NOTICE OF OBSTRUCTION OF ACCESS TO JUSTICE, CRIMINAL CONTEMPT AND ONGOING CHARTER VIOLATIONS, 24.1

Dear Anna Solomon,

The contempt of the LTB 'service' staff is unconscionable. I advise one of Your agents, 'Barbara' (no last name provided) that I am unable to access the portal for the error message shown in the screenshot above sent to the LTB@Ontario.ca Registry.

I have not received confirm a Sean that My filing has been accepted and is on Record, You are obstructing and delaying My access to Justice because My documents must be accepted at the time of filing, not subject to the incompetence of the LTB Registrar's ability to process the Application. Legally and lawfully, My Application is deemed to have been filed on the day it is received by the LTB and must be backdated on the Registry to reflect the correct date of filing, especially when Your third party service providers such as 'Salesforce' are having technical issues that obstruct My access to Justice in violation of My right to remedy for Charter violations.

When I complain to the LTB service agent that My access to the portal is being obstructed and that I have filed by email, they tell Me that the service agents cannot confirm or deny the emails received because they do not have access? How is any service agent supposed to be of service to any One if they have no access to the LTB Registry?

Can You please confirm that My T2 Application has been accepted and filed on the day it was received, or should I add this to My DC application as additional evidence of the incompetence of this tribunal?

I look forward to hearing from You, please find a copy of the phone call of complaint attached. I wish for Barbara's full name for the purpose of liability and for hanging up on Me when I advise her that the LTB is violating My rights by obstructing My access to Justice.

You are liable to Me in this Divisional Court application for the Actions and or incompetence of Your agents.

If You are looking to aggravate the cause of Action for this Application, You are doing a fantastic job. This email Will be part of My evidence package for the DC Application as well as Your reply and or lack thereof.

The Common Law presumes You understand common English and Will apply Your common sense to ensure My T2 Application is filed without further violating My rights and or delaying/obstructing My access to Justice and remedy.

You Will find a transcript of My Call to service agent 'Belligerent' Barbara attached who *hangs up on Me* when I tell her I feel *My access to Justice is being violated* if the only service number can't guarantee My documents are being received?

The audio file was just uploaded to Spotify to Show Canada's People just how incompetent the Tribunals are in the processing of documents and maintaining accurate Registry Records, so please allow for five to ten minutes for the link to be active (sometimes it shows as unavailable for the first few minutes after publishing).

Blessings,

NOTICE OF LIABILITY, PERSONAL, PRIVATE CAPACITY - OBSTRUCTION OF JUSTICE

Dear Jonathan Samuels,

I am NOT even receiving *automated confirmation* of My emails to the LTB Registrar!?! You CANNOT plead ignorance to an email thread of an Application filing You know (or ought to know) has been received by the LTB Registrar and has NOT been uploaded to the LTB portal and have NOT provided Me with confirmation that My fling has been accepted at the time it was filed.

You are literally personally responsible for delaying and obstructing My access to Justice because of Your incompetence pleading ignorance (Wilful blindness) to the Application and Fee waiver *attached to this email thread*?! What kind of belligerent, antagonistic reply is this. Are You really this incompetent, or was the INTENT to harass?

And You are claiming You have the RIGHT to obstruct My access to Justice because Your service agents are ***incapable of accepting My filings by Way of email?!*** There is ***no requirement to use a third party service to have access to Justice and remedy or the LTB (Salesforce)!!!***

*"Please contact Your **Salesforce agent?!** "- see screenshot attached!!!*

Your incompetence and that of Your agents and the technical issues with Your third party application (Salesforce) are *the only reasons My latest filing has not been received.*

In the first email of this thread the new Application, fee waiver and schedule of parties is attached and You are ***PLEADING IGNORANCE OF THIS IN THE SAME EMAIL THREAD!?***

Willful blindness is not a ***legal or lawful excuse*** and this email thread was sent to ***Your legal counsel explicitly (Anna Solomon)*** to address ***Your incompetence and that of Your service agents***.

Have *Your lawyer respond to Me* to tell Me what she is going to do to ensure that My filings of this T2 Application is no longer delayed for no other reason than Your (the LTB's) inability to process My application!!!

Otherwise, You are aggravating this Application to the Divisional Court and infer criminal and civil liability on Your Self without further protest as the individual directly responsible for further obstructing My access to Justice and incompetence in accepting this filing by Way of email.

You are the Registry integrity officer and THIS is how You deal with technical issues delaying filings? THIS is how You respond to a Man who has requested for an accommodation to communicate and accept all documents and filings explicitly by email? Are You REFUSING to accept this filing, Jonathan?

You better fix this, Jon!!!

I Wish for confirmation of My t2 application being accepted along with the fee waiver and schedule of parties form processed TODAY and backdated to the date it was filed with the Registrar in compliance with practice direction related to digital service of documents.

Your incompetence is the Tribunal's liability for which You are now personally responsible for making sure is accurate. I have ***explicitly requested*** to NOT use the online portal for its *continuous technical issues* ***compromising the integrity of the official Registry*** Records and You are REFUSING to accommodate My request?

Ignorance and incompetence is no excuse for the Law and at this point, Your incompetence is indistinguishable from Willful malice.

Blessings,

In Good Faith and with Clean Hands

NOTICE OF LIABILITY, PERSONAL, PRIVATE CAPACITY - OBSTRUCTION OF JUSTICE

Dear Jonathan,

You are responding to My t2 Application telling Me You can't accept My t2 application for what reason precisely?

You can't read the attachments, or is there a problem with one of the attached documents? Or are You just obstructing My access to justice because You are incompetent and not capable of accepting t2 applications by Way of email despite it being the correct address for digital service on this Tribunal?

I need to know specifically why You are refusing acceptance of this filing, this is a new cause of action for My current application to the Divisional Court because Your inability

or unwillingness to process this application is incorrect, unreasonable and a gross abuse of process.

You are hereby served in Your personal, private capacity.

If You hadn't noticed, I'm tired of Your incompetence obstructing My access to Justice.

Dear Jonathan,

I am anxious to receive confirmation that My Application has been accepted. I need to know if You are refusing to accept My filing and I need to know the reason You are refusing acceptance of this filing by Way of email.

No One at the LTB 'service' desk has access to emails, so I am depending on this email thread alone for My reply and do not like being 'ghosted'.

Demonstrate some professionalism and Give Me a straight yes or no, are You refusing to acknowledge My request to communicate exclusively by Way of email and refusing acceptance of this lawful filing?

It's not a complicated question, Jon. I need a reply today or I Will be as King for monetary compensation for aggravating Me. I am feeling very aggravated right now as a result of Your emails.

Blessings.

NOTICE OF LIABILITY, PERSONAL, PRIVATE CAPACITY - OBSTRUCTION OF JUSTICE

Dear Anna Soloman,

If You also 'ghost' this email thread You Will no longer receive Notice of the perfected application, I Will be adding these emails to the DC application and as King for an inference judgement on the DC application showing that You demonstrated nothing but contempt during the perfection of the Application, aggravating the claim and further obstructing justice.

If You are going to bear silent witness to Your own senior agents 'gaslighting' an t2 Application, what right do You have to respond to anything else if You Will silently aid and abet this contempt and abuse of process?

Either You or Jonathan better get back to Me to confirm this application has been filed and accepted by the Tribunal, or it is clear and obvious to any third party that You are obstructing My access to justice - either by design or by Way of gross incompetence.

I'm sick and tired of contemptuous liars posing as lawyers. Honourable People respond to emails and attempt to resolve issues in Good faith. If You are going to aggravate this application, I Will be as King for an inference judgment against You and You Will not receive notice of any further evidence exhibits I intent to present because You are Acting in bad Faith and with dirty hands.

Show My You know how to process an Application sent to the Tribunal by Way of Email to get around technical Issues with Your online portal that are not fault of My own.

NOTICE OF LIABILITY, PERSONAL, PRIVATE CAPACITY - OBSTRUCTION OF JUSTICE

Dear Anna Solomon,

You can't return an email in reasonable time? Are You always this belligerent? Is You Registry integrity officer always this incompetent?

I have filed My application through the online portal because You have been 'ghosting' My application by Way of email and ignoring My accommodation requests. This is how You de-escalated an Application to the Divisional Court, by aggravating the harm and providing Me with demonstrable examples of gross incompetence?

You are unable to process an application sent to You by Way of email? You don't have any One at 'LTB@ontario.ca' competent enough to return an email or even confirm its acceptance? Five days ago I made My application and no One employed with the LTB was competent enough to return My email and confirm the documents had been accepted?

Children demonstrate more competence and contempt than the lot of You.

You don't understand common English, Anna, or do You just like to antagonize Your legal opponents and aggravate the claims against You because You like a challenge?

The lack of competence and professionalism demonstrated by Your highest ranking officers is laughably pathetic.

These emails Will be added as evidence to demonstrate the contempt and incompetence of this Tribunal.

Have a nice day, You incompetent criminal clowns.

I filed through the portal, under duress and with extreme prejudice because You *have demonstrated gross incompetence in Your ability to accommodate My request to file by Way of email*.

Jonathan Samuels responds to My email request to file by Way of email containing all the necessary documents and Your 'Registry integrity officer' doesn't know how to accept a filing by email?

I'd call this Tribunal a joke if there was anything funny about it.
