⚖ FORMAL LEGAL NOTICE ⚖

To SBT Registrar, and to:
Elizabeth Kirby in her personal, private capacity,
Linda Sumbo in her personal, private capacity,
and all other agents involved in this conspiracty in their personal, private capacities (no insurance/performance bond for criminal Acts in abdication of judicial duty).

1. THE DIRTY MONEY: THEFT BY MHI & ITS CO-CONSPIRATORS

The core subject of SBT file SBT-2512-08602 is the recovery of stolen funds. Evidence submitted includes a ledger proving Multifaith Housing Initiative (MHI) illegally withheld money designated for tenant repairs and essential support (utility and rental insurance costs). These are STOLEN assets that were deliberately embezzled into the accounts of MHI.

Enter Linda ‘the Shill’ Sumbo and 'Hebb, Knight and Associates'. MHI paid your firm between $15,000-$25,000 to produce a tenant survey? This was not due diligence. It was a fraudulent instrument designed to:
- Gaslight abused tenants;
- Create a false “social audit” to whitewash MHI’s criminal negligence;
- **Launder the stolen money** by converting illicitly withheld repair funds into a “professional consultancy fee” for a cover-up report.

No survey was necessary, all Al's Shithead Shadid had to do was listen to the tenants when they expressed their concerns to him directly.

I have taken the liberty of including the entire town hall where You can hear his contempt for the RTA directly while he tells tenants they've been subject to vermin in their rafters for nine years because vermin are a protected species of filth in the city of Ottawa. I could not make up more outlandish, narcissistic gaslighting examples if I tried. That is some constructive tall tales told to tenants!

Your survey, Ms. Sumbo, is the first wash cycle. It takes dirty money (stolen from tenants) and attempts to make it look clean (a fee for “responsible governance”). That money is desperately needed for their maintenance negligence, are You going to pay the $15-$25k to fix the MAU unit seeing as You advised MHI to spend the money on Your survey instead?

2. THE LAUNDERING CYCLE: SBT’S WILLFUL JUDICIAL BLINDNESS:

Adjudicator Kirby, You now hold the evidence of this theft. The ledger is in Your possession, complete with redacted names to hide the criminals responsible (obstruction- Caroline Forget). My demand for its restitution is before You.

Your failure to adjudicate is not passive delay. It is the second and critical wash cycle in this laundering scheme. By refusing to order the return of the stolen funds, You are providing a judicial “clean slate.” You are allowing the illicit financial deed (the theft) to remain unchallenged and un-remedied in the official record. Your inaction legitimizes the crime. Under Canadian law (Criminal Code), this constitutes willful blindness and makes you a participant in laundering that stolen property.

3. THE UNIFIED CONSPIRACY & JOINT LIABILITY
The chain is now clear: MHI steals → Sumbo’s firm creates a survey t to conceal the theft and give tenants 'illusion' of accountability while You work on their public image, defending the exploitation of tenants → Kirby’s Tribunal refuses to order restitution, completing the laundering, washing the dirty money.

Therefore, liability is now joint and several among:
- MHI & Linda Sumbo/Hebb, Knight and Associates, Home for Good, Ontario Works, City of Ottawa Councillor Cathy the Colluding Curry, for theft, fraud, conspiracy, and unjust enrichment.
- Adjudicator Elizabeth Kirby & the SBT: For misfeasance in public office, obstruction of

justice, and acting as a conspirator in money laundering by willfully ignoring evidence of a predicate crime.

4. FINAL ULTIMATUM & DEMAND
You have one chance to break this chain and avoid being named in a criminal complaint.

By 5:00 PM EST, Wednesday, June 19th, 2024, Adjudicator Kirby MUST transmit a formal SBT Decision that:
1. Grants in full the monetary remedies specified in my June 4th Notice (Hydro credit, Kritsch payment, Lynch compensation, recognition of default judgment).
2. Makes a finding of fact on the record that the funds in question were unlawfully withheld (per the submitted ledger).
3. Directs that a copy of this Decision, along with all evidence of theft and fraud, be formally referred to the RCMP Integrated Proceeds of Crime unit and the Ontario Provincial Police Anti-Rackets Branch for investigation of conspiracy and money laundering.

5. CONSEQUENCES OF FURTHER INACTION
If this Decision is not rendered by the deadline, I will initiate the following concurrent and irreversible actions:

- Criminal Complaint Filed: A comprehensive dossier will be submitted to the RCMP, OPP, FINTRAC, and the Public Prosecution Service of Canada, detailing this interconnected laundering scheme and naming all parties as conspirators.
- Global Exposition The Ottawa Wash: How a Tribunal Cleans Stolen Money will be published. Your portraits, Kirby and Sumbo, will be the featured faces of judicial and commercial corruption (Hall of Shame Dossier).
- Disciplinary & International Escalation: Complaints to the Law Society of Ontario (for any legal professionals involved) and the Ontario Judicial Council. Amendment of the ICC submission to include willful deprivation via judicial/commercial collusion (despite We know the LSO is complicit, too, We Will make sure to maintain a Record of the criminal conduct they 'license' and enable to engage in criminal conduct - they are a society of criminals engaged in fraud, posing as professional 'legal' experts when 'legal' is the undoing of lawful conduct.

The evidence is before you. The law is clear. Your silence is your consent to be named as a co-conspirator.
