⚖ FORMAL LEGAL NOTICE ⚖

Good day,

You Will Notice that I have attached the email thread where several Ontario Works agents ignore the Subsidy Renewal Request which Kelly Kritsch approved over the phone including Hydro utilities in the amount of $60.00 that Will be added to the Beneficiary's basic needs as he is paying the difference not covered by OESP directly. It was determined that if the $60.00 is excessive any credit balance that accumulates on the account can be taken into consideration at this time next year.

Rental insurance is also covered and I advised Mathieu Regimbald that I Wish to have that set up or receive a credit for the loss of that Benefit to be made whole as the loss of an Entitlement is a form of economic harm.

Furthermore, My lease states that the landlord has the duty to pay any amount not paid by the City of Ottawa, so this email I am receiving is unlawful, illegal and constitutes criminal harassment. The city of Ottawa had a duty and obligation to Keep Me informed of the status of the subsidy and failed to do so. For the fourth time in a row and the entire PURPOSE of sharing the email thread regarding subsidy was to PROVE, IRREFUTABLY that it makes no difference how persistent or diligent I am, they are actively TRYING TO SABOTAGE THE SUBSIDY!!! This was NOT an administrative error, this is malicious, criminal breach of Trust.

Not only does this demonstrate the impunity with which the City of Ottawa Will engage in fraud to exploit and intimidate Beneficiaries, it demonstrates how little respect any One at Ontario Works has for this Tribunal. All of these criminal breach of Trust perpetrated by State Actors were done so with impunity before this Tribunal, showing that You are complicit.

This is criminal conduct and is not acceptable. Elizabeth Kirby, You are on Notice and have a duty and obligation to report these criminals to the police, this is clearly economic exploitation for exposing their criminal breach of Trust and spoliation of at least four documents and contractual obligations received by their office.

Gen, You better fix this because this also seems a lot like retaliation for the Civil Claim I filed against You on the 18th of June, right? Is this in retaliation for that or just another egregious error?

I require that decision for My application to the Divisional Court, Elizabeth, what is taking so long?!

Blessings,

— King Sean
