⚖ FORMAL LEGAL NOTICE ⚖

Dear Linda,

I'm feeling extremely exploited. I honestly and legitimately believed You were Acting in Good Faith but now You won't even return My emails? Was this survey all for Show? The tenants (including My Self) were SO excited because We thought that with Carleton University alumni in the know of these egregious trespasses, surely criminal Will be apprehended.

But You do not appear to be taking any Action? Did You coerce and intimidate Me into participating in a survey under false pretenses? It sure seems that Way, I am feeling used. You took what You Wish from Me, and now You are gone?!

The Claim is already over $100,000,000.00 and if You don't report crimes to police, You are going to be criminally as well as severally and independently liable in accordance with Canadian Law, I ,may sue any of My tortfeasors and You can collect from the rest.

Govern Your Self accordingly, You have until 5:37 today to provide Me with the name of Your supervisor and the REAL purpose of this survey.

Blessings,

Classy,

— King Sean
