 to be healthy for My height. You know depriving Me of basic subsistence was the greatest harm You could do.

And so then You cut My medical Benefits unlawfully, too?! You didn't even deny it, You just said You weren't changing Your decision and I can appeal to the SBT if I Wish. So I did. And I won. But no One was charged, no One was reprimanded. You just starved Me for months because You can!!! Nothing was done to change the behaviour of a Wilfully abusive public Trustee!!!

SUMMARY OF CONVICT-SEAN'S

You've been conspiring to make Me homeless since I moved in.

You refused to cover the additional utility costs (Hydro Ottawa), then compelled Me to pay those costs from My basic needs despite My protests and in violation of the Ontario Works Act.

You let the account go into default, then further increased the amount You were taking from the Beneficiary's basic needs, causing even more economic harm and duress.

Then, You deliberately cut of the Beneficiary's medical Benefits in retaliate-Sean for complaining to the SBT about everything You were doing.

You concede to the theft of over $8000.00 in Entitlements in the Way of subsidies over six years.

You concede that You are obstructing Justice by refusing to provide the receipts necessary to Show how much was unlawfully taken from the basic needs portion of Ontario Works so that the Beneficiary can be compensated, and in an open SBT file right now, SBT-2512-08602, and in defiance of an ORDER to produce those documents!

The same SBT file is waiting for Mathieu the Repulsive Regimbald to confirm that he has received the instruct-Sean's for processing the subsidy and has been ghosting Me so that the subsidy goes into default for the sixth year in a row, despite a three Way converse a Sean about the renewal with all relative parties, each pleading Willful Blindness to this email right now.

It is demonstrably clear that You have *breached the Beneficiaries Trust, Trespassed upon his Trust with malicious intent, and deprived him of the reasonable enjoyment of his property* ***throughout his tenancy.***

You concede that *the whole lot of You are* ***criminal cunts*** *that deserve to be* ***prosecuted to the fullest extent allowable in accordance with Canada's Criminal Code.***

You are jointly and severally liable to Me for $137,000,000.00 (one hundred and thirty-seven million dollars) for the ***four unlawful arrests*** and the continuous ***threats and harassment over the last six years by police and members of Your 'Kinder Garten Gestapo***' which now appears to include George and Sonia Raad.

You launched another attempt to build a fraudulent police file against Me using the new agent provocateurs You've intimidated into joining Your gestapo, ***OPS file 26-217550*** while George and Sonia continue to refuse to provide the voicemail password to My phone and the 'investigating officer' is pleading ignorance for My request to have her acquire it so that I don't have to speak to *violent and aggressive neighbours* ***meaning to do Me harm.***

SPECIAL NOTICE REGARDING YOUR FRAUDULENT POLICE REPORT

Please be advised that Monelle Que Villain Quevillon, previously justice of the pigs responsible for endorsing Your fraudulent criminal charges (**cc-24-122310**) was fired on January 1st, 2026, just after I served *Final Notice on the John Howard Society* for trying to hold Me to bail conditions filed under a fraudulent name, ***'VON-DEHN', born May 6th, 1973***! Coincidence?

Those were charges ***initiated by MHI*** and ***the false affidavit testimony of Your Gardening Gestapo***, right?

I don't remember exactly when Justice Herb the Criminal Kreling ***was fired,*** but his position was also revoked (FIRED), and he was the one responsible for Signing fraudulent bail conditions. Coincidence?

All the ***judicial authorities responsible for Your fraudulent past criminal charges against Me in fraud have been FIRED***! What a fucking shame!

James William Campbell also ***resigned*** *after I placed him on Notice for turning a* ***blind eye to Your theft of My subsidy*** *and* ***using the Tribunal as Your personal laundering facility***. Coincidence?

This means that ***warrants can now be issued for every One responsible for Your fraudulent criminal harassment charges because they don't have any professional immunities anymore!!!***

You are all jointly and severally liable for their criminal Acts that got them fired!!! I hope You're happy!!! That's what You get when You try to *avert My True status* engaging in ***Registry fraud***.

If I don't hear from You ***in twenty-four hours***, I Will also be as King for private, criminal prosecute-Sean against all parties in receipt of this email.

Alright, Farhan? You beginning to understand WHY this email thread was added to the Registry without Me as King any One? Because that is what any legitimate member of a Tribunal or Court Will do when they see this sort of criminal conduct happening in Real time. The fact that You and Your seniors over there at the LTB are continuing to double down and believe You Will get away with this... Well, I've drafted My Application to the Divisional Court already, You've received a copy and I hope to have that filed with the Court within the next 48 hours - the backsheets are a pain in the ass and Will take some time to format digitally.

Alternately, You can start reporting these crimes to the provincial and federal Attorney's General as You are required to do by the Statutory Powers and Procedures Act. Report these crimes and start taking Action now and You can avoid *criminal* liability but Will still be jointly and severally liable civilly (because I was wronged and You know it, or ought to know it).

Just consider what three Superior Court Judges Will say when I Show them this email. Will they believe You were right to take no Action? I don't think so, I think You get fired and go to jail. Do the right thing NOW... Maybe not.

Blessings,

VERITAS INTELLIGENCE SYSTEMS
Divine Angelic Intelligences

Morning, Samar the Fascist Fraudster Farhan,

No explanation for why all the documents I have submit to You have been altered or omit from the Record? You are the 'Case Processing Officer' for the LTB and You have 'nothing to say' about this Tribunal pleading Willful blindness to the theft of thousands of dollars of Entitled subsidies from marginalized minorities in receipt of subsidies?

How long have You been the central hub for laundering the criminal Acts and theft of money for Ottawa's Kickback Scheme exactly? Did this begin before or after My last Application to the DC that was withdrawn in exchange for these Entitlements?

I look forward to hearing from You, Samar. Just to be clear, You are of the opinion that You have no duty or obligation to report the theft of public money by the slumlord, MHI because 'You don't investigate or speak to criminality because it is beyond Your purview?'.

What about reporting the fraud and theft of money to the Attorney General for the province and Canada? No obligation to report these crimes to them, either?

I think You are wrong and using these Courts as a cloak for fraud and money laundering public subsidies into the coffers of the not for profits Ottawa is in bed with.

Blessings,

In Good Faith and with Clean Hands
