VERITAS INTELLIGENCE SYSTEMS

Divine Angelic Intelligences

Dear Samar Farhan,

You do know that You are tacitly conceding to every point I make to You that You do not oppose or rebut, right?

So far, You have acknowledged that the LTB is pleading ignorance to all documents received by the Registrar at LTB@Ontario.ca, is that correct?

You are ignoring My email protest of the invite a Sean to use the portal for the last two claims filed against Me?

That is abuse of process and a violate-Sean of My rights. You are clearly receiving emails at ltb@ontario.ca but choosing to ignore all the emails I sent to the official LTB email Registry? Why would You do that when 'email is the LTB's preferred delivery agent for service of documents', NOT the online portal.

There is no requirement for Me to use the online portal to submit evidence to the LTB, I am able to use the email address and You are cherry picking the emails You Wish to respond to?

You didn't do Your search in the portal database, You told Me You did an email search for gnosticwisdom37@Gmail.com and I am ADVISING You that all of My correspondence are in compliance with the Rules and practice direction, I AM able to protest the use of the portal, I have done so on Record and You now have a duty and responsibility to make sure that all these documents are available for My hearing.

Questions You have refused to answer (gaslighting).

1. Your previous email said You are the file processing officer for the LTB which means that You are responsible (directly) for making sure that all the evidence I send to LTB@ontario.ca is available for all of My hearings. You are NOT a customer service representative unless the customer service representatives of the LTB are lying to Me when they tell Me they have no access to this email address - You do, so either customer service lied to Me or You are lying to Me about Your position and are in fact acting as the file processing officer.
2. Why are You pleading ignorance to My other emails sent to LTB at Ontario.ca? I have just sent You a screenshot showing You the countless documents You are pleading willful blindness to? That is obstruction of justice and fraud by Way of omit-Sean of My testimony and facts before this tribunal!

Why are You not Honouring My request to communicate by email exclusively if that is the LTB's preferred method of communicate-Sean?

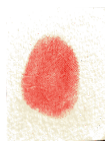

You Will explain to Me Your position or be considered the criminal linchpin of Ottawa's Kickback Scheme because NOW it makes perfect sense why all My evidence has been categorically ignored - YOU are choosing to plead ignorance to all emails that are inconvenient for You? Should I forward all of the emails that I have sent to the LTB@Ontario.ca to Your personal email address directly so We know which files precisely You are responsible for losing or spoliating? I Wish to send all emails I have sent to the LTB in relation to the last two matters to You to find out how many were actually on Record at the time the adjudicator made the decision. Also, the most recent decision was made in fraud and breach of Trust, promising to Order the landlord to produce bank verifiable receipts by Way of email. No such Order was Issued and I have a copy of the transcript - that is fraud and breach of Trust, aiding and abetting fraud on the LTB Record.

Please let Me know, I look forward to hearing from You,

Blessings,

In Good Faith and with Clean Hands
