NOTICE OF PROTEST AND NON-CONSENT TO JURISDICTION

To: ltb@ontario.ca

And to: NCQ-AQC.Toronto@justice.gc.ca, clbsupport@ontario.ca, Jonathan.Samuels@ontario.ca,

To the Landlord Tenant Board, the Attorney General of Ontario, the Attorney General of Canada, and respondent landlord.

1. Notice of Standing and Capacity: This correspondence serves as formal, preliminary notice that the Respondent, Sean von Dehn, enters these proceedings strictly in a sui juris capacity. The Respondent maintains an inherent lawful standing and authority that is independent of, and outranks, the commercial and administrative mechanisms of this tribunal and its corrupted members pleading willful blindness to criminal Acts on the LTB Record. No legitimate judicial body pleads willful blindness to criminal trespasses and the laundering of public money.

2. Protest of Jurisdiction: The Respondent formally objects to and protests the jurisdiction of the Landlord and Tenant Board regarding active files. The Board has committed fundamental errors in Law and fact across parallel file paths, including the generation of legally untenable orders (such as Multifaith Housing v Von Dehn, 2026 ONLTB 76137, which claims a *respondent tenant* discontinued an *applicant landlord's file*) and the administrative fragmentation and misassociation of timely evidence (attached)
3. **Endorsement of Unlawful Acts**: This notice formally protests the Board's ongoing administrative shielding and endorsement of the applicant landlord's documented violations of the Residential Tenancies Act, 2006, including systemic accounting fraud, bad-faith filing tactics, and economic extortion and exploitation, carried out with apparent institutional impunity.(Attached)
4. **Opportunity to Correct and Respond**: In accordance with the lawful principles of the common law, this preliminary notice provides all served bodies and respective authorities a clear opportunity to review the Record, correct the administrative wrongdoings detailed herein, or formally protest any statement of fact I've made. Silence or a failure to dispute these facts on the record constitutes a *tacit concession to the Truths presented*.
5. **Preservation of the Record**: This transmission is sent as a formal preliminary measure. It will be explicitly referenced in and appended to the Notice of Constitutional Question (Form 4C) currently being compiled under section 109 of the Courts of Justice Act. This email, along with its full transmission metadata and any replies or lack thereof, will be attached as an exhibit to the formal Affidavit of Service to establish an unalterable, synchronized public record for subsequent judicial review before a competent court of competent jurisdiction.

It is not believable that so many individuals representing a Trusted judicial body People rely on for remedy from corrupt, exploitive slumlords can plead Willful blindness to such blatant examples of fraud and bad faith filings by the slumlord MHI. One or two might demonstrate such incompetence, but when it's every One, it's collusion and money laundering. All individuals pleading Willful Blindness to the context of the email thread attached Will be presumed complicit in their personal, private capacity and deprived of their professional immunities for malicious breach of public Trust. This is Your opportunity to correct Your wrongdoings in Good Faith.

Blessings,

In Good Faith and with Clean Hands
