NOTICE OF HARASSMENT

Mujahid Ahsan,

I have no Idea who You are, but I do not owe any money on the account, I *just* received receipts Showing all accounts are up to date unless You are spending money or billing Me unlawfully for something I didn't request.

Please be Good enough to tell Me why I own $104.00. That is money You have stolen if it is not on the account, or You Will Show what the expense is for. I'm not paying for Your applications to evict in bad Faith and You stated on Record that 'all past rent and filing fees were paid'. Sarah confirmed that was True, then said there was a balance of $698.00 on the account when the receipts she provided to Me Show the account was paid in full.

So pray tell, oh benevolent one, oh what do I owe thee $104.00 for and why am I the only person in the community to not be offered My last month rent deposit back?

Can You answer any of My Questions, or do You just make outrageous claims without showing Your work?

I look forward to hearing Your new string of lies. Any Idea when You Will stop exploiting tenants with unlawful fines in violation of the RTA?

Kaneesha did great yesterday. Your manager assaulted Me with scalding hot coffee by throwing it at the back of My head at community coffee and You need to make that right. That is an undisputed *fact* by three witnesses. That is not professional behaviour. TWICE Kaneesha testified that Sahada Alolo threw her coffee at Me as I was leaving community coffee - that is NOT an Act of self defense, that is an Act of aggression with intent to harm. You owe Me a lot more than $104.00 You arrogant ass.

You harass Me again with accounting demands without showing Me Your actual costs and proper receipts for duration of My tenancy, You Will be charged in Your personal, private capacity for harassment. The lack of professionalism and contempt for the RTA by Your organization is pathetic.

Have a swell day, swindler,

NOTICE OF DEFAULT

Dear Sarah Lorenz and Michaela the Lawless Liar Leeder,

I Will respond to any One in Your organization who sends Me an unlawful economic threat of extortion. You are in no position to be dictating anything. You were found to be coming to the LTB with ***unclean Hands*** in the last dismissal.

You have attempted to ***script all of Your employees*** *with a* ***fraudulent narrative*** under penalty of perjury on the LTB Record accusing Me of assaulting Sahada when You all know it to be a bold faced lie!

Kaneesha folded under pressure in the hearing if You were not there to witness it Your Self and there were a Good number of other tenants in that community room who saw what actually took place.

You assaulted Me and Your 'new' account ledgers have only revealed that much more fraud than You had revealed to Me before and owe Me even more than I previously realized.

You haven't explained anything at all, all payments for rent are Showing as having been received as scheduled.

You are going to pay Me back the money You stole from Me (there are a few thousand more stolen funds this ledger has revealed, thank You - also showing that Your 'overpayment' returned to OW ***was not the complete amount*** and My LMR ***is short***. No reason it should be considering You Show a credit on the account over $2k earlier the same year?

Still no explanation for what the $104.00 is for?

Does Michaela not know that You can't threaten to evict People with unitemized financial demands? Is Michaela pleading ignorance to the RTA or she just an idiot?

Ignorance is no excuse for the Law, Michaela!!!

If You are going to instruct People to Act as Your agent *I am going to respond to them*, especially if they are *uttering criminal threats of extortion* and economic demand based on fraudulent accounting ledgers and ***threatening Me with eviction for failing to comply!!!***

You have some nerve, lady! You are hereby on Notice for criminal harassment and theft of public funds. You know or ought to know what I am Entitled to receive in subsidies and conspired with the City of Ottawa to steal mine and have not yet made Me whole.

The accounting ledger You just provided proves Your theft and the partial repayment, proving irrefutably that You are liable to Me.

If You return what You owe immediately and provide a full statement of entire accounting since the tenant moved in, I Will acknowledge Your Act of Good Faith while We work out exactly how much You and the City of Ottawa are liable to Me for.

If You fail to do that, I Will presume Your Acts were criminal and with intent to launder and exploit and harass the tenant.

You have until this time tomorrow to tell Me what the $104.00 is for and when You are going to make Me whole for the theft of My subsidy. No compromises.

You, Me, Kelly Kritsch and Lily Mukalay from OW are going to have a Good, long, three Way email converse a Sean until I am receiving all Entitlements I am Entitled to and made whole for all the Entitlement You've unlawfully deprived Me of.

Your Kickback Scheme stops here. If You contact Me again with any further belligerence or contempt or have any of Your agents do the same, You Will be reported to the police and these emails Will be added as evidence submissions.

Your demand for money is extortion - that is not Me being hyperbolic because You are not allowed to demand any money except rent without an Order from the LTB and You haven't even told Me what this is for?!

I am unlikeable, but I am within the Law and within My rights, You are not. You come to Me again with unclean Hands in Your accounting ledgers? Your contempt is inconceivable and intolerable.

Michaela Lawless Liar Leeder - I strongly suggest You remember Your place and the Role You were Cast by God to Play. Your duty is not to aid and abet or try to cover over the theft of public subsidies by Your criminal client. Your job is to convince Me that

Your client is not a criminal and this is all just a big misunderstanding. Your accounting ledgers have a lot of explaining to do.

Blessings, a T2 Will be following shortly,

You, Kelly Kritsch, Lili Mukaly

NOTICE OF REQUISITION OF ACCOUNTING AND LMR DEPOSIT REFUND

Dear Multifaith Housing Initiative Management,

I am writing regarding the International Lease Ledger dated November 13, 2026, for Unit 105 at 320 Via Chianti Grove (Lease Code t0000529).

On page 2 of the ledger, under the date ***August 31, 2026,*** there are entries for an LMR refund of ***$1,050.00*** (Ref P-12337) and Check #19065 (Ref K-8006). However, I have never received Check #19065, nor was my Last Month's Rent deposit returned to Me when deposits were refunded to all other tenants in the building.

Could You please provide the following information and records via email?

1. Front and back copies of Check #19065 for $1,050.00 (including proof of whether it was issued, cashed, or voided).

2. A clear written explanation as to why Check #19065 was never delivered to Me and why I was excluded from receiving My Last Month's Rent deposit refund when other tenants received theirs.

Please reply directly to this email thread so that Our Written correspondence remains complete and intact.

Thank you for Your prompt attention to this Matter.

REQUEST FOR UNREDACTED LEDGER DISCLOSURE AND EXPLANATION OF REDACTIONS

Dear Sarah Lorenz for MHI and her legal counsel, Michaela the Lawless Liar Leeder,

Please take notice that the Tenant formally requests immediate disclosure of the complete, unredacted native PDF export of the International Lease Ledger generated on November 13, 2026 at 4:06 27 PM for Lease Code t0000529 (Unit 105-320, 320 Via Chianti Grove, Ottawa).

Grounds for Request

1. Unexplained Manual Redactions: The copy of the November 13, 2026 ledger provided by the Landlord contains two solid black redaction boxes applied manually to the header block on Page 1. One redaction conceals the field directly beneath the Lease Name, and the second redaction conceals the lease summary field directly beneath the Unit number and Status.

2. Lack of Statutory Privilege or Justification: A tenant is entitled to *a complete and* ***accurate*** *accounting of their own tenancy record under the Residential Tenancies Act, 2006*. The Landlord has provided *no explanation, privilege log, or* ***statutory authority*** *for* ***altering a primary accounting record*** *pertaining to the Tenant's own unit and lease*.

3. Materiality to Ongoing Proceedings: Because the Landlord's accounting, subsidy allocations, Last Month's Rent deposit handling (August 31, 2026), and unilateral addition of a 186.00 dollar LTB filing fee (August 13, 2026) are directly at issue before the Landlord and Tenant Board and the Divisional Court, any ***post-export alteration*** of the ledger impairs the integrity of the record.

Items Requested

Please provide the following via email to gnosticwisdom37@gmail.com within five (5) business days of this notice.

1. An ***unredacted*** native PDF copy of the Yardi Voyager International Lease Ledger dated November 13, 2026, with the "Show Notes" option enabled so all internal charge and receipt memos are visible.

2. A written explanation identifying the exact database fields concealed under both black boxes on Page 1 and stating *the legal basis for redacting them*.

3. Supporting documentation for the August 13, 2026 charge (Control Number 59024 for 186.00 dollars) and the August 31, 2026 deposit transactions (Control Numbers 60023 through 60025, Payable 12337, and Check 19065).

Please be advised that if an ***unredacted copy*** *and* ***written explanation*** *are not produced*, the Tenant will rely on this notice before the Landlord and Tenant Board and the Divisional Court to seek ***an order for production and to draw an adverse inference regarding the altered record***.

In accordance with the Tenant's standing notice of service, all correspondence and disclosure must be delivered exclusively via email to gnosticwisdom37@gmail.com.

Govern yourselves accordingly.

Blessings,

In Good Faith and with Clean Hands
