Dear Linda,

The subject line of this email is My brainstorming Idea for My next blog Post, using Your profile image as the feauture photo and face of Hebb, Knights and Associates as they appear to be such a covert opertation that they don't even have a public facing website? How curious. That's okay, We'll help by making Your face sysnonymous with slumlord exploitation of tenants.

Let Me know if this plan is to Your liking or if You Wish for Your Character to be Cast differently in this Product-Sean?

Rise and shine, the world waits to know Your Divine purpose - to help MHI exploit maginalized minorities, or bring them to justice?

Free Will allows You to engage in 'right' action, or 'wrong' action, which Will You choose?

Have a wonderful morning,
