URGENT FEE WAIVER REQUEST - KING SEAN, HOUSE VON DEHN V. MULTIFAITH HOUSING INITIATIVE

To the Registrar / Court Clerk,

Please find attached my completed and electronically sworn Form FW-A-3 (Fee Waiver Request to Registrar, Clerk or Sheriff) for immediate same-day processing.

I am filing the fee waiver under duress and in violation of the Rules of the Court and the Trustee Act of Ontario which allows for Trustees to request direction and instruction from the Court related to Trust obligations *without the commencement of an Application or Action*.

"The rights, powers and immunities of the Trustee Act of Ontario are in addition to those afforded by the Instrument constituting the Trust and have effect subject to the terms thereof."

The Trustee is a Commissioner of Oaths as the Living Word of God.

I am filing this application electronically today, November 6, 2026, to preserve My Beneficiary's timeline. The Beneficiary is a recipient of Ontario Works. Because I am filing digitally from the Trust res, My electronic signature and swearing statement are

explicitly executed on Page 4 in compliance with digital filing rules. My biometric, digital Signature is also attached to this email to endorse the Fee Waiver.

Alternately, You can offset any fiat Court costs against the equitable Real E-State Value of the Trust.

Please reply to confirm receipt and verify that the waiver has been processed. Thank you,

Sean von Dehn

NOTICE OF OBSTRUCTION OF JUSTICE - WILIAM COYNE, OTTAWA COURT MANAGER

To the Attorney General for the Province of Ontario,

Please find below a forwarded copy of an automated Mail Delivery Subsystem notification confirming that the official filing email address for the Ontario Civil Court registry (Ottawa.Civil@ontario.ca) has blocked my incoming transmission to constructively obstruct My access to Justice.

William Coyne is the manager of the Court and has actively been as King of his clerks and staff to 'ghost' My emails and deny Me a court of competent Jurisdiction to address the criminal charges made against Me using identity fraud to get around the official Registry.

This message contains a completed and electronically executed Form FW-A-3 (Fee Waiver Request), sent today, November 6, 2026, to preserve a mandatory filing timeline.

While this specific provincial registry address rejected the filing, the exact same transmission was successfully received by the ***Trial Coordinator, Regional Scheduling Judge Sally Gomery, and the Superior Court of Justice Ottawa*** email registry without bouncing back.

These individuals Will be held liable if all avenues of Justice continue to 'ghost' My emails and phonecalls to the Court to correct this fraud and obstruct-Sean.

The selective blocking of this filing by the provincial court registry address directly undermines the administration of justice and speaks directly to Willaim Coyne's criminal contempt and incompetence, denying a Trustee and Executor of a Trust equal access to the court system.

This record is forwarded to your office to document the systemic failure of the electronic filing system and to place the Ministry on formal notice of administrative obstruction and gross incompetence in the administration of justice, causing Me egregious harm by the aggravated trespasses upon My right of self determination and interfering with My Trust obligations, causing irrevocable harm to the Trust's Beneficiaries. This is not acceptable and a disgrace to the Crown's repute a Sean.

I require an immediate review of this registry block and confirmation that My documents have been logged into the official record as of today's date and that the email 'Ottawa.Civil@ontario.ca' immediately unblocks My email address so I can file My documents.

Thank You.
