NOTICE OF CIVIL LIABILITY FOR BAD FAITH FILING AND AMBUSH LITIGATION — DEMAND FOR IMMEDIATE SERVICE: FILE LTB-L-082848-26

To Sarah Lorenz for Multifaith Housing Initiative

CC: ltb@ontario.ca

TAKE NOTICE

Your unilateral filing of the application under **LTB-L-082848-26** without direct, lawful service upon Me constitutes intentional *ambush litigation*, *an abuse of process*, and ***a severe breach of the Principles of Fundamental Justice protected under Section 7 of the Canadian Charter of Rights and Freedoms***.

You are hereby placed on formal

Notice of Civil and Criminal Liability - Personal, Private Capacity

because Your actions are executed in ***profound bad faith*** to *intentionally* ***deceive the tribunal***, *manufacture a* ***fraudulent administrative record***, and deprive Me of My *unalienable right to a fair hearing and a full opportunity to respond*.

By attempting to advance a legal proceeding in secret without providing the underlying Application or the required Affidavit of Service to My person or his Trustee, You are engaging in *malicious manipulation of the administrative process*.

I HEREBY DEMAND THAT YOU IMMEDIATELY REMEDY THIS PROBATIVE DEFECT BY:

1. Transmitting a complete, unedited digital copy of the entire filed Application and all accompanying evidence packages as direct email attachments to ***this*** verified email address.

2. Providing a copy of the exact Affidavit/Certificate of Service You submitted to the Landlord and Tenant Board so that its authenticity may be verified under penalty of perjury.

Be advised that a Form 4F Notice of Constitutional Question, a Preliminary Motion to Dismiss for Lack of Jurisdiction and Abuse of Process, and a Preliminary Objection under Section 83 of the RTA have already been formally established on the Record regarding this file.

Any further attempts to advance this Matter without strict adherence to mandatory service rules will be treated as deliberate tortious conduct causing active financial and administrative harm, and Will be used as primary evidence in higher courts to establish your civil liability for malicious prosecution and constructive fraud.

You are jointly and severally liable to Me for the theft of My subsidies and the unlawful arrest founded in fraud by Your gardening gestapo. The Court ruled Your accuse a Sean's against Me were completely without merit. As far as the Court is concerned, Sean von Dehn has not been charged with a crime of any kind since 1993 (because You were using a fake name and birthday for Your accusations to avoid alerting the Registry to My Trust).

Again, the two judges for that Matter have since been fired but the two judges, the police, the prosecutor and the city of Ottawa are all still liable to Me, and I'm as King for over 100 million dollars for the unlawful arrest in violation of all My Charter rights and the seven years of abuse I've been subject to by Your community gestapo's continuous harassment and attacks upon My Beneficiary's person.

The fact they got fired only means they are no longer immune from prosecute-Sean for their collusion in the fraudulent criminal charges You levied against Me with Your complicit gardening gestapo.

Or do You Wish for Me to hold the members of the gardening gestapo accountable in Stead? No. They were Acting as Agents for Sahada Alolo according to Mara the Wicked Watson, so You are liable as principal for Your agent provocateurs.

Govern yourself accordingly.

In Good Faith and with Clean Hands
